**Latinity and Literary Society at Rome** W. Martin Bloomer,1997-01-29 Bloomer s investigation begins with questions about the sociology of Latin literature what interests were served by the creation of high style and how literary stylization constituted a system of social decorum and goes on to offer readings of selected texts      *A History of Roman Literature* Charles Thomas Cruttwell,1900      **Roman Eloquence** William J. Dominik,2003-09-02 The present volume is part of a general renaissance in the study of rhetoric and bears testimony to a discipline undergoing rapid and exciting change It draws together established and newer scholars in the field to produce a probing and innovative analysis of the role played by rhetoric in Roman culture Utilizing a variety of critical approaches and methodologies these scholars examine not only the role of rhetoric in Roman society but also the relationship between rhetoric and Rome s major literary genres In addition to demonstrating rhetoric s critical significance for Roman culture the studies reveal the important role played by rhetoric in

the formation of the various genres of literature      **Books and Readers in the Early Church** Harry Y. Gamble,1995-01-01 This fascinating and lively book provides the first comprehensive discussion of the production circulation and use of books in early Christianity It explores the extent of literacy in early Christian communities the relation in the early church between oral tradition and written materials the physical form of early Christian books how books were produced transcribed published duplicated and disseminated how Christian libraries were formed who read the books in what circumstances and to what purposes Harry Y Gamble interweaves practical and technological dimensions of the production and use of early Christian books with the social and institutional history of the period Drawing on evidence from papyrology codicology textual criticism and early church history as well as on knowledge about the bibliographical practices that characterized Jewish and Greco Roman culture he offers a new perspective on the role of books in the first five centuries of the early church      The Routledge Companion to World Literature Theo D'haen,David Damrosch,Djelal Kadir,2011-09-14 In the age of globalization the category of World Literature is increasingly important to academic teaching and research The Routledge Companion to World Literature offers a comprehensive pathway into this burgeoning and popular field Separated into four key sections the volume covers the history of World Literature through significant writers and theorists from Goethe to Said Casanova and Moretti the disciplinary relationship of World Literature to areas such as philology translation globalization and diaspora studies theoretical issues in World Literature including gender politics and ethics a global perspective on the politics of World Literature The forty eight outstanding contributors to this companion offer an ideal introduction to those approaching the field for the first time or looking to further their knowledge of this extensive field      **From Slaves to Sons** Sam Tsang,2005 Researchers on Greco Roman slavery formative Christianity and New Testament theology will surely benefit from this groundbreaking book a study of the Apostle Paul s slave metaphors in Galatians using the New Rhetoric Model as the lens of analysis From Roman slave laws in the first century C E to the text of Galatians this book provides an excellent test case for all other studies of first century metaphors parables analogies and other related genres Moreover this book demonstrates explicitly using examples and a clear step by step method to clarify the meanings behind Paul s metaphors      **Index to the Catalogue of Books in the Bates Hall ...
