**Roman Provincial Administration, 227 BC to AD 117** John Richardson, 1984      **Roman Provincial Administration** J. Richardson, John Richardson, 1984 Summary Discusses Roman government in areas under its control from the First Punic War up to 200 A D      **Aspects of Roman History 31 BC-AD 117** Richard Alston, 2013-11-07 This new edition of Aspects of Roman History 31 BC AD 117 provides an easily accessible guide to the history of the early Roman Empire Taking the reader through the major political events of the crucial first 150 years of Roman imperial history from the Empire's foundation under Augustus to the height of its power under Trajan the book examines the emperors and key events that shaped Rome's institutions and political form Blending social and economic history with political history Richard Alston's revised edition leads students through important issues introducing sources exploring techniques by which those sources might be read and encouraging students to develop their historical judgement The book includes chapters on each of the emperors in this period exploring the successes and failures of each reign and how these shaped the empire sections on social and economic history including the core issues of slavery social mobility economic development and change gender relations the rise of new religions and cultural change in the Empire an expanded timeframe providing more information on the foundation of the imperial system under Augustus and the issues relating to Augustan Rome a glossary and further reading section broken down by chapter This expanded and revised edition of Aspects of Roman History covering an additional 45 years of history from Actium to the death of Augustus provides an invaluable introduction to Roman Imperial history surveying the way in which the Roman Empire changed the world and offering critical perspectives on how we might understand that transformation It is an important resource for any student of this crucial and formative period in Roman history      Jewish Leadership in Roman Palestine from 70 C.E. to 135 C.E. Junghwa Choi, 2013-07-15 Reconstructing Jewish socio political leadership of the late Second Temple and Talmudic periods this book suggests that the period between two great revolts is the best period to study leadership dynamics Prior to the emergence of the rabbinic leadership biblically modelled leadership was still a realistic option often co existing with non biblical polity It also attempts to reconstruct the Jewish socio political leadership of this period by examining how consistently the ideas of leadership that were available before 70 C E were followed after 70 C E      The Historical and Institutional Context of Roman Law George Mousourakis, 2017-03-02 Roman law forms an important part of the intellectual background of many legal systems currently in force in continental Europe Latin America and other parts of the world This book traces the historical development of Roman law from the earliest period of Roman history up to and including Justinian's codification in the sixth century AD It examines the nature of the sources of law forms of legal procedure the mechanisms by which legal judgments were put into effect the development of legal science and the role of the jurists in shaping the law The final chapter of the book outlines the history of Roman law during the Middle Ages and discusses the way in which Roman law furnished the basis of the civil law systems of continental Europe

The book combines the perspectives of legal history with those of social political and economic history Special attention is given to the political development of the Roman society and to the historical events and socio economic factors that influenced the growth and progress of the law Designed to provide a general introduction to the history of Roman law this book will appeal to law students whose course of studies includes Roman law legal history and comparative law It will also prove of value to students and scholars interested in ancient history and classics

**Commanders and Command in the Roman Republic and Early Empire** Fred K. Drogula, 2015-04-13 In this work Fred Drogula studies the development of Roman provincial command using the terms and concepts of the Romans themselves as reference points Beginning in the earliest years of the republic Drogula argues provincial command was not a uniform concept fixed in positive law but rather a dynamic set of ideas shaped by traditional practice Therefore as the Roman state grew concepts of authority control over territory and military power underwent continual transformation This adaptability was a tremendous resource for the Romans since it enabled them to respond to new military challenges in effective ways But it was also a source of conflict over the roles and definitions of power The rise of popular politics in the late republic enabled men like Pompey and Caesar to use their considerable influence to manipulate the flexible traditions of military command for their own advantage Later Augustus used nominal provincial commands to appease the senate even as he concentrated military and governing power under his own control by claiming supreme rule In doing so he laid the groundwork for the early empire's rules of command

**The Roman Municipia of Malta and Gozo** George Azzopardi, 2023-12-28 How did the Maltese and Gozitans fare under Roman occupation How were they treated by their new masters And what did they do to appease them Though based essentially on epigraphical evidence this study seeks to address the above and other questions through an exercise in which epigraphy and the archaeological record supplement each other

**La pathologie du pouvoir: vices, crimes et délits des gouvernants** Patrick Gilli, 2016-02-02 La singularité de la criminalité des gouvernants ou de leurs actes peccamineux réside dans la rareté des condamnations qu'ils ont subies En examinant sur la longue durée les formes de dénonciation de ces délits des hommes de pouvoir le livre essaie de comprendre les raisons qui aboutissent à la rupture du consensus et la remise en cause de l'acceptation sociale des traditions jusqu'alors tolérées corruption extorsion abus en tout genre Les différentes contributions examinent les conditions de ces condamnations morales et politiques et dessinent un tableau nuancé de ces pathologies du pouvoir qui loin d'être invariables dans le temps sont articulées aux paradigmes moraux de chaque société historique Les contributeurs sont Nathalie Barrandon Anne Catherine Baudoin Franck Collard Kathleen Crowther Angela De Benedictis Silvia Di Paolo Julien Dubouloz Patrick Gilli Cedric Giraud Thomas Granier Laurent Guitton Charles Guerin Corinne Manchio Nancy McLoughlin Hélène Marnard Richard Newhauser Flocel Sabat Armand Strubel Julien Thiry et Silvana Vecchio English What is singular about the criminality of rulers or their sinful acts is how rarely they are convicted Through a long term study of the forms of denunciation of crimes committed by those who hold power this book tries to understand

the reasons that lead to breaking the consensus and calling into question the social acceptance of traditions which had hitherto been tolerated corruption extortion different types of abuse The various contributions investigate the moral and political conditions of these convictions and give a well balanced account of these pathologies of power far from being invariable over time they are consistent with the moral paradigms of each society in history
