Myth And Christian Belief

Thomas Sawyer Spivey

Myth And Christian Belief:

Myth and Christian Belief William J. Duggan, 1971 Myth and Christianity Karl Jaspers, Rudolf Bultmann, 1958

Busted Fred von Kamecke, 2009-05-26 You can't trust the Bible it's been translated too many times Jesus never claimed to be the Messiah or God Science has proven that miracles don't happen so the Bible is a fairytale All religions basically teach the same thing so all paths lead to God Have you heard these People say a lot of things about the Bible God Jesus and Christianity that are simply not true Like the guys on the popular cable show Mythbusters it's time we put these commonly held myths to the test Following a brief summary of a recurring myth or misconception about the Christian faith Fred explains why the myth is false and provides biblical and historical evidence in his response He masterfully weaves together serious discussion with a touch of humor in his responses all the while keeping the focus on the Scriptures He avoids making fun of the people who hold views which differ from his own but the views themselves are fair game So grab a cup of coffee and find a cozy corner Let's do a little myth busting of our own **The Christ Myth** Arthur Drews, 2021-12-02

Christianity and Mythology Thomas Sawyer Spivey, 2002 Draws clear connections between ancient mythology and the Christian religion How is it that forms of pagan worship and various gods could be connected to a religion that on the surface seems to stand on its own Spivey answers this question with page after page of word and language analysis exploring word origins and mythological belief systems showing how these words and beliefs were carried over and why He reveals a message or hidden code by early Church fathers The worship of the sun fire light and of the heavens and stars had much to do with this message Covers many Greek and Roman gods with an explanation of their meanings functions and relation to Christianity Warning May cause one to reexamine their own personal beliefs God and the Creative Imagination Paul Avis, 2013-01-11 A mere metaphor only symbolic just a myth these tell tale phrases reveal how figurative language has been cheapened and devalued in our modern and postmodern culture In *God and the Creative Imagination* Paul Avis argues the contrary we see that actually metaphor symbol and myth are the key to a real knowledge of God and the sacred Avis examines what he calls an alternative tradition stemming from the Romantic poets Blake Wordsworth and Keats and drawing on the thought of Clarendon and Newman and experience in both modern philosophy and science *God and the Creative Imagination* intriguingly draws on a number of non theological disciplines from literature to philosophy of science to show us that God is appropriately likened to an artist or poet and that the greatest truths are expressed in an imaginative form Anyone wishing to further their understanding of God belief and the imagination will find this an inspiring work **The Myth of Christian Beginnings** Robert Louis Wilken, 1971 The God You Thought You Knew Alex McFarland, 2015-09-29 Popular Apologist Corrects the Record on What Christianity Is All About The Christianity our culture rejects may not be true Christianity at all So many people today believe they have to be good to be accepted by God or that the Bible is just a list of do's and don'ts or that God is far away and unapproachable Instead of providing proofs about God and the Bible in this book

Alex provides a reason to want to know Jesus By sharing his own story of the loneliness and alienation of his youth Alex taps in to universal fears of rejection and loneliness We all seek acceptance and purpose and there s only one solution Learn how to be anchored in the Truth and security that comes through Christ *Myth Busted!* Jeffrey Burton Russell,2014-03-01 145 misconceptions about Christianity are argued against in an accessible and philosophical way Myth Busted is a unique and engaging work of apologetics that seeks to convince readers about the claims of Christianity whilst debunking the layers of myths and assumptions that might have grown around its kernel An encyclopaedic attempt at getting to answers to the questions that often get in the way This is Christian apologetics at its best compelling readable convincing and informed Distortions myths and lazy assumptions are all challenged Encyclopaedic in scope all the major questions are considered Jeffrey Burton Russell demonstrates exceptional competence and mastery of the literature What C S Lewis s Mere Christianity did in the 1940s Jeffrey Burton Russell has done for us For those seeking and for those who doubt this is a must read book Ian Markham president and professor of theology Virginia Theological Seminary USA *50 Great Myths About Religions* John Morreall,Tamara Sonn,2014-04-03 50 Great Myths about Religions is an intriguing informative and often humorous introduction to some of the long standing myths that surround religious belief This engaging book will get its readers thinking about how and why certain myths have arisen and their continuing influence on our personal and collective view of religion Offers a lively informative and thought provoking introduction to some of the common misbeliefs surrounding religions Discusses myths about religious belief in general as well as specific ideas that surround Judaism Christianity Islam atheism and agnosticism Covers a wide range of myths from ancient legends such as the Bible forbidding pork being eaten because it causes illness to modern urban fables such as Barack Obama being a Muslim Unpacks each myth in turn explaining why it arose how it spread and why the beliefs that stem from it are questionable Includes a fascinating discussion about human nature and the main characteristics that predispose us to create and circulate myths to begin with Underpinned by a wide knowledge of academic research it is written by two respected religion scholars and experienced authors *The Myth of Christian Uniqueness* John Hick,Paul F. Knitter,2005-01-25 A new model of Christian theology the pluralistic model is taking shape moving beyond the traditional models of exclusivism Christianity as the only true religion and inclusivism Christianity as the best religion toward a view that recognizes the possibility of many valid religions In this volume a widely representative group of eminent Christian theologians Protestant and Catholic male and female from East and West First and Third Worlds explores genuinely new attitudes toward other believers and traditions expanding and refining the discussion and debate over pluralistic theology Contributors are Gordon D Kaufman John Hick Langdon Gilkey Wilfred Cantwell Smith Stanley J Samartha Raimundo Panikkar Seiichi Yagi Rosemary Radford Ruether Marjorie Jewitt Suchocki Aloysius Pieris Tom F Driver and Paul F Knitter *The Christian Myth* Burton L. Mack,2001 Mack rejects depictions of Jesus that have emerged from the quest for the historical Jesus peasant teacher revolutionary leader mystical visionary or miracle working prophet on

the grounds that they are based on a priori assumptions about Jesus and are therefore contradictory In addition he argues these portrayals are untrue to the many images of Jesus produced by the early Christians Using systematic analysis Mack seeks to describe and understand the cultural and anthropological influences on the conception and adoption of Christian myths and rituals **Bible Myths, and Their Parallels in Other Religions** Thomas William Doane,1883 *The Myth of Christian Beginnings* Robert L. Wilken,2009-05-04 In this challenging and vividly written book Dr Wilken shows that there never was a golden age in the Christian past Christian hope did not come to fulfillment in the age of apostles nor in the time of Constantine nor in the Middle Ages nor during the Reformation nor in the revivals of the 19th century nor in the movements of renewal in our own time The history of Christianity is a story of imperfection and fragmentation but also a history of hoping and striving for an end that cannot be seen yet bears on the present With lively examples from the Christian past Wilken shows that change has been an abiding feature of Christian tradition Often those who proposed new ways of thinking and acted in unexpected ways turned out to be more faithful than those who repeated the old formulas As much as the past may give specificity and concreteness to renewal in the present Christian hope is set on things that are yet to be

Myth and the Christian Nation Burton L. Mack,2014-12-18 America is widely regarded as the ultimate Christian Nation Religious language has always been at the forefront of American politics but this has increased since the events of 9 11 *Myth and the Christian Nation* presents a startling analysis of how and why Christianity and national identity have been woven together in recent American political discourse Drawing on examples of religious myth making across the ancient world *Myth and the Christian Nation* brings the weight of history to bear on America today a place where myth monotheism sovereignty and power can be harnessed together in the service of specific interests The book invites readers to rethink the role of religion in the construction of social democracy and to see America afresh **Exposing Myths About Christianity** Jeffrey Burton Russell,2012-05-15 Renowned historian Jeffrey Burton Russell famous for his studies of medieval history sets the record straight against the New Atheists and other cultural critics who charge Christianity with being outdated destructive superstitious unenlightened racist colonialist based on fabrication and other significant false accusations Modern Doubt and Christian Belief Theodor Christlieb,1874 **The Real Jesus Myth** Rev Bill Musselwhite,2013-12 The Real Jesus Myth is what happens when a retired but still cynical journalist who is also a retired but still cynical Anglican priest decides to answer some of the questions tossed at him about the Christian Faith Many people don t know enough about the nuts and bolts of Christian belief doctrine to use an unpopular word This isn t their fault most mainline churches put social justice issues front and centre while doctrine evangelism and apologetics gather dust in the rear pews This may be one reason so many mainline churches are scrambling to stay afloat and if so why it s long past time to re emphasize the fundamentals of the Faith The Real Jesus Myth is a fairly orthodox look at the Christian Faith centered around the Nicene Creed and bookended by comments on everything from why the bible is God s word to why orthodoxy isn t as scary as you may think It

is written both for Christians and for the curious non Christian but one caution the author is an ex columnist and police reporter not a theologian so don t expect this to read like a textbook Modern doubt and Christian belief, lects., tr. by H.U. Weitbrecht and ed. by T.L. Kingsbury Theodor Christlieb,1879 **Bible Myths and their Parallels in other Religions** T. W. Doane,2016-08-17 He who knows only one religion knows none Prof Max Muller The same thing which is now called Christian Religion existed among the Ancients They have begun to call Christian the true religion which existed before St Augustine Our love for what is old our reverence for what our fathers used makes us keep still in the church and on the very altar cloths symbols which would excite the smile of an Oriental and lead him to wonder why we send missionaries to his land while cherishing his faith in ours James Bonwick
