Roman Elegiac Poets:

The Roman Elegiac Poets Karl Pomeroy Harrington, 1914 *The Cambridge Companion to Latin Love Elegy* Thea S. Thorsen, 2013-11-21 Latin love elegy is one of the most important poetic genres in the Augustan era also known as the golden age of Roman literature This volume brings together leading scholars from Australia Europe and North America to present and explore the Greek and Roman backdrop for Latin love elegy the individual Latin love elegists both the canonical and the non canonical their poems and influence on writers in later times The book is designed as an accessible introduction for the general reader interested in Latin love elegy and the history of love and lament in Western literature as well as a collection of critically stimulating essays for students and scholars of Latin poetry and of the classical tradition The Roman Poets of the Augustan Age W. Y. Sellar, William Y. Sellar, 1892-12 *The Arts of Love* Duncan F. Kennedy, 1993 The five chapters that make up this short book examine the love elegies of the Roman poets Tibullus Propertius and Ovid from the point of view of the way the meanings attributed to the poems arise out of the interests and preoccupations of the cultural situation in which they are read Each study is centred around a reading of a poem or poems together with a discussion of a variety of sophisticated theoretical approaches drawn from modern scholars and theorists such as Paul Veyne Roland Barthes and Michel Foucault In each case the modes of analysis involved are pressed hard to see where they may lead and equally where they may show signs of strain All Latin texts and terms are translated or closely paraphrased *A Companion to Roman Love Elegy* Barbara K. Gold, 2012-04-25 A Companion to Roman Love Elegy is the first comprehensive work dedicated solely to the study of love elegy The genre is explored through 33 original essays that offer new and innovative approaches to specific elegists and the discipline as a whole Contributors represent a range of established names and younger scholars all of whom are respected experts in their fields Contains original never before published essays which are both accessible to a wide audience and offer a new approach to the love elegists and their work Includes 33 essays on the Roman elegists Catullus Tibullus Propertius Sulpicia and Ovid as well as their Greek and Roman predecessors and later writers who were influenced by their work Recent years have seen an explosion of interest in Roman elegy from scholars who have used a variety of critical approaches to open up new avenues of understanding Selections from the Roman elegiac poets Jesse Benedict Carter, 1900 **Selections from the Roman elegiac poets** Jesse Benedict Carter, 1905 "The" Roman Poets of the Augustan Age William Y.
