Rolling Thunder: Understanding Policy and Programme Failure

Thompson, James Clay

Rolling Thunder Understanding Policy And Program Failure

Edward J. Marolda,James Lesher

Rolling Thunder Understanding Policy And Program Failure:

Rolling Thunder James Clay Thompson,1980 **Rolling Thunder** James Clay Thompson,1980 Bombing to Win Robert A. Pape,2014-04-11 From Iraq to Bosnia to North Korea the first question in American foreign policy debates is increasingly Can air power alone do the job Robert A Pape provides a systematic answer Analyzing the results of over thirty air campaigns including a detailed reconstruction of the Gulf War he argues that the key to success is attacking the enemy s military strategy not its economy people or leaders Coercive air power can succeed but not as cheaply as air enthusiasts would like to believe Pape examines the air raids on Germany Japan Korea Vietnam and Iraq as well as those of Israel versus Egypt providing details of bombing and governmental decision making His detailed narratives of the strategic effectiveness of bombing range from the classical cases of World War II to an extraordinary reconstruction of airpower use in the Gulf War based on recently declassified documents In this now classic work of the theory and practice of airpower and its political effects Robert A Pape helps military strategists and policy makers judge the purpose of various air strategies and helps general readers understand the policy debates **The Vietnam War** Jayne Susan Werner,Luu Doan Huynh,1993-03-31 In addition to Jayne Werner and Luu Doan Huynh the contributors are Mark Bradley William Duiker David Elliott Kristin Pelzer George Vickers James Harrison George Herring Ronald Spector Paul Joseph Jeffrey Clarke Ngo Vinh Long Benedict Kiernan Marilyn Young David Hung Keith Taylor and Tran Van Tra **A Companion to American Foreign Relations** Robert Schulzinger,2008-04-15 This is an authoritative volume of historiographical essays that survey the state of U S diplomatic history The essays cover the entire range of the history of American foreign relations from the colonial period to the present They discuss the major sources and analyze the most influential books and articles in the field Includes discussions of new methodological approaches in diplomatic history *History of the Office of the Secretary of Defense: McNamara, Clifford, and the burdens of Vietnam, 1965-1969* ,2011 **History of the Office of the Secretary of Defense** Alfred Goldberg,1984 **McNamara, Clifford, and the Burdens of Vietnam 1965-1969** Edward J. Drea,2011 Overseeing the Vietnam War and contending with these complex policy issues taxed even McNamara s enormous energy and brilliant intellect as he struggled to manage DoD programs His long cherished cost cutting programs fell by the wayside his favored weapons systems were swept aside his committed efforts to limit strategic arms faltered and his reputation was permanently tarnished McNamara Clifford and the Burdens of Vietnam highlights the interaction of McNamara and Clifford with the White House Congress the JCS the Department of State and other federal agencies involved in policy formulation The two secretaries increasingly found that the cost of winning the war became a morally prohibitive as the price of losing *History of the Office of the Secretary of Defense* ,1984 *The United States Navy and the Vietnam Conflict* Edward J. Marolda,Oscar P. Fitzgerald,1986 The United States Navy and the Vietnam Conflict: From military assistance to combat, 1959-1965 ,1977 *Bounded Rationality and Politics* Jonathan Bendor,2010-06-02 In Bounded Rationality and Politics Jonathan Bendor considers two schools of

behavioral economics the first guided by Tversky and Kahneman s work on heuristics and biases which focuses on the mistakes people make in judgment and choice the second as described by Gerd Gigerenzer s program on fast and frugal heuristics which emphasizes the effectiveness of simple rules of thumb Finding each of these radically incomplete Bendor s illuminating analysis proposes Herbert Simon s pathbreaking work on bounded rationality as a way to reconcile the inconsistencies between the two camps Bendor shows that Simon s theory turns on the interplay between the cognitive constraints of decision makers and the complexity of their tasks **America's Rasputin** David Milne,2008-03-04 David Milne s America s Rasputin provides the first major study of the man who pushed two presidents into Vietnam Walt Rostow s meteoric rise to power from Flatbush Brooklyn to the West Wing of the White House seemed to capture the promise of the American dream Hailing from humble origins Rostow became an intellectual powerhouse a professor of economic history at MIT and an influential foreign policy adviser to John F Kennedy and Lyndon B Johnson Too influential according to some While Rostow inspired respect and affection he also made some powerful enemies Averell Harriman one of America s most celebrated diplomats described Rostow as America s Rasputin for the unsavory influence he exerted on presidential decision making Rostow was the first to advise Kennedy to send U S combat troops to South Vietnam and the first to recommend the bombing of North Vietnam He framed a policy of military escalation championed recklessly optimistic reporting and then advised LBJ against pursuing a compromise peace with North Vietnam David Milne examines one man s impact on the United States worst ever military defeat It is a portrait of good intentions and fatal misjudgments A true ideologue Rostow believed that it is beholden upon the United States to democratize other nations and do good no matter what the cost America s Rasputin explores the consequences of this idealistic but unyielding dogma **Right Backed by Might** Roger Beaumont,2001-02-28 This study provides an overview of the International Air Force IAF concept which emerged in the early 20th century out of a long progression of schemes for creating multi national armed forces to enforce the peace most often referred to as an international police force IPF After broadly tracing the IAF s complex lineage Beaumont surveys the proliferation of IPF and IAF proposals throughout the 20th century including schemes offered by Kipling H G Wells and Theodore Roosevelt Later ideas included the Allies Independent Air Force of 1917 18 the evolution of the League to Enforce Peace into the League of Nations imperial air policing between the World Wars and a host of proposals official and informal such as visions of a United Nations IAF and the ad hoc coalition air forces assembled by the major western powers in the Gulf War and the Balkans in the 1990s The IAF concept gained far greater popularity even among contemporary historians than is generally appreciated Beaumont interweaves the review of the IAF and IPF designs with diplomacy and war especially the rise of air power and the confounding of its advocates visions of a cheap quick road to victory Based on Beaumont s survey of secondary and primary sources during more than a decade of research this book considers the IAF image from such diverse perspectives as pacifism popular culture and collective security **Case studies in the achievement of air superiority** ,

Vietnam Awakening Michael Uhl,2014-11-29 In this vividly honest memoir author Michael Uhl details his experiences in Vietnam as first lieutenant of a counterintelligence team attached to the 11th Infantry Referencing his personal journal and wartime correspondence with friends and family the author relives the most shocking events that he witnessed during his military service including the abuse and torture of several Vietnamese civilians In Part Two the author outlines his years as an activist with the veterans movement against the Vietnam War   *Special Operations and Strategy* James D. Kiras,2006-07-29 This book argues that the root of effective special operations lies in understanding the relationship between moral and material attrition this is achieved by examining both strategic theory and real life case studies   **Military Law Review** ,1980   A Bibliography of the United States Navy and the Conflict in Southeast Asia, 1950-1975 Edward J. Marolda,James Lesher,1991 Enables researchers to identify the most comprehensive books and articles on the Navy s overall involvement in the war in Southeast Asia Presents researchers only interested in specific subject areas with the fullest information on the sources treating those individual topics 20 subject categories emphasize naval combat operations and other significant aspects of the Navy s experience in the war Includes special category on Navy Women Over 1 500 items included with full bibliographic citation   DA Pam ,1980
