Rappoport discusses and explains the fascinating early beliefs of the Jewish people. The first section discusses the Jewish myths that deal with the origin of the world, angels and demons, paradise and hell, the creation of Adam and Eve, and legends related to the patriarchs Abraham and Isaac. The second section discusses in greater depth the legends concerning the patriarchs, prophets and priests, the friends and favorites of God, and explores Biblical personages such as Jacob, Joseph, Moses, and Aaron. The third section focuses on the first three kings of Israel: Saul, David, and Solomon. Also discussed are the Prophet Elijah and Queen Esther, other important figures in Jewish legend.      **Myth and Legend of Ancient Israel, Vol.i** Angelo S. **Solomon's Angels** Doreen Virtue, 2009-10-05 SOLOMON'S ANGELS King Solomon knew how to harness universal energies to build his temple, tap into wisdom, and enjoy all of life's riches. The only thing he was missing was true love. Makeda, the Queen of Sheba, was young and filled with exuberant curiosity about the world. On her journey to meet King Solomon, Makeda learned about the Jinn elemental realm and how to work with the sun and moon's magical light, but she still wasn't sure how to take charge of her own life. In *Solomon's Angels*, Doreen Virtue's first novel, which is culturally accurate based on thoroughly researched historical, biblical, and archaeological information, you'll see how Solomon and Makeda's meeting changed both of their lives forever. You'll peek over the Queen of Sheba's shoulder and discover the ancient secrets behind how Solomon's temple was built without hammers and saws, and the role that the archangels and sacred geometry played in manifestation and Divine magic. Solomon and Makeda's magically romantic story will inspire you in many ways.      **Myth and Legend of Ancient Israel** Angelo S. Rolwing, 2002-05-20 WAS THE GOD OF JOSHUA THE GOD OF JESUS? A relook at modern Israel's roots in ancient Israel, salvation history, biblical inspiration, partial revelation, imperfect theology, and misguided leaders among Jews, Muslims, and Christians. It asks, considering Mohammed, Ben-Gurion, and Harry Truman, if Joshua has not had as much influence on western civilization as Jesus. What on earth is God doing in the Middle East? Do Uncle Sam and his protégé Israel justify divine providence in human history? Do victories in war and success in business prove God's blessing, and do failures in finance and

disasters in health Aids manifest God s displeasure How does Christ s cross theology fit into history politics This book is indeed thoughtful and creative It highlightsthe need for all of us today to be much more self critical especially for us Christians to see how domination theology has been a part of our own approach Fr Dr James Bacik author of Apologetics and the Eclipse of Mystery     **Myth and legend of ancient Israel** Angelo Solomon Rappoport,1928     Reimagining the Bible Howard Schwartz,1998 A collection of essays from Schwartz s previously published work exploring how each successive phase of Jewish literature has drawn upon and reimagined previous ones and arguing that there is a continuity in Jewish Literature which extends from the biblical era to our own times     *The Journal of American Folklore* ,1988     *Folktales of the Jews, V. 3 (Tales from Arab Lands)* Dan Ben Amos,2011-05-01 Thanks to these generous donors for making the publication of the books in this series possible Lloyd E Cotsen The Maurice Amado Foundation National Endowment for the Humanities and the National Foundation for Jewish Culture Tales from Arab Lands presents tales from North Africa Yemen Lebanon Syria and Iraq in the latest volume of the most important collection of Jewish folktales ever published This is the third book in the multi volume series in the tradition of Louis Ginzberg s timeless classic Legends of the Jews The tales here and the others in this series have been selected from the Israel Folktale Archives IFA named in Honor of Dov Noy at The University of Haifa a treasure house of Jewish lore that has remained largely unavailable to the entire world until now Since the creation of the State of Israel the IFA has collected more than 20 000 tales from newly arrived immigrants long lost stories shared by their families from around the world The tales come from the major ethno linguistic communities of the Jewish world and are representative of a wide variety of subjects and motifs especially rich in Jewish content and context Each of the tales is accompanied by in depth commentary that explains the tale s cultural historical and literary background and its similarity to other tales in the IFA collection and extensive scholarly notes There is also an introduction that describes the culture and its folk narrative tradition a world map of the areas covered illustrations biographies of the collectors and narrators tale type and motif indexes a subject index and a comprehensive bibliography Until the establishment of the IFA we had had only limited access to the wide range of Jewish folk narratives Even in Israel the gathering place of the most wide ranging cross section of world Jewry these folktales have remained largely unknown Many of the communities no longer exist as cohesive societies in their representative lands the Holocaust migration and changes in living styles have made the continuation of these tales impossible This series is a monument to a rich but vanishing oral tradition This series is a monument to a rich but vanishing oral tradition     *Myth and Legend of Ancient Israel* Angelo S.
