Love In The Driest Season:

Love in the Driest Season Neely Tucker, 2005-04-05 In 1997 foreign correspondent Neely Tucker and his wife Vita arrived in Zimbabwe. After witnessing the devastating consequences of AIDS and economic disaster on the country's children, the couple started volunteering at an orphanage where a critically ill infant abandoned in a field on the day she was born was trusted to their care. Within weeks Chipso, the baby girl whose name means gift, would come to mean everything to them. Their decision to adopt her, however, would challenge an unspoken social norm that foreigners should never adopt Zimbabwean children. Against a background of war, terrorism, disease, and unbearable uncertainty about the future, Chipso's true story emerges as an inspiring testament to the miracles that love and dogged determination can sometimes achieve. **Life**

Stories Maureen O'Connor, 2011-08-23 Memoirs, autobiographies, and diaries represent the most personal and most intimate of genres, as well as one of the most abundant and popular. Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2,800 read-alike and other related titles. The popularity of this body of literature has grown in recent years, and it has also diversified in terms of the types of stories being told and the persons telling them. In the past, readers' advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy. This guide offers an alternative: organizing the literature according to popular genres, subgenres, and themes that reflect common reading interests. Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads, *Life Stories: A Guide to Reading Interests in Memoirs, Autobiographies, and Diaries* presents a unique overview of the genre that specifically addresses the needs of readers' advisors and others who work with readers in finding books. **Murder, D.C.** Neely

Tucker, 2016-08-23 The test of a crime series is its main character, and Sully is someone we'll want to read about again and again. When the murder victim in the novel is identified as the young scion of one of the city's most wealthy and influential African American families, the story expands its themes of race and class, which lend it dimension. Lisa Scottoline, *The Washington Post* Reporter Sully Carter returns in a thrilling murder mystery of race, wealth, and family secrets. When Billy Ellison, the son of Washington, D.C.'s most influential African American family, is found dead in the Potomac near a violent drug haven, reporter Sully Carter knows it's time to start asking some serious questions, no matter what the consequences. With the police unable to find a lead and pressure mounting for Sully to abandon the investigation, he has a hunch that there is more to the case than a drug deal gone bad or a tale of family misfortune. Riding the city's backstreets on his Ducati 916, Sully finds that the real story stretches far beyond Billy and into D.C.'s most prominent social circles. A hard drinker still haunted by his years as a war correspondent in Bosnia, Sully now must strike a dangerous balance between D.C.'s two extremes: the city's violent, depraved projects and its highest corridors of power, while threatened by those who will stop at nothing to keep him from discovering the shocking truth. The only person he can trust is his old friend Alexis, a talented

photographer and fellow war zone junkie who is as sexy as she is fearless but even Alexis can't protect Sully from everyone who would rather he give up the story Following the acclaimed first Sully Carter novel *The Ways of the Dead* this gritty mystery digs deeper into Sully's past while revealing how long held secrets can destroy even the most powerful families
