Rolling Stone The Life Adventures Of A:

Episodes in a Life of Adventure, Or, Moss from a Rolling Stone Laurence Oliphant, 1887 The Cambridge Companion to the Rolling Stones Victor Coelho, John Covach, 2019-09-12 The first collection of academic essays focused entirely on the musical historical cultural and media impact of the Rolling Stones **Rock Music, Authority and Western Culture, 1964-1980** James A. Cosby, 2024-02-07 The history of rock and roll music can be seen in a long arc of Western civilization's struggle for both greater individual expression and societal stability In the 1960s the West's relationship with authority ruptured in part due to the rock revolution The lessons and implications of this era have yet to be fully grasped This book examines the key artists music and events of the classic rock era defined here as 1964 to 1980 through a virtual psychoanalysis of the West Over these years important truths unfold in the stories of British Invaders hippies proto punks and more as well as topics to include drugs primal scream therapy the occult spirituality and disco and its detractors to name just a few Through a narrative that is equal parts entertaining scholarly and even spiritual readers will gain a greater appreciation for rock music better understand the confusing world we live in today and see how greater individuality and social stability may be better reconciled moving forward The Rolling Stones' Exile on Main Street Bill Janovitz, 2005-02-19 Explores the making of the Rolling Stones album Exile on Main Street and also examines the technical and creative aspects of each individual recording *The Rolling Stone Illustrated History of Rock & Roll* Anthony ed DeCurtis, James Henke, Holly George-Warren, 1992 Discusses the evolution of rock music from its earliest origins to today's most influential musical styles and performers *On Bette Midler* Kevin Winkler, 2024-03-18 Bette Midler today is a beloved legacy star best known for her comic witch in Disney's Hocus Pocus 1993 and its 2022 sequel She has also gained prominence for sentimental anthemic ballads like Wind Beneath My Wings her initiation of green space projects in New York City and tussling with Donald Trump on Twitter Her profile is that of an articulate civic minded matriarch enjoying thoroughly mainstream stardom But more than fifty years earlier she emerged from the steam of the subterranean Continental Baths as the Divine Miss M the bawdy campy fearless alter ego she created in front of an audience of towel clad gay men who came to the baths seeking not just sex but a sense of community and safety from an often harrowing outside world I was able to take chances on that stage that I could not have taken anywhere else she later wrote Ironically I was freed from fear by people who at the time were ruled by fear And for that I will always be grateful Overnight Bette Midler became a much loved icon of the gay community The Divine Miss M coalesced gay Jewish feminist and show business sensibilities into an outrageously funny and emotionally compelling persona that travelled with surprising ease from the cultural margins to the entertainment mainstream Her embrace by mom and pop audiences rock fans and critics and the guardians of middle of the road show business demonstrates just how deeply the tastes and sensibilities of her original audience have been absorbed into popular culture On Bette Midler An Opinionated Guide traces the early development of Midler's performing ethos from New York's downtown experimental theater scene and

examines her impact across media with chapters on the soaring highs and occasional cringe worthy lows of her stage work movies recordings and television appearances and considers her influence as an environmental activist and social media presence On Bette Midler features performance analysis and deeply researched background information all of it supporting informed and divinely opinionated consideration of Midler the artist It judges her work by the highest standards those she established for herself *Whole Lotta Led Zeppelin* Jon Bream,2008 [Allen's Indian mail and register of intelligence for British and foreign India](#) ,1887 **British Autobiographies** William Matthews,2023-04-28 British Autobiographies An Annotated Bibliography of British Autobiographies Published or Written Before 1951 compiled by William Matthews is an essential resource for scholars researchers and anyone interested in personal narratives Spanning four centuries this extensive bibliography catalogs a wide range of autobiographical works capturing the voices of individuals from all walks of life From statesmen and soldiers to artists explorers and even everyday people these entries offer a window into the diverse experiences that shaped British history and culture Matthews and his team meticulously gathered these works from major libraries across the United States the United Kingdom and other locations ensuring a comprehensive collection that sheds light on both famous and lesser known autobiographical voices This bibliography is not only a valuable tool for literary scholars studying the evolution of autobiographical writing but also for historians psychologists and social scientists interested in understanding personal accounts of significant historical events and societal shifts Matthews work opens up new possibilities for exploring the autobiographical genre as a reflection of both individual lives and broader cultural trends With its rich diversity of subjects and detailed annotations British Autobiographies serves as a vital reference for anyone researching the personal dimensions of British history This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1955 [Please Allow Me to Introduce Myself: Essays on Debut Albums](#) George Plasketes,2016-04-22 Debut albums are among the cultural artefacts that capture the popular imagination especially well As a first impression the debut album may take on a mythical status whether the artist or group achieves enduring success or in rare cases when an initial record turns out to be an apogee for an artist Whatever the subsequent career trajectory the debut album is a meaningful text that can be scrutinized for its revelatory signs and the expectations that follow Please Allow Me to Introduce Myself Essays on Debut Albums tells the stories of 23 debut albums over a nearly fifty year span ranging from Buddy Holly and the Crickets in 1957 to The Go Team in 2004 In addition to biographical background and a wealth of historical information about the genesis of the album each essay looks back at the album and places it within multiple contexts particularly the artist s career development In this way the book will be of as much interest to sociologists and historians as to culture critics and musicologists *Back-bone* Edward H.

Nico: Life And Lies Of An Icon Richard Witts, 2017-03-02 Nico was revered as the most beautiful creature who ever lived. She was Andy Warhol's femme fatale and the High Priestess of Weird yet few knew her real name or her wretched origins. When she called herself a Nazi anarchist junkie they thought she was joking. Bob Dylan wrote a song about her. Jim Morrison a poem. Jean Baudrillard an essay. Andy Warhol a film. Ernest Hemingway a story yet she fought against the idolatry of men to assert her independence as a composer of dissident songs. Nico's contribution as an artist 17 films and 7 LPs was smothered by gossip of her alleged affairs with men and women whether Jimi Hendrix or Jeanne Moreau Brian Jones of the Rolling Stones or Coco Chanel. She drifted through society like a phantom. Each era celebrated a different Nico the top covergirl of the Fifties the Siren of the Sixties as The Times acclaimed her the Moon Goddess of the Seventies and the High Priestess of Punk when rock stars like Siouxsie Sioux and Pattie Smith acknowledged her pre-eminence. Ironically they did so at the lowest point in her life. For behind the Garbo-esque veneer lived a lonely woman trying to stand autonomous in a fast-changing world seeking to survive her heroin addiction and to cope with her tormented mother and her troubled son his existence denied by his film star father. In this pioneer biography which Nico asked the author to write shortly before her outlandish death in 1988 Richard Witts uncovers the reasons for her subterfuge and examines the facts surrounding her encounters with terrorist Andreas Baader the Black Panthers and the Society for Cutting Up Men. Exclusive contributions from artists such as Jackson Browne Iggy Pop Viva John Cale David Bailey Siouxsie

Sioux and many others including her relatives friends and enemies make this the definitive biography of an icon who was not only a testament to an era but hitherto unrecognised influence on popular music and style **Country Life in America**
