Roman Replies and CLSA Advisory Opinions, 1992 Kevin W. Vann, Lynn Jarrell, 1992 **Justice and Mercy Have Met** Kurt Martens, 2017-02 With the promulgation of the *motu proprio* *Mitis iudex Dominus Iesus* for the Latin Church and the *motu proprio* *Mitis et misericors Iesus* for the Eastern Catholic Churches both dated August 15 2015 Pope Francis addressed the calls during the Third Extraordinary General Assembly of the Synod of Bishops October 5 19 2014 for a simplified procedure for the declaration of the nullity of marriages Pope Francis introduced a briefer process to be conducted by the diocesan bishop and he simplified the current ordinary nullity process The new procedural norms went into effect on December 8 2015 New legislation always challenges first and foremost the practitioner how is the new legislation to be understood and applied Immediately after the new law was made public a number of articles on this new legislation were published in *The Jurist* The School of Canon Law of The Catholic University of America organized a March 2016 Workshop on the very topic of this important procedural reform These articles are now brought together in one volume to assist those who work with these norms in the various tribunals dealing with marriage cases It is hoped that this volume will be of great service to all those who serve the people of God in the ministry of justice and that these contributions will truly be a help in understanding and applying the new norms *A Liturgist's Guide to Inclusive Language* Ronald D. Witherup, 1996 I Analysis of the Context II The Principles of Inclusive Language III Practical Guidelines for Inclusive Language in Liturgy IV Ongoing Developments V The Challenge of the Future Appendix The American Bishops Guidelines *Loyola of Los Angeles Law Review*, 2000 *Roman Replies and CISA Advisory Opinions 1992*, 1992 **El proceso de nulidad del matrimonio** Morán Bustos, Carlos Manuel (ISBN: 0000 0000 6157 1684), 2025-01-17 En esta obra se analiza cómo el proceso de nulidad del matrimonio tiene como ratio y telos la verdad del vínculo conyugal y su indisolubilidad La celeridad no figura entre los principios esenciales del proceso aunque sí que es un principio pastoral procesal Por ello se comprende que haya sido uno de los principios claves de la reforma procesal del Papa Francisco junto con la accesibilidad y la simplificación Para buscar la verdad en el proceso la clave es la instrucción de ahí que el autor haya querido descender al análisis de los medios de prueba Estos medios de prueba son instrumentos decisivos para que la sentencia declare la verdad El repaso histórico por las diversas configuraciones que los legisladores han venido haciendo del proceso de nulidad del matrimonio y el estudio de las distintas fases y momentos del proceso nos ha permitido delimitar con detalle las causas reales del retraso en la tramitación La idea general que sostiene el autor es que los factores humano personales son las causas principales del retraso de este tipo de procesos Finalmente sobre la base de la conversión de las estructuras jurídico pastorales vinculadas al *munus iudicandi* contando con la responsabilización del obispo diocesano en el desempeño de la función judicial y con la necesidad de reconducir la actividad judicial a criterios deontológicos este manual propone todo un conjunto de pautas concretas en orden a lograr la agilización de los procesos de nulidad Estudiando en detalle la reforma procesal se advierte que las novedades

legislativas tienen que ver más con la praxis forense canónica que con la dogmática del proceso Precisamente en este terreno el *Mitis Iudex* permite ulteriores desarrollos algunos de los cuales encajan perfectamente en la estructura y naturaleza de un tribunal como el de la Rota de la Nunciatura de España

The Sacraments of Initiation Adolfo N. Dacanáy, 2006 *New Faces, New Possibilities* Center for Applied Research in the Apostolate (CARA), 2022-05-14 Religious sisters have created educational and healthcare systems over the past two hundred years that have transformed the Catholic community in the United States Through their ministry sisters have served waves of immigrants and those pushed to the margins The growing cultural diversity of newer sisters and the diminishing number of older sisters therefore is both a challenge and a creative moment to be critically examined This book examines these changes in culture and ethnicity among sisters the structural impact of diminishing numbers and the creative response to this new reality for religious life in the United States In it sisters from a variety of generations cultures and institutes join with the Center for Applied Research in the Apostolate CARA researchers to examine and reflect on CARA's recent research findings and their impact on the life and ministry of sisters today

Contracts Between Ecclesiastical Entities According to Canon Law Joseph Clifford N. Ndi, 2018-08-28 Within ecclesiastical circles both from the perspective of legal practice and ordinary relational matters between ecclesiastical entities the theme of contract very scarcely occupies a place of prominence It is a situation that is due on the one hand and to a large extent to the fact that the canonisation of civil law on contracts c 1290 CIC 1983 has had the consequence of transferring the preoccupation of the entities on this matter to the domain of civil law Besides and still connected to the above is the tendency to attribute a merely pastoral relevance to their relationships with little or no reference to the juridic aspects inherent in these relationships It is a situation that is largely responsible for the crisis which do not uncommonly characterise some of these relationships as verified over the centuries particularly in the relationship between dioceses and religious institutes The issuance of various papal and conciliar exhortations before and after Vatican II as well as the normative instructions and legal provisions contained in various juridic documents most prominently cc 271 520 681 and 790 of CIC 1983 has gone a long way to dissipate some of the tensions of the past However the true nature of how the contractual relationship between ecclesiastical entities including the attendant issues of conceptual understanding civil status of ecclesiastical entities resolution of contractual disputes etc remains a matter of investigative interest for the canonist This is in a nutshell the substance of this research work The conclusions arrived at offer the reader an insight into the available untapped resources within the ecclesiastical legal system as well as some considerable possibilities which remain to be explored to the benefit of the subjects of canon law

What God Has Joined Together Robert H. Vasoli, 1998 The United States is home to only 6% of the world's Catholics Robert Vasoli points out but it now accounts for 75% of all Church annulments two thirds of which are granted on ostensibly psychological grounds The real scandal though is not simply the numbers but that Church marriage courts annul thousands

of marriages that are actually valid according to Catholic teaching Drawing on considerable research the author details precisely how these courts let divorced Catholics and many non Catholics as well bypass Catholic teaching and law The result has been a tidal wave in 1968 the American Church granted fewer than 600 annulments today it hands out more than 60 000 a year But Rome has not smiled on the performance of U S tribunals of those psychological annulments appealed to the Roman Rota the Vatican s highest marriage tribunal more than 90% are overturned **The Bishop and His Ministry** Francis A. Dallas Nicholas P. Cafardi, 2008 The clergy sex abuse scandal and its ongoing fallout have created the greatest crisis in the history of the American Catholic Church Yet for well over a thousand years the Church has recognized the problem of clerical abuse of children and has maintained strict canonical punishments for perpetrators including expulsion from the clerical state So why did Church leaders favor therapeutic solutions over the provisions of canon law in dealing with decades of abuse This ground breaking analysis of the Church s response to the abuse crisis addresses that very question and engages in a vigorous assessment of the Church s failures in the light of its own canon law The author a civil and canon lawyer summarizes the history of clerical sexual abuse from the New Testament era to modern times He describes the major cases that brought the problem to the forefront in the United States He goes on to explain why most bishops decided to take the therapeutic option when dealing with abusive priests rather than subjecting abusers to proper canonical punishments that might have brought the cases to light and resulted in greater sensitivity to the victims themselves Finally the author explains what the Church must learn from the abuse crisis Insightfully written and thoroughly annotated BEFORE DALLAS will become the accepted reference work on the Church s legal response to clerical sexual abuse and an indispensable guide for preventing the tragedy from happening again It will be essential reading for church historians canonists clergy and all those interested in the future welfare of the Church and her faithful
