[Learning at 80](#): Ronald Higdon,2017-04-18 How much good has experience done you so far How much good do you expect it will do Those who have lived eight decades in this world often feel the need to write about their life experiences or life philosophies If that person has lived a varied experiential life and shows good spiritual fruit in that life it might be wise of those who are coming after them to read and listen to them and thus learn Ron Higdon has lived such a life and has now written such a book Whether you are considering how to deal with change or how to find some stability whether you are looking for the right answers or just searching for the right questions this book will look at living in a practical community centered value affirming way Ron has lived those decades and done so thoughtfully Now he s helping the rest of us out So fix yourself a hot cuppa pull up a chair clean your reading glasses and settle in for a chapter or two or more and mark some nuggets of Higdon Gold to consider and meditate on *T&T Clark Handbook of Pneumatology* Daniel Castelo,Kenneth M.

 how through faith honesty and struggle we are learning to respond At age seventeen Tirzah Firestone left the oppressive

 fascinating and moving account of her evolution from rebellious young seeker to renegade rabbi This is an inspiring true
 account of a courageous woman with strong convictions and a passion to know and feel God It is also a book that goes
 beyond one person s story of wandering and redemption to explore the dangers of modern religion and the joys and conflicts

 John McCarthy,2024-03-20 How Adam and Eve were to find their way contains many answers to everyday life that you might
 feel brings a new world of understanding in this alone Some of what this book has to offer is the deeper parts of life a
 supernatural peace a sense of belonging and being in the Father s care This biggest void is knowing Him who lives in the
 heavenly realms It s much better for this by learning to operate well in the spiritual realm and the supernatural Part of this is
 illumination and elimination of the effects of evil along with exposing the enemy s ways of operating which includes the
 repeated use of ancient strategies The author goes into so much about what s going on in the unseen realms you will come to
 realize how crucial it is to know about dealing with spiritual atmospheres This book is for you if you want to know the precise
 ways to be always spiritually connected and having the full picture of a strong and lasting faith There is the way for a zone

Wiedemann, 2015-10-29 Today's culture is overscheduled typically characterized by short attention spans We want to compress our lives into small bite sized pieces Taking this approach with Jesus can draw us into a relationship that becomes the focus of our delight Eventually our desire for true life is whetted by brief meetings with Jesus The longer we spend with Him the more His divinely radioactive life infuses ours with the power of an endless life The irony of the book title is that five minutes with Jesus is never enough Five Minutes with Jesus presents a daily devotional that focuses on meeting with Jesus in ways that may be new to some Christians Each day author Randal Wiedemann takes a look at a different aspect of Jesus the most discussed person in history Wiedemann focuses on how to live the Christian faith with delight depth meaning compassion and joy You will discover and be reminded that this is only possible when Jesus Christ lives in and through us

Five Minutes with Jesus is about spending quality time with God For those who know Jesus it is a joy to go to that secret inner place of the heart and meet with Him For those who do not there may be a vague sense of looking for something You may not know what it is you are looking for but when you find it don t be surprised if it s Jesus **Ready to Change My Name** Gail E.
