Mystery Of Crichel Down:

The Mystery of Crichel Down I. F. Nicolson, 1986 Set in the 1950s in Crichel Down a quiet part of the Dorsetshire countryside this book tells the story of the Blandford Martyrs innocent men found guilty by a prejudiced public inquiry held at a time when a lynch mentality prevailed Through his story of Crichel Down a town that came to stand for inefficient bureaucracy and the villainy of Civil Servants I F Nicolson presents a vivid picture of the relationships between the public bureaucrats and politicians

The Law, Politics, and the Constitution David Butler, Vernon Bogdanor, Robert Summers, 1999-05-06 Increasingly in contemporary British politics the spotlight is being thrown on issues of constitutional change and reform The late 1990s has marked a period of significant constitutional change and political reform The varied contributions in this book from leading scholars in the fields of politics and constitutional law tackle the key questions troubling politicians and observers of politics in this time of acute constitutional change This book is a tribute to the diverse scholarship of Geoffrey Marshall who has been an outstanding figure the study of law and politics and a writer of extraordinary authority on constitutional matters

The Politics of Accountability in the Modern State Matthew Flinders, 2017-10-05 This title was first published in 2001 In this compelling work Matthew Flinders examines how far alternative forms of accountability have evolved and the extent to which they remedy the current shortcomings of the parliamentary system Adopting a pluralistic perspective this exploration of the accountability of the core executive is clearly grounded in research methodology thus ensuring the book makes a valid incisive contribution to the literature Features include A detailed study of the location of power and mechanisms of accountability in modern government which challenges the largely prosaic existing literature Useful summaries of the key tensions and trends within constitutional infrastructure A new and refreshing approach to the study of central government Insightful critiques of major governmental policies This intriguing volume will be of interest to undergraduates post graduates and lecturers for courses on legislative studies central government reform public administration British politics and research methods

Cases and Materials on Constitutional and Administrative Law Brian Thompson, Michael Gordon, Adam Tucker, 2021 Cases and Materials on Constitutional and Administrative Law provides an essential collection of key primary and secondary materials with incisive commentary from the authors

The Village That Died for England Patrick Wright, 2021-09-14 A reissue of Patrick Wright's 1995 classic about the military takeover of the village of Tyneham with a new introduction taking in Brexit and a new wave of British nationalism Shortly before Christmas in 1943 the British military announced they were taking over a remote valley on the Dorset coast and turning it into a firing range for tanks in preparation for D Day The residents of the village of Tyneham loyally packed up their things and filed out of their homes into temporary accommodation yet Tyneham refused to die Although it was never returned to its pre war occupants and owners Tyneham would persist through a long and extraordinary afterlife in the English imagination It was said that Churchill himself had promised that the villagers would be able to return

once the war was over and that the post war Labour government was responsible for the betrayal of that pledge Both the accusation and the sense of grievance would reverberate through many decades after that Back in print and with a brand new introduction this book explores how Tyneham came to be converted into a symbol of posthumous England a patriotic community betrayed by the alleged humiliations of post war national history Both celebrated and reviled at the time of its first publication in 1995 *The Village that Died for England* is indispensable reading for anyone trying to understand where Brexit came from and where it might be leading us

The First Wave of Decolonization Mark Thurner, 2019-05-24 The global phenomenon of decolonization was born in the Americas in the late eighteenth and early nineteenth centuries *The First Wave of Decolonization* is the first volume in any language to describe and analyze the scope and meanings of decolonization during this formative period It demonstrates that the pioneers of decolonization were not twentieth century Frenchmen or Algerians but nineteenth century Peruvians and Colombians In doing so it vastly expands the horizons of decolonization conventionally understood to be a post war development emanating from Europe The result is a provocative new understanding of the global history of decolonization

Britain's Modernised Civil Service June Burnham, Robert Pyper, 2008-02-18 *Britain's Modernised Civil Service* provides detailed analysis of the structure and operation of the modern civil service along with an historically grounded account of its development Key events personalities and scandals help bring the account to life and illuminate and challenge the various theories of what the civil service is or should be The authors take the evolutionary change of the civil service as a central theme and examine the impact of the major reforms of recent years on the historic Whitehall unitary model They assess the impact of the New Public Management agenda of the Thatcher and Major years and the role of the Civil Service in the multi governmental context of devolution and membership of the European Union Further changes associated with New Labour such the increased role of think tanks special advisers and the impact of the freedom of information act further sharpen the picture of today's civil service and lead to a rethinking of theories of its role This readable book by two leading authorities provides an up to date account of Britain's Civil Service that will be essential reading for students of British politics public policy and management June Burnham is a researcher and consultant in the area of public services and public policy and formerly Senior Lecturer in European Government at Middlesex University Robert Pyper is Professor of Government and Public Management and Head of the Division of Public Policy at Glasgow Caledonian University He is author of *The British Civil Service* for which this is a fully revised replacement volume

Ministers and Parliament Diana Woodhouse, 1994 Examines the divergence between theory and practice The author analyses the situations in which ministers resign the effectiveness of resignation as a means of accountability and the abdication by ministers of responsibility She also examines the powers and limitations of Select Committees

New Public Administration in Britain John Greenwood, Robert Pyper, David Wilson, 2005-08-05 First published in 1984 this book has established itself as the leading text in British public administration The third edition builds on the previous edition's success

to bring the considerable changes and very latest developments in the field This edition includes a new chapter on the influence of Europe a focus on new developments that have emerged in recent years such as managerialism privatisation consumerism charters contracting and regulation new features include boxed summaries of key concepts and facts guides to further reading as well as an extensive bibliography Written by three leading authorities in the field this text will be essential reading for those who want an authoritative and comprehensive introduction to public administration **Motivating**

Ministers to Morality Ian Holland, 2017-11-22 This title was first published in 2002 Political ethics is a rapidly growing field in disciplines such as political science philosophy applied ethics and public policy and it has become a major topic in current affairs reporting of politics This book discusses the most prominent subjects and occasional victims of the ethics debate government ministers It is the first major work to discuss institutional reforms around the world that target ministerial morality and asks how are these reforms influencing the motivation and conduct of the most powerful of our politicians The book provides unique insights into ministerial behaviour and the changing role of institutions in influencing the ethics of the executive with analyses from around the world Contributors to the volume include international high profile players in political ethics They include Lord Nolan the first Chairman of Britain's Joint Parliamentary Committee on Standards in Public Life Professor Robert J Jackson a leading Canadian political scientist instrumental in establishing the Canadian Office of the Ethics Counsellor and Associate Professor Noel Preston the leading commentator on ethics in Australian politics who has been involved in developing a number of its ethical regimes Passport to Peking Patrick Wright, 2010-10-28 President Nixon's famous 1972 trip has gone down in history as the first great opening between the West and Communist China However eighteen years previously former prime minister Clement Attlee had also been to China to shake Chairman Mao by the hand In the second half of 1954 scores of European delegations set off for Beijing in response to Prime Minister Chou En lai's invitation to come and see the New China and celebrate the fifth anniversary of the Communist victory In this delightfully eclectic book part comedy part travelogue and part cultural history Patrick Wright uncovers the story of the four British delegations that made this journey These delegations included an amazing range of people from the political academic artistic and cultural worlds of the day Clement Attlee and his former Health Minister Nye Bevan dapper and self important philosopher A J Ayer the brilliant young artist reporter Paul Hogarth poet and novelist Rex Warner a former Marxist who had just married a Rothschild and the infuriatingly self obsessed Stanley Spencer who famously lectured Chou En lai on the merits of his hometown of Cookham but who emerges as the unlikely hero of the story Using a host of previously unpublished letters and diaries Patrick Wright reconstructs their journey via the USSR to the New China capturing the impressions both mistaken and genuinely insightful of the delegates as they ventured behind both the iron and the bamboo curtains Full of comic detail of the delegates and their interactions it is also a study of China as it has loomed in the British mind the primitive orient of early western philosophy a land of backwardness that was used to contrast with the

progressive dynamism of Victorian Britain as well as the more recent allure of revolutionary transformation as it appeared in the minds of twentieth century Britons

The Official History of the British Civil Service Rodney Lowe, 2011-01-25 This first volume of the Official History of the UK Civil Service covers its evolution from the Northcote Trevelyan Report of 1854 to the first years of Mrs Thatcher's government in 1981. Despite current concerns with good governance and policy delivery little serious attention has been paid to the institution vital to both the Civil Service. This Official History is designed to remedy this by placing present problems in historical context and by providing a helpful structure in which others and particularly former officials may contribute to the debate. Starting with the seminal 1854 Northcote Trevelyan Report it covers the lost opportunity of the 1940s when the Service failed to adapt the needs of big government as advocated by Beveridge and Keynes. It then examines in greater detail the belated attempts at modernisation in the 1960s, the Service's vilification in the 1970s and the final destruction of the old order during the first years of Mrs Thatcher's government. Particular light is shed on the origins of such current concerns as the role of special advisers, the need for a Prime Minister's Department, the evolution of Parliamentary Select Committees to resolve the potential tension between bureaucracy and Parliamentary democracy. This Official History is based on extensive research into both recently released and unreleased papers as well as interviews with leading participants. It has important lessons to offer all those both inside and outside the UK seeking to improve the quality of democratic government. This book will be of great interest to all students of British history, British government and politics and of public administration in general.

A Journey Through Ruins Patrick Wright, 2009-02-26 A unique evocation of Britain at the height of Margaret Thatcher's rule. A Journey Through Ruins views the transformation of the country through the unexpected prism of every day life in East London. Written at a time when the looming but still unfinished tower of Canary Wharf was still wrapped in protective blue plastic, its cast of characters includes council tenants trapped in disintegrating tower blocks, depressed gentrifiers worrying about negative equity, metal detectorists, sharp-eyed estate agents and management consultants and even Prince Charles. Cutting through the teeming surface of London, it investigates a number of wider themes: the rise and dramatic fall of council housing, the coming of privatization, the changing memory of the Second World War once used to justify post-war urban development and reform but now seen as a sacrifice betrayed. Written half a century after the blitz, the book reviews the rise and fall of the London of the post-war settlement. It remains one of the very best accounts of what it was like to live through the Thatcher years.

Modern Studies in Property Law - Volume 2 Elizabeth Cooke, 2003-05-14 The Modern Studies in Property Law series is a collection of the papers given at the biennial conferences of the Centre for Property Law at the University of Reading. Volume II contains the proceedings from the conference in 2002 and includes a wide range of papers from both English and international speakers covering many of the most topical issues within the law of property.

The Republican Crown Joseph M. Jacob, 1996

The Constitution After Scott Adam Tomkins, 1998 This book provides a thorough and

authoritative account of the constitutional implications of the Scott report It is the only book length treatment of this pivotal Report The Scott report was established by John Major in 1992 to look into British government policy during the 1980s with regard to trade including the arms trade with Iraq and to establish whether the Government had lied to Parliament about its policy Scott also investigated a number of high profile and controversial criminal prosecutions which the government brought against several companies that were accused of illegally exporting defence equipment to Iraq All of these cases failed This book does more than merely relate the Scott story It offers a full analysis of what the report means for the future of constitutional government and constitutional reform in Britain Issues of lying to Parliament and ministerial responsibility of the regulation and control of the civil service and of open government and freedom of information are all reappraised in the light of Scott s discoveries Central questions of secret intelligence and troublesome public interest immunity certificates are also considered Unusually for a political scandal Scott was not an exclusively national affair affecting only one country There was a little known equivalent to the Scott inquiry in the USA and the lessons of the US experience are also discussed here for the first time in Britain **New Society** ,1987 *A Guide to the Papers of British Cabinet Ministers 1900-1964* Cameron Hazlehurst,Sally Whitehead,Christine Woodland,1996 *A Guide to the Papers of British Cabinet Ministers 1900 1964* is the revised and expanded edition of a volume published by The Royal Historical Society in 1974 Up to date information on the papers of 323 ministers from the first edition is provided and its scope has increased from 323 ministers to include all Cabinet ministers until the resignation of Sir Alec Douglas Home as Prime Minister in 1964 This Guide is a major research tool and a source of information on the personal papers of British Cabinet ministers *Constitutional & Administrative Law* Hilaire Barnett,2012-08-06 Hilaire Barnett s respected and ever popular textbook helps to provide students with an understanding of the constitution s past present and future by analysing and illustrating the political and socio historical contexts which have shaped the constitution the current major rules and principles of public law and on going constitutional reform **Executive Decision-Making and the Courts** TT Arvind,Richard Kirkham,Daithí Mac Síthigh,Lindsay Stirton,2021-02-25 In this book leading experts from across the common law world assess the impact of four seminal House of Lords judgments decided in the 1960s *Ridge v Baldwin* *Padfield v Minister of Agriculture* *Conway v Rimmer* and *Anisminic v Foreign Compensation Commission* The Quartet is generally acknowledged to have marked a turning point in the development of court centred administrative law and can be understood as a formative moment in the emergence of modern judicial review These cases are examined not only in terms of the points each case decided and their contribution to administrative law doctrine but also in terms of the underlying conception of the tasks of administrative law implicit in the Quartet By doing so the book sheds new light on both the complex processes through which the modern system of judicial review emerged and the constitutional choices that are implicit in its jurisprudence It further reflects upon the implications of these historical processes for how the achievements failings and limitations of the common law in reviewing actions of the

executive can be evaluated
