Myth Of Greater Albania:

The Myth of Greater Albania Paulin Kola, 2003-07-01 When Kosovar Albanians came to Albania after the fall of Communism they were surprised to find an impoverished motherland whose people were consumed with questions of basic survival Albania's citizens for their part were dumbstruck by the relatively opulent lifestyles of the Kosovars Yet despite their profound differences the myth of a Greater Albania persists In this timely book Paulin Kola challenges this myth arguing that there is not widespread support for a Greater Albania among the Albanian speaking peoples He shows that Albanians do not wish to join a single politically recognized entity and demonstrates how the Albanians are marked by ideological religious and other divisions While a Greater Kosovo remains a remote possibility there is little chance of the Albanians of either Albania or the diaspora supporting moves to dissolve the present international borders in pursuit of an Albanian homeland Albanians appear content to retain their discrete political entities while traveling and trading freely Accessible and urgent this book effectively puts to rest the cherished myths of Albanian nationalism

The Albanian National Question and the Myth of Greater Albania United States Army War College, 2014-03-31 In order to know what the Albanian National Question ANQ is one should learn it not from what its neighbors namely Serbia and Greece have to say but from a more direct and reliable source the voice of the Albanians themselves No nation is in a position in which it can express in a realistic way the needs the rights and aspirations of a different nation in the same way as an individual cannot be an exact representative for someone but himself For many years the Western countries used to rely on either Serbian or Greek lenses for the ANQ In the late 1990s the U S led intervention against Serbia over Kosova on humanitarian grounds and the Albanian insurgency in Macedonia has contributed to an altered power balance in the region The neighbors frightened by the power shift in the Southern Balkans use their propaganda machinery to express the danger posed by the alleged Greater Albania scheme in order to demonize and morally downgrade the ANQ However one can easily see that Albanians since the creation of their state have not are not and will not pursue an irredentist agenda toward their neighbors

National Myth provides vital insights for understanding how narratives shape political and cultural landscapes It s essential reading for students professionals and anyone interested in the power of myths in shaping our world Myth, Identity, and Conflict Anamaria Dutceac Segesten, 2011-09-16 Myth Identity and Conflict A Comparative Analysis of Romanian and Serbian Textbooks by Anamaria Dutceac Segesten is an examination of how history and politics became entangled in Romania and Serbia In it Segesten asks questions like Is myth present in the history textbooks of Romania and Serbia If so are there differences in the ways these myths define the in group and the relationship with the Other between a country that experienced interethnic conflict Serbia and a country that did not Romania Do textbooks affect the odds that conflict will occur Segesten s findings confirm the presence of mythologized versions of the past in the history textbooks of both countries over the entire fifteen year period studied 1992 2007 despite claims for professionalization of textbook making Myths of noble origins of heroism and victimhood appear in both cases Segesten finds the language to be ideological and in favor of the ethnic majority even if over time there is a slow tendency towards moderation especially in Romania probably due to the influence of the European Union Ultimately Myth Identity and Conflict by Anamaria Dutceac Segesten questions the alleged power of history textbooks to make a difference in ethnically divided societies prone to conflicts **Myths and Realities in Eastern Europe** Walter Kolarz, 1946 **The Making of Modern Kosovo** Jakup Azemi, 2025-06-26 This book traces the origins and success of Ibrahim Rugova s policy of nonviolence in Kosovo between 1989 1999 and how it laid the framework for the creation of Kosovo s cultural and political identity as an independent state Ibrahim Rugova has long been neglected in understanding how Kosovo became an independent state with most observers concentrating on the Kosovo Liberation Army and the armed conflict of 1999 in which NATO was involved Jakup Azemi seeks to remedy this arguing that despite the events of 1998 99 local actors and their political organisation mattered much more than is widely recognised Rugova s movement represented a novelty not only for the Albanians but for the whole Balkan region He developed a vision that integrated Albanians cultural and historical experiences into the non violent movement and presented the Kosovan conflict to the world with a different political and cultural lens This is a key text for scholars interested in the history of the Kosovar

liberation movement the dissolution of the former Yugoslavia and those looking at current issues in the Western Balkans and the Albanian Kosovar relationship The Oxford Handbook of Postwar European History Dan Stone, 2012-05-17 The postwar period is no longer current affairs but is becoming the recent past As such it is increasingly attracting the attentions of historians Whilst the Cold War has long been a mainstay of political science and contemporary history recent research approaches postwar Europe in many different ways all of which are represented in the thirty five chapters of this book As well as diplomatic political institutional economic and social history The Oxford Handbook of Postwar European History contains chapters which approach the past through the lenses of gender espionage art and architecture technology agriculture heritage postcolonialism memory and generational change and shows how the history of postwar Europe can be enriched by looking to disciplines such as anthropology and philosophy The Handbook covers all of Europe with a notable focus on Eastern Europe Including subjects as diverse as the meaning of Europe and European identity southern Europe after dictatorship the cultural meanings of the bomb the 1968 student uprisings immigration Americanization welfare leisure decolonization the Wars of Yugoslav Succession and coming to terms with the Nazi past the essays in this Handbook offer an unparalleled coverage of postwar European history that offers far more than the standard Cold War framework Readers will find self contained state of the art analyses of major subjects each written by an acknowledged expert as well as stimulating and novel approaches to newer topics Combining empirical rigour and adventurous conceptual analysis this Handbook offers in one substantial volume a guide to the numerous ways in which historians are now rewriting the history of postwar Europe

Central and East European Politics Sharon L. Wolchik, Jane Leftwich Curry, 2011 A useful text and reference book These essays are at their best in serving both area study and political sociology Slavic Review Central and South-Eastern Europe 2004 Europa Publications, 2003 Comprises a general survey of the region country surveys political profiles of the region and information on international and regional organizations and research institutes *Breaking Away* Argyro Kartsonaki, 2018-04-04 This book presents the background that led to Kosovo s success in separating from Serbia and explains the reasons for its failure to achieve uncontested statehood both internally and externally It sheds light to the process of Kosovo s secession starting from its first unsuccessful attempt to secede in 1991 and continuing to the present day It shows how long and at the same time how lucky its secession was Kosovo was eventually at the right place and the right time being geographically located in Europe and having secured the support of the US at the time of its absolute supremacy in the international affairs However as this supremacy declined Kosovo s progress in international affairs declined too Ten years after its unilateral declaration of independence it has yet to achieve UN membership and uncontested statehood and Kosovo also faces shortcomings in its internal function as a state This book provides a holistic approach towards Kosovo s secession from an international relations point of view It takes into consideration events that happened in different times and different places and shows that secession is not merely an act that takes place in one specific time and place It is rather a

process that spans over time and events at different levels of analysis shape its outcome **IBSS: Political Science: 2002 Vol.51** Compiled by the British Library of Political and Economic Science,2004-03-01 First published in 1952 the International Bibliography of the Social Sciences anthropology economics political science and sociology is well established as a major bibliographic reference for students researchers and librarians in the social sciences worldwide Key features Authority rigorous standards are applied to make the IBSS the most authoritative selective bibliography ever produced Articles and books are selected on merit by some of the world s most expert librarians and academics Breadth today the IBSS covers over 2000 journals more than any other comparable resource The latest monograph publications are also included International Coverage the IBSS reviews scholarship published in over 30 languages including publications from Eastern Europe and the developing world User friendly organization all non English titles are word sections Extensive author subject and place name indexes are provided in both English and French Place your standing order now for the 2002 volumes of the the IBSS Anthropology 2002 Vol 48 December 2002 234x156 0 415 32634 6 u195 00 Economics 2002 Vol 51 December 2002 234x156 0 415 32635 4 u195 0 0 Political Science 2002 Vol 51 December 2002 234x156 0 415 32636 2 u195 00 Sociology 2002 Vol 52 December 2002 234x156 0 415 32637 0 u195 00 **Remitting, Restoring and Building Contemporary Albania** Nataša Gregorič Bon,Smoki Musaraj,2021-12-14 The edited collection is a fresh contribution to the anthropological sociological and geographical explorations of time space in Southeast Europe and Albania in particular By delving into various levels of people s daily lives such as literature relation to the environment the urbanization process art photography trauma and remembering processes of modernity the volume vividly portrays various realms that are lived and perceived It largely builds on the premise that structural resemblances of the past continuously reappear in particular social and cultural moments and seek to restore and build the individual and collective lives in contemporary Albania Liberating Hellenism from the Ottoman Empire Gonda Van Steen,2010-04-26 Liberating Hellenism from the Ottoman Empire explores two key historical episodes that have generally escaped the notice of modern Greece the Near East and their observers alike In the midst of the highly charged context of West East confrontation and with fundamental cultural and political issues at stake these episodes prove to be exciting and important platforms from which to reexamine the age old conflict This book reaches beyond the standard sources to dig into the archives for important events that have fallen through the cracks of the study of emerging modern Greece and the Ottoman Empire These events in which French travel writing literary fiction antiquarianism and nineteenth century western and eastern geopolitics merge invite us to redraw the outlines of mutually dependent Hellenism and Orientalism Conflict Areas in the Balkans Pinar Yürür,Arda Özkan,2020-10-27 The situation in the Balkans such as the solution to the status of Kosovo is currently the largest international political problem in Europe with the potential to burst into a world crisis regarding the Eastern Western relations On the other hand a successful solution to the problem in the Balkans could serve as a model for solving the Muslim Christian tensions elsewhere in the world It is the

intention of this book to contribute proposals for solutions to the problems of Balkans The starting principle for the solutions to be effective is that they should come in a natural way from the people below and should not be enforced by the political elites from above Based on self determination of nations as a starting principle they should encourage intra regional cooperation among the regional entities economic cultural sport as a basis for political social understanding and cooperation secondly accelerate their economic political and social development and thirdly as a final step enable the inclusion of the Balkan countries into the European Union

Insurgency Warfare Jeremy Black,2023-06-22 This timely book offers a world history of insurgencies and of counterinsurgency warfare Working beyond traditional Western centric narrative arguing that it is crucial to ground experiences in Afghanistan and Iraq in a global framework Unlike other studies that begin with the American and French revolutions this book reaches back to antiquity to trace the pre modern origins of war Interweaving thematic and chronological narratives Black probes the enduring linkages between beliefs events and people on the one hand and changes over time on the other hand He shows the extent to which politics technologies and ideologies have evolved creating new parameters and paradigms that have framed both governmental and public views Tracing insurgencies ranging from China to Africa to Latin America Black highlights the widely differing military and political dimensions of each conflict He weighs how and why lessons were learned or rather asserted in both insurgency and counterinsurgency warfare At every stage he considers lessons learned by contemporaries the ways in which norms developed within militaries and societies and their impact on doctrine and policy His sweeping study of insurrectionary warfare and its counterinsurgency counterpart will be essential reading for students of military history

Religion and the State Scott A. Merriman,2009-07-14 This timely and authoritative resource combines both topical and country by country coverage to help readers understand the coexistence of church and state in nations around the world today At a time when faith based groups have become more politically active in the United States and with religious conflicts at the epicenter of many of the world's most dangerous hotspots Religion and the State An International Analysis of Roles and Relationships could not be more welcomed or timely Country by country faith by faith it unravels the historic underpinnings and long range effects of the relationship between religious principles and the operations of government in its many guises worldwide The work combines topical essays on significant developments in the confluence of religion and law throughout the world with short descriptions of each country's current treatment of religion Readers can investigate specific nations compare situations across nations and explore key issues in the pervasive often controversial relationship between religion and government

The Politics of Nation-Building Harris Mylonas,2013-02-18 What drives a state's choice to assimilate accommodate or exclude ethnic groups within its territory In this innovative work on the international politics of nation building Harris Mylonas argues that a state's nation building policies toward non core groups individuals perceived as an ethnic group by the ruling elite of a state are influenced

by both its foreign policy goals and its relations with the external patrons of these groups Through a detailed study of the Balkans Mylonas shows that how a state treats a non core group within its own borders is determined largely by whether the state s foreign policy is revisionist or cleaves to the international status quo and whether it is allied or in rivalry with that group s external patrons Mylonas injects international politics into the study of nation building building a bridge between international relations and the comparative politics of ethnicity and nationalism
