destiny of every person alive today THE ADVENTURES OF FRANK & DICK MERRIWELL: 20+ Crime & Mystery Classics (Illustrated) Burt L. Standish, 2017-05-05 Frank and Dick Merriwell are main protagonist of Standish's series of adventure novels and short stories. The models for all later American juvenile sports fiction. Merriwells excelled at football, baseball, basketball, crew, and track at Yale while solving mysteries and righting wrongs. They are half brothers but there is a marked difference between them. Frank usually handles challenges on his own while Dick has mysterious friends and skills that help him. William George Gilbert Patten 1866-1945 was a writer of adventure novels better known by his pen name Burt L. Standish. He wrote westerns and science fiction novels but he is the most famous for his sporting stories in the Merriwell series. L. Newman, 2008-09-24 This simple little adventure tale was originally written as a juvenile novel in 1964 while I was a teacher in Lander, Wyoming. It didn't impress publishers so I put it aside and later moved to Colorado and stored the manuscript in the attic and lost track of it. Decades passed but I persistently thought of rewriting my book not to sell necessarily but for my own gratification and I pondered how it could be better. I found the manuscript in early 2007, read it one more time and immediately set to work. The result was a complete revision, a total re-write other than the title, the locale and the basic plot. Because I was no longer hampered by trying to satisfy an editor or agent, I developed a style which frequently matches the way I really think and talk. Some people who know me are thinking, 'Yeah, right, disorganized, repetitive, foolish, irreverent, cliché-ridden, etc. etc.' Anyway, I was satisfied with the result. If you can read through the whole thing without losing interest or throwing up, then I feel that I have achieved my goal of becoming a bona fide novelist **Publishers Directory**, 1994 Paperbound Books in Print, 1991 **BURT L.
