seeks to remedy this limitation by showing how Lonergan did address problems of community life He also broadened his interest after writing *Insight* to include a reaching into our hearts as modeled for example by the genius Blaise Pascal Lonergan also sought to bridge religious divides Here the Christian theological virtues of faith hope and love are indispensable but that does not curtail from Lonergan's uncanny ability to reach out to secularists by focusing on ethics The importance of Lonergan's interdisciplinary work is signaled in the book's twelve explorations in the concluding Part IV that detail for interested readers his extraordinary ability to solve major philosophical issues

**More Than I Love My Life**  
David Grossman, 2022-07-12 INTERNATIONAL BOOKER PRIZE NOMINEE A remarkable novel of suffering love and healing the story of three generations of women on an unlikely journey to a Croatian island and a secret that needs to be told from the internationally best selling author of *To the End of the Land* A magnificent book The way Grossman writes about these regions is unique with a deep understanding of our experience Josip Mlaki Express Croatia *More Than I Love My Life* is the story of three strong women Vera age ninety her daughter Nina and her granddaughter Gili who at thirty nine is a filmmaker and a wary consumer of affection A bitter secret divides each mother and daughter pair though Gili abandoned by Nina when she was just three has always been close to her grandmother With Gili making the arrangements they travel together to Goli Otok a barren island off the coast of Croatia where Vera was imprisoned and tortured for three years as a young wife after she refused to betray her husband and denounce him as an enemy of the people This unlikely journey filtered through the lens of Gili's camera as she seeks to make a film that might help explain her life lays bare the intertwining of fear love and mercy and the complex overlapping demands of romantic and parental passion *More Than I Love My Life* was inspired by the true story of one of David Grossman's longtime confidantes a woman who in the early 1950s was held on the notorious Goli Otok the Adriatic Alcatraz With flashbacks to the stalwart Vera protecting what was most precious on the wretched rock where she was held and Grossman's fearless examination of the human heart this swift novel is a thrilling addition to the oeuvre of one of our greatest living novelists whose revered moral voice continues to resonate around the world
