Aileen Ribeiro,1984 *Queen Hedwig Eleonora and the Arts* Lisa Skogh,2017-07-05 As queen consort and dowager Hedwig Eleonora 1636 1715 held a unique position in Sweden for more than half a century As the dominant collector and patron of art and architecture in the realm she left a strong mark on Swedish court culture Her dynastic network among the Northern European courts was extensive and this helped to make Sweden a major cultural center in Northern Europe in the later seventeenth century This book represents the first major scholarly publication on the full range of Hedwig Eleonora s endeavours from the financing of her court to her place within a larger princely network to her engagements with various cultural pursuits to her public image As the contributors show despite her high profile political position and conspicuous patronage Hedwig Eleonora experienced little of the animosity directed at many other foreign queens and regents such as the Medici in France and Henrietta Maria in England In this way she provides a model for a different and more successful way of negotiating the difficulties of joining a foreign court the analysis of her circumstances thus adds a substantial dimension to the study of early modern queenship Presenting much new scholarship this volume highlights one extremely significant early modern woman and her imprint on Northern European history and fosters international awareness of the importance of early modern Scandinavia for European cultural history ***Masquerade Beauties Coloring Book*** Sherri Creations,2024-03-08 Immerse yourself in the elegance mystery of the *Masquerade Beauties* grayscale coloring book featuring captivating portraits of beautiful women adorned in exquisite masquerade masks Unleash your creativity and bring these enchanting masquerade scenes to life with every stroke of your pencil Features of the book Quality illustrations Unique masquerade portraits Grayscale style images Great gift idea for colorists Fun relaxing and stress relieving 8 5x11 inch size Elegant glossy cover Embark on a coloring journey filled with glamour allure by ordering your copy today **Catalogue of**

the Valuable Library and Collections of Engraved & Other Portraits, and Autograph Letters, the Property of the Well-known Amateur William Wright Esq. William Wright, 1899 *Dressing and Undressing Duchamp* Ingrid E.

Mida, 2022-08-25 Fashion is a subject that has long been marginalized in art history and in museums And yet one of the most well known artists in the twentieth century Marcel Duchamp created works that challenge the notion that fashion does not belong in the museum As well there is material evidence of his engagement with clothing as part of his oeuvre This book reveals that clothing and dressing are significant themes that recur in Duchamp's life and his work including his drawings his fashioning of his body his readymades and in his curatorial gestures In examining the items of clothing worn by Duchamp and the related traces of his wardrobe management Duchamp is unmasked as a dandy His waistcoat readymade series *Made to Measure* 1957 1961 is in fact a remarkable and deliberate effort to recalibrate the definition of the readymade to include clothing With this little studied readymade series Duchamp established a precedent for sartorial art as a valid form of artistic expression In considering the material traces of Duchamp's fashioning of his body and identity in his work and life this book makes a highly original contribution to the understanding of Duchamp's work as well as the significance of the clothed body in the vanguard of Modernism Ultimately this book explains the relevance of fashion in the museum to modern audiences today
