Love Letters To Dangerous Christians:

Love Letter to a Conflicted Church Richard P. Olson, 2010-01-01 The book is organized into three divisions and as the title implies there is a brief letter in the form of a New Testament epistle to the contemporary church a portion of which begins each chapter The first division reexamines the gifts and redemptive possibilities of anger and conflict The barriers to healthy anger conflict are considered and addressed In the second attention is given to conflicts surrounding the Bible There is a chapter on conflict and reconciliation in the Bible followed by suggestions on how people who read the Bible differently from each other can resolve some of those differences Consideration is also given to discovering biblical priorities for the contemporary church The third division offers vistas of change and reconciliation Parables of hope and promise are provided Insights from the studies of persons and communities as well as ethics and theology are summarized There is reflection on those unresolved conflicts that continue in spite of our best efforts Then moral imagination is engaged to visualize the opportunities for a church that moves beyond its present stalemates

Love Letters to God Devon Spencer, Katherine Willis Pershey, 2025-07-29 Love Letters to God is an intensely personal and deeply theological book of epistles between two dear friends The authors hail from different backgrounds in faith family and life circumstances but find common ground in their devotion to Christ Christianity and each other The letters chronicle a year in the life of this friendship marked by fervent faith and bouts of unbelief suffering and rejoicing death loss and baptism and the sanctification of a friendship The tone is at once literary and personal peppered as much with theological references as unrefined vulnerability and speaks to all who cherish their faith and their friends

Love Letter to God R.L. Dawson, 2025-04-11 Jeremiah 29 11 says For I know the plans I have for you says the Lord They are plans for good and not for disaster to give you hope for a future This Bible verse has come to mean so much to me During the last year my wife and I have had many trials in our lives However we know that we are not alone Although I have always aspired to be a professional writer this book is not something

I planned It began by writing devotions and reading them in church This book is about my growth as a Christian I am not a perfect Christian as none of us are This book will reflect that and I hope and pray that it reaches fellow struggling sinners It took just a year to write And yet in many ways it took a lifetime *The Lost Love Letters of Heloise and Abelard* Constant J. Mews,2016-09-23 This new edition offers fascinating insights into one of the most celebrated love affairs of the Middle Ages A new chapter charts the debate about the letters and offers fresh evidence to attribute them to Abelard and Heloise The complete Latin text is reproduced with an annotated translation by Chiavaroli and Mews **Love Letters to My Daughters and Grandaughters** Bryn Bass McCleary,2019-07-06 Autobiography of Bryn Bass McCleary This book is not just for my grandchildren This is for people who want to know about The inside scoop on Homeland Security and use of legal physical and weapon force What happens behind the scenes at the Board of Elections on election day Behind the scenes at the NYPD on election day How my daughters and I survived abuse child molestation and the corruption of the family court system Thoughts on religious denigration and the battle of the Christians across denominations The truth about health and fitness How your mind creates the perfect diet for you and your age Lessons learned from the wrong dating and career decisions how not to end up on welfare **A Missionary Looks at the Love Letter** Richard Lehman,2024-02-19 Jesus gave Revelation as a love letter for his servants to share with the church It is addressed to us from him that loved us and washed us from our sins in his own blood Revelation 1 5 He reminds us that he personally suffered and gave his very best for his bride the church But then with a broken heart in his first letter to the church he says you have left your first love Revelation 2 4 This book interprets Revelation by following the instructions given to us in the first chapter We are told to compare Revelation to the Word of God and the testimony of Jesus Christ Revelation 1 2 Revelation is a heart heavy message very carefully and personally delivered by Jesus Christ himself He doesn't take it lightly when people write up their own interpretations and imaginations about what it means That is why this particular book carefully considers the spiritual heart message that is being delivered to the ministry and we will address each scripture within Revelation in the same order as it was originally given Almost every scripture within Revelation hundreds of them are derived from other scriptures within the rest of the Bible There is no way to interpret Revelation without carefully considering what those scriptures spiritually teach us and then what Jesus is telling us with them through his Revelation This is exactly the way that the apostle Paul taught us to understand scripture Which things also we speak not in the words which man's wisdom teaches but which the Holy Ghost teaches comparing spiritual things with spiritual 1 Corinthians 2 13 Revelation is also a book of many sevens Addressing things seven times is God's way within scripture of completing his purpose and his work There are four different patterns of seven that are explicitly identified within Revelation 7 churches 7 seals 7 trumpets and 7 vials of the wrath of God poured out This pattern of four sevens matches how God said he would correct his people back in Leviticus chapter 26 He said four different times that if his people stray away from him he will correct them seven times and in the last seven he will correct

them in his fury Accordingly the last pattern of seven within Revelation is done in God's wrath and fury Revelation finalizes the corrections for all the problems in the church A Missionary Looks at the Love Letter has been written so that you can respond from your heart to the love letter Jesus wrote to you Christ died so that we can have a personal heart to heart relationship with him and his heavenly Father through the Holy Spirit That is how he first established the Kingdom of Heaven on Earth Consequently the purpose of Revelation is to fill us in a greater way with his sacrificial love Intellectual understanding into the different symbols types and patterns of Revelation are a byproduct of that heart transformation Consequently this book will also explain all of these symbols types and patterns in complete detail directly from the scriptures The book is titled A Missionary Looks at the Love Letter because as a missionary the author has taught this Revelation message to over a thousand ministers already The purpose of Revelation is first to shake and awaken the ministry to their responsibility to respond directly to the heart of God For those ministers where that spiritual heart change takes place a revival breaks forth in their life and spreads to others That Christ may dwell in your hearts by faith that you being rooted and grounded in love May be able to comprehend with all saints what is the breadth and length and depth and height And to know the love of Christ which passes knowledge that you might be filled with all the fullness of God Ephesians 3 17 19
