My Valentine:

My Valentine Tracie Peterson, Sally Laity, 2017-01-01 Enjoy two touching historical romances set in 1800s New York City When Pierce and Darlene meet in her father's tailor shop their lives are on very different paths But neither can forget the other Also includes the bonus story Little Shoes and Mistletoe by Sally Laity in which two orphans restore a woman's capacity to love

Moving Forward Thomas C. Smith, 2011-09-29 This book is a collection of poems I have written throughout my life I started writing when I was in high school The early poems were for girls that I knew No copies of these were kept I started to retain copies in college My poems moved from just words to life stories personal thoughts and my God I have shared some with a few friends which for me is difficult because I tend to keep most everyone at arm's length My journey has been filled with life's ups and downs and my poems reflect the joys and sorrows I experienced and some you may have experienced Most important for me is that Jesus is my constant companion who rejoices with me in the good times and carries me through the hard times Psalm 23 The Lord is my shepherd I shall not be in want NIV He makes me to lie down in green pastures he leads me beside quiet waters he restores my soul He guides me in paths of righteousness for his name's sake Even though I walk through the valley of the shadow of death I will fear no evil for you are with me your rod and your staff they comfort me You prepare a table before me in the presence of my enemies You anoint my head with oil my cup overflows Surely goodness and love will follow me all the days of my life and I will dwell in the house of the Lord forever

St. Nicholas Mary Mapes Dodge, 1926 **Nature, Love & Wisdom** Samuel Phillip, 2007-09-18 This book is one which allows the reader to reconnect with nature It shows the relationship and the dependency of this human race upon nature It also let us realize that we are not connected to ourselves unless we make a great effort to connect with the natural things around us It is only when we do so then true happiness will find its way into the heart of the one who seeks it *Catalog of Copyright Entries*, 1927

Compilations of Love Laqianya Huynh, 2013-04 Experience an unusual blend of words that allows you to figuratively imagine love and life that people could encounter in sensational partnerships that possess passionate connections between monogamous couples around the globe You will also find literary prose that embraces romance and symbolic irony through prose poetry various couplets free verse prose iambic pentameters love ballads lyric poems romantic soliloquies alliteration and rhythm that poetically illustrates desire and need for love when it seems impossible This book will simply beckon your heart and souls in hopes that you will surrender to a healthy passionate relationship that will allow you to simply feel and appreciate love and all of its complexities And accept that this life can be exciting challenging and unpredictable no matter how clever genuine religious or how ridiculous you are Love Is a Battlefield Halcourth Delando O'Gilvie, 2021-02-11 Ever since my retirement from the Edmonton Police Service January 8 2014 I would often pray and inquire of my Precious Saviour Jesus Christ what is His will and His purpose for my life Often times after praying my mind would be filled with words that I would quickly write down and to my surprise it would be in the

form of poetry Prior to this I had never written or delved into poetry This book is a small portion of what I have written since the beginning of 2014 I can truly say that everyone wants to love and be loved Some of the poetry that is captured in this book is from my own experience and what I have observed in my family and friends We each have our battles in life and the love that stands the test of time emerges from the Battlefield of Love The Delineator R.
