

ROMAN LINCOLN

Conquest, Colony & Capital

MICHAEL J. JONES

Roman Lincoln Fortress Colony And Capital

Richard Bailey

Roman Lincoln Fortress Colony And Capital:

Roman Lincoln Michael J. Jones, 2002 This complete coverage of one of the most important towns of Roman Britain is long overdue Lincoln's City Archaeologist describes in detail the different stages of the Roman occupation that took over the Late Iron Age settlement of the Corieltavi The initial occupation by the invading army between AD 50-80 was followed by the foundation of the Colony with its administrative apparatus and the full public works of forum baths and more that developed between 90 and 150 Over the next 150 years the city expanded enormously and developed links with the hinterland Later on still there was new building in the 4th century when the late Roman city became a Christian center Eventually however after 4 centuries of Roman occupation there is evidence of decline and abandonment **Lincoln Castle**

Revealed Jonathan Clark, Justin Garner-Lahire, Cecily Spall, Nicola Toop, 2021-08-04 This book tells a new story of the royal castle of Lincoln in the north of England how it was imposed on the late Anglo Saxon town and how it developed over the next 900 years in the hands of the English king or his aristocratic associates leaving us a surviving monument of three great towers each with its own biography Led by FAS Heritage archaeologists architectural historians and a large cohort of the general public have combined to produce a revealing and accessible account of the story of Lincoln Castle and a reborn historical attraction for the city of Lincoln The Antonine Wall: Papers in Honour of Professor Lawrence Keppie David J.

Breeze, William S. Hanson, 2020-04-03 32 papers present research on the Antonine Wall in honour of Lawrence Keppie Papers cover a wide variety of aspects the environmental and prehistoric background structure planning and construction military deployment associated artefacts and inscriptions logistics of supply the people of the Wall including womenfolk and children

The Romans Who Shaped Britain Sam Moorhead, David Stuttard, 2016-08-02 A biographical history of the Romans who conquered and dominated Britain based on the latest archaeological evidence and original source material Here are the stories of the people who built and ruled Roman Britain from the eagle bearer who leaped off Caesar's ship into the waves at Walmer in 55BC to the last cavalry units to withdraw from the island under their dragon standards in the early fifth century AD Through the lives of its generals and governors this book explores the narrative of Britannia as an integral and often troublesome part of Rome's empire a hard won province whose mineral wealth and agricultural prosperity made it crucial to the stability of the West But Britannia did not exist in a vacuum and the authors set it in an international context to give a vivid account of the pressures and events that had a profound impact on its people and its history The authors discuss the lives and actions of the Roman occupiers against the backdrop of an evolving landscape where Iron Age shrines were replaced by marble temples and industrial scale factories and granaries sprang up across the countryside *The Roman Occupation of Britain and its Legacy* Rupert Jackson, 2020-09-03 This book tells the fascinating story of Roman Britain beginning with the late pre Roman Iron Age and ending with the province's independence from Roman rule in AD 409 Incorporating for the first time the most recent archaeological discoveries from Hadrian's Wall London and other sites across

the country and richly illustrated throughout with photographs and maps this reliable and up to date new account is essential reading for students non specialists and general readers alike Writing in a clear readable and lively style with a satirical eye to strange features of past times Rupert Jackson draws on current research and new findings to deepen our understanding of the role played by Britain in the Roman Empire deftly integrating the ancient texts with new archaeological material A key theme of the book is that Rome's annexation of Britain was an imprudent venture motivated more by political prestige than economic gain such that Britain became a trophy province unable to pay its own way However the impact that Rome and its provinces had on this distant island was nevertheless profound huge infrastructure projects transformed the countryside and means of travel capital and principal cities emerged and the Roman way of life was inseparably absorbed into local traditions Many of those transformations continue to resonate to this day as we encounter their traces in both physical remains and in civic life

War and Warfare in Late Antiquity (2 vols.), 2013-08-19 This two volume publication explores the key factors determining the course and outcome of war in Late Antiquity Volume 8 1 includes a detailed review of strategic and tactical issues and eight comprehensive bibliographic essays which provide an overview of the literature In Volume 8 2 thematic papers examine strategy and intelligence fortifications and siege warfare weaponry and equipment literary sources and topography and civil war while papers focused on particular geographic regions home in on war and warfare in the West Roman Empire in the 4th and 5th centuries and the Balkans and the Eastern frontier in the 4th to 7th centuries AD Contributors are Susannah Belcher Neil Christie Ian Colvin John Conyard Jon Coulston Jim Crow Florin Curta Hugh Elton James Howard Johnston Jordi Galbany Jordi Guàrdia John Haldon Michel Kazanski Maria Kouroumali Michael Kulikowski Christopher Lillington Martin Marta Maragall Oriol Mercadal Jordi Nadal Oriol Olesi Alexander Sarantis Conor Whately Michael Whitby and John Wilkes

The Tabernae Structures of Roman Britain Ardle MacMahon, 2003 Grand public buildings and opulent villas more often than not steal the limelight from more mundane structures such as shops and workshops which nevertheless played a vital role in catering for the needs of Roman Britain This thesis assesses evidence from major sites across the country to present a systematic study of the range of tabernae that have been discovered whilst discussing their significance for our understanding of local urban economies as well as the wider Romano British economy Drawing on archaeological evidence from sites in Verulamium Cirencester Wroxeter London Caerwent Vindolanda and elsewhere and making comparisons with the well preserved structures of Pompeii Herculaneum Rome and Ostia MacMahon examines the construction of tabernae their plan counters and doorways as well as covered walkways methods of selling and display the economics of tabernae and their location across Britain

Early Christianity in Contexts William Tabbernee, 2014-11-18 This major work draws on current archaeological and textual research to trace the spread of Christianity in the first millennium William Tabbernee an internationally renowned scholar of the history of Christianity has assembled a team of expert historians to survey the diverse forms of early Christianity as it spread across centuries cultures

and continents Organized according to geographical areas of the late antique world this book examines what various regions looked like before and after the introduction of Christianity How and when was Christianity or a new form or expression of it introduced into the region How were Christian life and thought shaped by the particularities of the local setting And how did Christianity in turn influence or reshape the local culture The book's careful attention to local realities adds depth and concreteness to students understanding of early Christianity while its broad sweep introduces them to first millennium precursors of today's variegated globalized religion Numerous photographs sidebars and maps are included

Lincolnshire Past & Present, 2002 Roman Britain: A New History Guy de la Bédoyère, 2014-02-03 Lucid and engaging should take pride of place on the bookshelf of specialists and non specialists interested in Roman Britain Minerva This illuminating account of Britain as a Roman province sets the Roman conquest and occupation of the island within the larger context of Romano British society and how it functioned The author first outlines events from the Iron Age period immediately preceding the conquest in AD 43 to the emperor Honorius's advice to the Britons in 410 to fend for themselves He then tackles the issues facing Britons after the absorption of their culture by an invading army including the role of government and the military in the province religion commerce technology and daily life For this revised edition the text illustrations and bibliography have been updated to reflect the latest discoveries and research in recent years The superb illustrations feature reconstruction drawings dramatic aerial views of Roman remains and images of Roman villas mosaics coins pottery and sculpture **The Archaeological Journal**, 2004 *The Making of the British Landscape* Francis Pryor, 2010-06-03 This is the changing story of Britain as it has been preserved in our fields roads buildings towns and villages mountains forests and islands From our suburban streets that still trace out the boundaries of long vanished farms to the Norfolk Broads formed when medieval peat pits flooded from the ceremonial landscapes of Stonehenge to the spread of the railways evidence of how man's effect on Britain is everywhere In *The Making of the British Landscape* eminent historian archaeologist and farmer Francis Pryor explains how to read these clues to understand the fascinating history of our land and of how people have lived on it throughout time Covering both the urban and rural and packed with pictures maps and drawings showing everything from how we can still pick out Bronze Age fields on Bodmin Moor to how the Industrial Revolution really changed our landscape this book makes us look afresh at our surroundings and really see them for the first time **Early Peoples of Britain and Ireland: H-Z** Christopher Allen Snyder, 2008 Current Archaeology, 2002

The Antiquaries Journal, 2004 **The Growth of the Medieval City** David M Nicholas, 2014-06-17 The first part of David Nicholas's massive two volume study of the medieval city this book is a major achievement in its own right It is also fully self sufficient though many readers will want to use it with its equally impressive sequel which is being published simultaneously In it Professor Nicholas traces the slow regeneration of urban life in the early medieval period showing where and how an urban tradition had survived from late antiquity and when and why new urban communities began to form where

there was no such continuity He charts the different types and functions of the medieval city its interdependence with the surrounding countryside and its often fraught relations with secular authority The book ends with the critical changes of the late thirteenth century that established an urban network that was strong enough to survive the plagues famines and wars of the fourteenth and fifteenth centuries Minerva ,2004 **Names and Their Histories** Isaac Taylor,1898 **Becoming Consumers** Christopher Barry Martins,2005 This research provides a comprehensive study of the social and psychological characteristics of modern consumer behaviour that is then used as an interpretative perspective with which to consider the evidence for a selection of villas in Roman Britain Existing explanations for investment in the country properties of the elite are contextualised and the commonly applied hypothesis of conspicuous consumption is critiqued A quantifiable costing model is introduced and consumer theories are summarised against a background of Roman archaeology The consumer approach allows for a closer look at the decision making of individuals and the determinants that can influence personal choice Case studies are offered that rigorously examine a range of apparently status enhancing amenities on villas within a framework that focuses on specific consumption arguments This process serves to question existing orthodoxies Important and under appreciated contexts in which social identity could be expressed were the Roman roads that passed close to villas and this suggestion is explored *From the Gracchi to Nero* H.H. Scullard,2021-11-18 *From the Gracchi to Nero* is an outstanding history of the Roman world from 133 BC to 68 AD Fifty years since publication it is widely hailed as the classic survey of the period going through many revised and updated editions until H H Scullard s death It explores the decline and fall of the Roman Republic and the establishment of the Pax Romana under the early Principate In superbly clear style Scullard brings vividly to life the Gracchi s attempts at reform the rise and fall of Marius and Sulla Pompey and Caesar society and culture in the late Roman Republic the Augustan Principate Tiberius and Gaius Claudius and Nero and economic and social life in the early Empire
