My Unforgettable Memories Of World War Ii

Mark D. Van Ells

My Unforgettable Memories Of World War II:

Memories of World War II, **Pursuit of Paradise** Thomas N. Smith, 2019-11-29 Tom Smith presents the story of his parents in his first historical fiction *Pursuit of Paradise*. The novel vividly describes the years before, during, and after World War II. It begins in Texas and moves to the South Pacific, returning to Texas and moving westward to Arizona. He accurately traces the true events in the lives of Horace Smith and Juliette Hamilton in the short span of time between the attack on Pearl Harbor in 1941 and their marriage in 1946. After extensive archival research of the 21st Regiment 24th Infantry Division, Smith describes in meticulous detail the harshness of the Pacific War. He includes a day by day account of the brutal struggle for Breakneck Ridge on Leyte Island. He places the reader in the middle of the deadly tactics and the insufferable conditions that were among the most excruciating in military history. The reader experiences the Pacific War with Red Smith and his buddies from the start of training to the end of combat. The reader lives through the occupation of Japan and the long trip back home only to find an America that had undergone considerable change with cities and shiftwork replacing the small farms that had dotted the landscapes of the past.

Red Arrow across the Pacific Mark D. Van Ells, 2024-09-30 The history of WWII's most battle tested US Army division and its crucial role in achieving Allied victory in the Pacific. *Red Arrow across the Pacific* reveals the long overdue story of the renowned Thirty Second Red Arrow Infantry Division. Discover how this National Guard unit which originated in Wisconsin and Michigan but soon evolved to include soldiers from California to New England became one of the first US military units deployed overseas in World War II eventually logging more combat hours than any other US Army division. Far more than a traditional battle narrative, *Red Arrow across the Pacific* offers a cultural history of the Red Arrow's wartime experience from its mobilization in 1940 to its deployment across New Guinea, Australia, and the Philippines to its postwar occupation of Japan. Drawing from letters, memoirs, and interviews, author Mark D. Van Ells lets the soldiers speak for themselves describing in their own words the terror of combat, their impressions of foreign lands, the struggle to maintain their own humanity, and the many ways the war profoundly changed them. Nuanced and remarkably thorough, this book explores the dramatic evolution of the Thirty Second Infantry Division and reveals how the story of the Red Arrow reflects the experience of the US military during World War II.

Dearest Darling, Letters from World War II Catherine Emerson Porto, 2022-12-08 *Dearest Darling* tells the true story of the WWII romance and marriage of Anthony Tony Porto of New York, a Navy aerial photographer aboard the USS *Saginaw Bay*, and Bernice Hardey of Texas. From a box of letters stored for decades, their daughter-in-law recounts their inspiring life together. Key to the story are Bernice's late-in-life recollections of the letters Tony wrote to her while he was aboard ship in the Pacific during the final battles of WWII. The letters were a lifeline as Bernice listened to news feeds from Tokyo, rose about supposed Japanese triumphs, and worried about Tony's safety amidst the heavy fighting. When Tony died in 2011, Bernice disclosed to the family their lifelong secret, recalling how happy she was the day she finally received the long-awaited letter from Tony disclosing in

code that he was finally coming home Code What code was she talking about The code which neither Tony nor Bernice had ever mentioned before was his way of letting her know his ever changing location in the Pacific without arousing suspicion from the Navy censor who read all outgoing mail Unraveling the code and reading Tony s elegant letters brings to life Bernice and Tony s deepening love amidst the backdrop of war The letters chronicle his journey from aerial photography training to pre invasion surveillance to photographing the invasion of Iwo Jima Dearest Darling is more than a classic WWII love story Bernice s and Tony s postwar lives are inspiring examples of devotion to something bigger than oneself in their case faith family community country and above all each other **New Jersey Women during World War II** Patricia

Chappine,2023-10-24 While World War II has long been viewed as a pivotal period that allowed women expanded opportunities in the military and the labor force locally focused considerations have long been left out of the national narrative New Jersey Women during World War II On the Home Front and Abroad by Patricia Chappine explores the experiences that detail the wartime narrative of New Jersey women on the home front and abroad and describes the impact these women had as they pushed past gendered social boundaries and joined the war effort in numbers greater than any previous generation of Americans Through expansive research Chappine examines the critical role the women of New Jersey played as they stepped into newly formed military branches and entered the labor force in areas never before open to them volunteering in staggering numbers Focusing on the nuances of women s wartime experiences this book blends the personal with the social political and economic climate of New Jersey and the communicated aspirations uncertainties and fears of women during World War II to offer new insights into the role they all played **What I Remember** Paul C.

Valentine,2011-11-18 THIS IS THE STORY OF ONE MAN S MEMORY of the past 80 years of our history in the 20th and beginning of the 21st century Recollections of the ending of the Great Depression World War II Growing up in Elgin Illinois Elgin High School College years at DePauw University Miami University of Ohio Massachusetts Institute of Technology and Stanford Law School the Air Force Polio in the 50s Washington D C in the Kennedy Years Law practice in Palo Alto Vietnam protests Turmoil on the Stanford Campus The Creative Initiative Foundation Nuclear power and alternative energy Beyond War His 57 year marriage to Nancy Elizabeth Hodge of Niles Ohio their family of three children and seven grandchildren and their living in retirement at The Sequoias in Portola Valley California This is a story of ordinary people who found meaning in their lives in extraordinary times **The Literary Representation of World War II Childhood** Mary Honan,2017-08-21

Focusing on twenty one primary texts about childhood under Nazism this book examines how childhood in literature has changed over the years from the Romantic writers to child slave labour in the Victorian era the child soldier and the impact of deportation on both the child victim and their families post wartime The genres covered here range from diaries letters comics allegories time travel novels fairy tales and novels about the Hitler Youth Because of its broad focus the work will be of interest to a broad readership from survivors of World War II and their families to historians teachers and librarians It will

also benefit those practitioners working in the areas of deportation trauma child soldiering and human rights and tolerance studies

The Broken Whistle Pedro Israel Orta, 2024-02-19 Now here I was post Snowden relying on a system President Obama Congress and IC leaders had touted as successful and functional But was it truly working My case exposed it as nothing more than a sham Would the CIA and the IC attempt to rectify the situation Did they genuinely desire to fix the broken system Or would they persist in employing their illegal bullying tactics to silence whistleblowers I was determined to take action offering them an opportunity to correct their behavior From The Broken Whistle The Broken Whistle is a searing exposé that unveils a chilling chapter in American history a narrative meticulously recounted by Pedro Israel Orta Plunged into the heart of power and deception Orta emerges as a force to be reckoned with On September 23 2019 his single Twitter thread ignited a tempest tearing through the sinister underbelly of the Intelligence Community Whistleblower Protection Act ICWPA which had been perverted for political ends In this gripping account Orta fearlessly shines a light on a corrupt system that brazenly weaponized the very process designed to uphold truth and accountability As the pages unfold Orta unflinchingly reveals how the Intelligence Community IC whistleblowing process was perverted to target a sitting president while genuine whistleblowers endured unimaginable torment and abandonment With chilling detail and unyielding determination Orta pulls back the curtain on the U S National Security Bureaucratic State exposing the rampant abuse of power by the Deep State shielded by Congress's deafening silence Delving deep into the heart of darkness Orta uncovers the unsettling saga triggered by the enigmatic Ukraine whistleblower whose disclosures unleashed a political storm despite falling outside the jurisdiction of ICIG and DNI as confirmed by the Department of Justice These allegations detached from intelligence activities were shamelessly exploited an elaborate ruse orchestrated to manipulate public opinion and orchestrate the impeachment of a president Through the pages of The Broken Whistle Orta lays bare his own harrowing journey navigating the treacherous corridors of the Central Intelligence Agency Within these walls truth becomes an enemy and those who dare to speak out face ruthless retribution and termination As Orta's unwavering voice rises above the cacophony of corruption readers are led on an odyssey that unveils a bureaucratic machine bent on crushing dissent and preserving its shadowy secrets The Broken Whistle is an unapologetic chronicle of one man's fight for justice a clarion call that reverberates through the darkest corners of power Prepare to be captivated by Orta's unflinching courage as he peels back the layers of deception exposing a broken system that has forsaken its sacred duty

Nagasaki Deluxe Susan Southard, 2015-07-28 Susan Southard's deluxe eBook edition of NAGASAKI LIFE AFTER NUCLEAR WAR includes rarely seen historic footage of the atomic blast and post-bombed Nagasaki as well as additional photographs of the city and its recovery over the past seventy years Interspersed throughout the book are exclusive video clips of the author's interviews with the survivors offering readers intimate glimpses of their astonishing journeys of nuclear survival A powerful and unflinching account of the enduring impact of nuclear war told through the stories of those who survived On August 9 1945 three days

after the atomic bombing of Hiroshima the United States dropped a second atomic bomb on Nagasaki a small port city on Japan's southernmost island. An estimated 74,000 people died within the first five months and another 75,000 were injured. Published on the seventieth anniversary of the bombing, Nagasaki takes readers from the morning of the bombing to the city today, telling the first-hand experiences of five survivors, all of whom were teenagers at the time of the devastation. Susan Southard has spent years interviewing hibakusha, bomb-affected people, and researching the physical, emotional, and social challenges of post-atomic life. She weaves together dramatic eyewitness accounts with searing analysis of the policies of censorship and denial that colored much of what was reported about the bombing both in the United States and Japan. A gripping narrative of human resilience, Nagasaki will help shape public discussion and debate over one of the most controversial wartime acts in history.

A Taste of War William Harvey Powell, 2006

The Tale of the Tardy Oxcart Charles R. Swindoll, 1998-10-11. In *The Tale of the Tardy Oxcart*, Charles Swindoll shares from his lifelong collection of his and others' personal stories, sermons, and anecdotes. 1501 various illustrations are arranged by subjects alphabetically for quick and easy access. Nagasaki Susan Southard, 2017-08-31. On August 9th, 1945, the US dropped an atomic bomb on Nagasaki. It killed a third of the population instantly, and the survivors or hibakusha would be affected by the life-altering medical conditions caused by the radiation for the rest of their lives. They were also marked with the stigma of their exposure to radiation and fears of the consequences for their children. Nagasaki follows the previously unknown stories of five survivors and their families from 1945 to the present day. It captures the full range of pain, fear, bravery, and compassion unleashed by the destruction of a city. Susan Southard has interviewed the hibakusha over many years, and her intimate portraits of their lives show the consequences of nuclear war. Nagasaki tells the neglected story of life after nuclear war and will help shape public debate over one of the most controversial wartime acts in history. Published for the 70th anniversary of the Hiroshima and Nagasaki bombs, this is the first study to be based on eye-witness accounts of Nagasaki in the style of John Hersey's *Hiroshima*. On August 9th, 1945, three days after the atomic bombing of Hiroshima, a 5-tonne plutonium bomb was dropped on the small coastal city of Nagasaki. The explosion destroyed factories, shops, and homes and killed 74,000 people while injuring another 75,000. The two atomic bombs marked the end of a global war, but for the tens of thousands of survivors, it was the beginning of a new life marked with the stigma of being hibakusha, atomic bomb-affected people. Susan Southard has spent a decade interviewing and researching the lives of the hibakusha, raw, emotive eye-witness accounts which reconstruct the days, months, and years after the bombing: the isolation of their hospitalisation and recovery, the difficulty of re-entering daily life, and the enduring impact of life as the only

people in history who have lived through a nuclear attack and its aftermath Following five teenage survivors from 1945 to the present day Southard unveils the lives they have led their injuries in the annihilation of the bomb the dozens of radiation related cancers and illnesses they have suffered the humiliating and frightening choices about marriage they were forced into as a result of their fears of the genetic diseases that may be passed through their families for generations to come The power of Nagasaki lies in the detail of the survivors stories as deaths continued for decades because of the radiation contamination which caused various forms of cancer Intimate and compassionate while being grounded in historical research Nagasaki reveals the censorship that kept the suffering endured by the hibakusha hidden around the world For years after the bombings news reports and scientific research were censored by U S occupation forces and the U S government led an efficient campaign to justify the necessity and morality of dropping the bombs As we pass the seventieth anniversary of the only atomic bomb attacks in history Susan Southard captures the full range of pain fear bravery and compassion unleashed by the destruction of a city The personal stories of those who survived beneath the mushroom clouds will transform the abstract perception of nuclear war into a visceral human experience Nagasaki tells the neglected story of life after nuclear war and will help shape public discussion and debate over one of the most controversial wartime acts in history

A Long Short Life Merle W. Mc Morrow, 2010-12-15 In *A Long Short Life* Merle W. Mc Morrow documents a trail of events of his own and his family's experiences from his youth into adulthood He was born during a time of uncertainty following World War I Both his father and mother grew up in families that put very little value on education and therefore neither one finished high school Their marriage resulted in family difficulties due to religious differences among other factors Tragedy struck the family many times but the event that left a permanent mark on Mc Morrow and his family was the divorce of his parents These problems were followed by the deaths of some of other family members as well as a diagnosis of diabetes for his father This period of difficulties would ultimately extend through three major historical time periods the Great Depression World War II and the Cold War Despite the many problems his family endured however they enjoyed twenty years as a close knit family all lovingly chronicled in *A Long Short Life*

A Global Lesson Reinhard Mohn, 2009-09-22 Reinhard Mohn legendary entrepreneur and father of the global media giant Bertelsmann offers penetrating insights into his motives beliefs and hopes as one of the world's foremost businesspeople Reinhard Mohn has grappled with the political and cultural changes of recent decades like few other entrepreneurs of his time In this deeply personal book Mohn for the first time describes his entrepreneurial development in the context of his own fascinating personal experiences *A Global Lesson* plumbs the extraordinary depth of Mohn's life from his Protestant upbringing and his time as a German soldier in an American POW camp during World War II to his socially conscious choices as a young businessman The hopes and challenges of booming 1950s Germany influenced Mohn's early years as an entrepreneur in many ways He quickly understood that to be successful he had to combine economic thinking with social responsibility Furthermore as he guided Bertelsmann's evolution from a

medium sized company to a global media corporation he realized how important it was to seek dialogue with other cultures Through it all from the period of German rebuilding after the war through the age of globalization Mohn fostered a successful corporate culture that served as a model for business leaders across the globe A Global Lesson reveals the motives that guided Mohn s development and shares how his family origins and personal experiences shaped his life s work His story is also a testament to his leadership Throughout his life and career Mohn has promoted a unique and important philosophy economic thinking and democratic culture cannot be in opposition and only by standing up for humanity can we master the challenges of global cooperation

What Good are Grandmas for, Anyway? Grandma Milot, 2025-03-28 I am Grandma Milot the happy author of this book I started writing my life story in 2019 at age seventy eight years a grandmother of five I finally put the dot at the end of the last chapter on January 2 2023 four months shy of my eighty second birthday In between those years I had to take a break from writing because I started being harassed by creatures with weird names like Sciatica Arthritis and worst Faint which caused me to lose consciousness and had to be delivered to my hospital s emergency unit My book is a story of survival of thousands of families including my own during the advent of World War II when the imperial forces of Japan attacked Pearl Harbor on December 7 1941 and then bombed Manila the capital city of the Philippines ten hours later I was only seven months old My family included my father my mother my older sister my older brother and my younger sister born on May 23 1943 Her name Victoria was given by my parents with the hope and prayers of the community that victory over the invaders would come soon When I was three years old my perceptive mind started to wonder about what was happening around because everyone was very sad Our parents tried their best to give us children the care needed We just played quietly sang carols at Christmas made toys from scraps of paper and drew our dreams on the ground using charcoals left over from bonfires I invite all book lovers to read the rest of my story about the power of faith my reflections on human existence and the belief that we were created by One Loving God alone no matter how we address Him Weekly World News , 1991-07-23 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site

Escape from Siberia, Escape from Memory Paul Wojdak, 2024-04-08 Paul Wojdak s father Pawel was born in 1912 in Novosibirsk Siberia During the 1800s many Polish people were banished to Siberia for rising against czarist Russia s repressive policies aimed to destroy Polish language and culture and they eventually lived in Siberia for generations By the 1920s war and chaos followed the Russian Revolution and Poles were cast as enemies of the people fleeing east as refugees Most died from disease starvation cold or violence including Pawel s parents and many Polish children were tragically trapped in Siberia a seven year old Pawel among them Later in life living in Canada with his wife and son Pawel physically could not speak about his childhood and refused to speak about his life as a young adult but his memories were sometimes triggered by chance events leaving mysterious tidbits for his son Paul Why could his father sing

the Japanese national anthem How did he come to see a tractor as a young boy in the United States Inspired by his love for his father combined with a desire to understand Pawel s complicated life after his father s death Paul takes on the daunting task of trying to piece together his father s past determined to uncover the truth in the hopes of learning the story of a man who despite all his hardships was respectful loyal dedicated and loving Only knowing bits and pieces of his father s childhood and knowing his father fought in World War II Paul begins by connecting his father s story with the stories of other Polish children and men in Siberia and Eastern Europe from 1917 to 1945 From there he brings to light the remarkable story of the Polish Rescue Committee and their plight to rescue Polish children in Siberia after World War I and of the compassion of the Japanese people in harbouring these children Following records of his father s trail he shares the incredible journey these children then took before finally arriving in Poland in late 1922 only to find their lives in upheaval again in 1939 when Poland was invaded by Russia and Germany Escape from Siberia Escape from Memory not only shares an extraordinary story of heroism and survival but also explores the struggle to recapture and preserve cultural and personal memory and the impact of war on children and young adults

Weekly World News ,1990-08-07 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site

Order in Chaos Hermann Balck,2015-06-23 German general Hermann Balck 1897 1982 was considered to be one of World War II s greatest battlefield commanders His brilliantly fought battles were masterpieces of tactical agility mobile counterattack and the technique of Auftragstaktik or mission command However because he declined to participate in the U S Army s military history debriefing program today he is known only to serious students of the war Drawing heavily on his meticulously kept wartime journals Balck discusses his childhood and his career through the First and Second World Wars His memoir details the command decision making process as well as operations on the ground during crucial battles including the Battle of the Marne in World War I and his incredible victories against a larger and better equipped Soviet army at the Chir River in World War II Balck also offers observations on Germany s greatest generals such as Erich Ludendorff and Heinz Guderian and shares his thoughts on international relations domestic politics and Germany s place in history Available in English for the first time in an expertly edited and annotated edition this important book provides essential information about the German military during a critical era in modern history
