

Romanian Revolution Of December 1989

Dennis Deletant

Romanian Revolution Of December 1989:

The Romanian Revolution of December 1989 Peter Siani-Davies, 2007 The Romanian Revolution of 1989 was the most spectacularly violent and remains today the most controversial of all the East European upheavals of that year Despite or perhaps because of the media attention the revolution received it remains shrouded in mystery How did the seemingly impregnable Ceausescu regime come to be toppled so swiftly and how did Ion Iliescu and the National Salvation Front come to power Was it by coup d tat Who were the mysterious terrorists who wreaked such havoc on the streets of Bucharest and the other major cities of Romania Were they members of the notorious securitate What was the role of the Soviet Union Blending narrative with analysis Peter Siani Davies seeks to answer these and other questions while placing the events and their immediate aftermath within a wider context Based on fieldwork conducted in Romania and drawing heavily on Romanian sources including television and radio transcripts official documents newspaper reports and interviews this book is the most thorough study of the Romanian Revolution that has appeared in English or any other major European language Recognizing that a definitive history of these events may be impossible Siani Davies focuses on the ways in which participants interpreted the events according to particular scripts and myths of revolution rooted in the Romanian historical experience In the process the author sheds light on the ways in which history and the conflicting retellings of the 1989 events are put to political use in the transitional societies of Eastern Europe

The Romanian Revolution of December 1989 in international context Ioan Scurtu, 2009

Romania since the Second World War Florin Abraham, 2016-11-17 CHOICE Outstanding Academic Title 2017 Romania since the Second World War is the first book about Romania designed to chart the progress of the nation under the communist regime as well as the transition period that followed providing detailed analysis of the aspects of continuity and change that can be identified over the period as a whole The book begins with Romania s involvement in the Second World War looking at the communist regime in depth It examines how communism took hold and the elimination of traditional elites took place before discussing the impact of Gheorghiu Dej and Nicolae Ceausescu the two most important leaders of the communist era The following chapters cover the main social and economic changes during the communist regime The second part of the book explores the transition period following the end of communism in 1989 with special attention given to international relations and Romania s drive for inclusion in NATO and the EU Romania since the Second World War assesses socio demographic trends across the postwar period before concluding with some thoughts on the nation s development during this time The book includes a useful appendix covering the key figures in Romania s recent history and a helpful bibliography making this a key text for anyone interested in the modern history of Eastern Europe

Women as Constitution-Makers Ruth Rubio-Marín, Helen Irving, 2019-03-28 That a constitution should express the will of the people is a long standing principle but the identity of the people has historically been narrow Women in particular were not included A shift however has recently occurred Women s participation in constitution making is now recognised as a

democratic right Women s demands to have their voices heard in both the processes of constitution making and the text of their country s constitution are gaining recognition Campaigning for inclusion in their country s constitution making women have adopted innovative strategies to express their constitutional aspirations This collection offers for the first time comprehensive case studies of women s campaigns for constitutional equality in nine different countries that have undergone constitutional transformations in the participatory era Against a richly contextualised historical and political background each charts the actions and strategies of women participants both formal and informal and records their successes failures and continuing hopes for constitutional equality

Balkan Legacies John Paul Newman,Balázs Apor,2021-06-15 Balkan Legacies is a study of the aftermath of war and state socialism in the contemporary Balkans The authors look at the inescapable inheritances of the recent past and those that the present has to deal with The book s key theme is the interaction often subliminal of the experiences of war and socialism in contemporary society in the region Fifteen contributors approach this topic from a range of disciplinary backgrounds and through a variety of interpretive lenses collectively drawing a composite picture of the most enduring legacies of conflict and ideological transition in the region without neglecting national and local peculiarities The guiding questions addressed are what is the relationship between memories of war dictatorship communist or fascist and present day identity especially from the perspective of peripheral and minority groups and individuals How did these components interact with each other to produce the political and social culture of the Balkan Peninsula today The answers show the ways in which the experiences of the latter part of the twentieth century have defined and shaped the region in the twenty first century

Attitude and Stance in Discourse Liliana Ionescu-Ruxăndoiu,Mihaela-Viorica Constantinescu,Gabriela Stoica,Şerban Hartular,2022-01-27 Stancetaking is inherent in verbal communication as it is connected with the expression of subjectivity and the construction of intersubjectivity in discourse This book presents theoretical findings in this field and their practical implications exploring the variations in time and space of meaning negotiation processes in a large variety of communicative forms including political and judicial discourse journalism fiction private letters informal conversations and school debates Some articles refer to events with a strong impact on social and political life such as the COVID 19 pandemic or Ceau escu s trial The volume s approach is mainly pragma rhetoric and interactional but also interdisciplinary promoting dialogue between stance researchers in different fields There is a specific focus on possible applications of some key findings of stance research in improving inter ethnic communication and the teaching of foreign languages as well as students communicative abilities

Constitutional Law in Romania Irina Moroianu Zlaţescu,2017-09-20 Derived from the renowned multi volume International Encyclopaedia of Laws this very useful analysis of constitutional law in Romania provides essential information on the country s sources of constitutional law its form of government and its administrative structure Lawyers who handle transnational matters will appreciate the clarifications of particular terminology and its application Throughout the book the treatment emphasizes the

specific points at which constitutional law affects the interpretation of legal rules and procedure Thorough coverage by a local expert fully describes the political system the historical background the role of treaties legislation jurisprudence and administrative regulations The discussion of the form and structure of government outlines its legal status the jurisdiction and workings of the central state organs the subdivisions of the state its decentralized authorities and concepts of citizenship Special issues include the legal position of aliens foreign relations taxing and spending powers emergency laws the power of the military and the constitutional relationship between church and state Details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for both practising and academic jurists Lawyers representing parties with interests in Romania will welcome this guide and academics and researchers will appreciate its value in the study of comparative constitutional law

Post-communism, Democracy, and Illiberalism in Central and Eastern Europe after the fall of the Soviet Union Matei Gheboianu, Daniela Popescu, 2023-12-06 Post communism Democracy and Illiberalism in Central and Eastern Europe after the fall of the Soviet Union explores how the downfall of communism brought about a difficult transition for Eastern and Central Europe The collapse of communism in this region varied from one case to another and the consequences of this process can still be noticed to varying degrees today Although most of the countries that were part of the former Soviet bloc are now members of the NATO or of the European Union and the democratic system in these areas seems to be a solid one the last ten years have indicated a declining trust of the citizens in political institutions and a degradation of political systems which keeps generating vocal manifestations of populism and Euroscepticism The end of the 1990s marked the final shift towards democracy with the accession of the first states to NATO and the beginning of accession negotiations with the European Union The process of consolidating democracies seemed to be an irreversible one and steps towards respect for human rights freedom of expression and the development of economies that functioned according to the rules of the free market gave hope for a very fast path to reduce the gaps in relation to Western democracies

My Life as a Spy Katherine Verdery, 2018-04-19 As Katherine Verdery observes There s nothing like reading your secret police file to make you wonder who you really are In 1973 Verdery began her doctoral fieldwork in the Transylvanian region of Romania ruled at the time by communist dictator Nicolae Ceausescu She returned several times over the next twenty five years during which time the secret police the Securitate compiled a massive surveillance file on her Reading through its 2 781 pages she learned that she was actually a spy a CIA agent a Hungarian agitator and a friend of dissidents in short an enemy of Romania In *My Life as a Spy* she analyzes her file alongside her original field notes and conversations with Securitate officers Verdery also talks with some of the informers who were close friends learning the complex circumstances that led them to report on her and considers how fieldwork and spying can be easily confused Part memoir part detective story part anthropological analysis *My Life as a Spy*

offers a personal account of how government surveillance worked during the Cold War and how Verdery experienced living under it **The Post-Soviet as Post-Colonial** Partlett, William, Küpper, Herbert, 2022-05-19 This book describes the collapse of the Soviet Union as a moment of decolonization and the post 1991 constitution building experience as a postcolonial one Partlett and Küpper's application of the post colonial paradigm to the former Soviet world adds new facets to post colonial constitutional theory by presenting a third type of ideology based colonialism and a third type of decolonization

Romania under Communism Dennis Deletant, 2018-10-11 Communism has cast a long shadow over Romania The passage of little over a quarter of a century since the overthrow in December 1989 of Romania's last Communist leader Nicolae Ceaucescu offers a symbolic standpoint from which to penetrate that shadow and to throw light upon the entire period of Communist rule in the country An appropriate point of departure is the observation that Romania's trajectory as a Communist state within the Soviet bloc was unlike that of any other That trajectory has its origins in the social structures attitudes and policies in the pre Communist period The course of that trajectory is the subject of this inquiry **Romania After Tyranny** Daniel N Nelson, 2019-06-19 In 1973 Romanians were beginning to recognize that the regime of Nicolae Ceausescu contrary to what his first five or six years in power seemed to imply would bring no respite from communism Instead after a 1971 mini cultural revolution ended hope for a Bucharest spring and intellectual latitude was curtailed further in 1972-73 the ominous possibilities of Ceausescu were becoming evident In 1973 I went to Romania on a dissertation research grant from the International Research and Exchanges Board It was a year in which wide ranging survey research was still possible But it was also a time when historians and writers who had different ideas or workers who gave thought to non party union organization felt the heavy hand of Ceausescu's Securitate As happens to most graduate students and their field research it was a formative experience with indelible impressions that remain today **Christian Democracy and the Fall of Communism** Michael Gehler, Piotr H. Kosicki, Helmut Wohnout, 2019-11-20 Debates on the role of Christian Democracy in Central and Eastern Europe too often remain strongly tied to national historiographies With the edited collection the contributing authors aim to reconstruct Christian Democracy's role in the fall of Communism from a bird's eye perspective by covering the entire region and by taking third way options in the broader political imaginary of late Cold War Europe into account The book's twelve chapters present the most recent insights on this topic and connect scholarship on the Iron Curtain's collapse with scholarship on political Catholicism Christian Democracy and the Fall of Communism offers the reader a two fold perspective The first approach examines the efforts undertaken by Western European actors who wanted to foster or support Christian Democratic initiatives in Central and Eastern Europe The second approach is devoted to the emergence of homegrown Christian Democratic formations in the 1980s and 1990s One of the volume's seminal contributions lies in its documentation of the decisive role that Christian Democracy played in supporting the political and anti political forces that engineered the collapse of Communism from within between 1989 and 1991 *American*

Representations of Post-Communism Andaluna Borcila, 2014-07-11 With the televised events of 1989 territories of Eastern and Central Europe that had been marked as impenetrable and inaccessible to the Western gaze exploded into visibility As the narratives of the Cold War crumbled new narratives emerged and new geographies were produced on and by American television Using an understudied archive of American news broadcasts and tracing their flashes and echoes through travel guides and narratives of return written by Eastern European Americans this book explores American ways of seeing and mapping communism s disintegration and the narratives articulated around post communist sites and subjects **Twenty**

Years After Communism Michael Bernhard, Jan Kubik, 2014-07-02 While the fall of the Berlin Wall is positively commemorated in the West the intervening years have shown that the former Soviet Bloc has a more complicated view of its legacy In post communist Eastern Europe the way people remember state socialism is closely intertwined with the manner in which they envision historical justice *Twenty Years After Communism* is concerned with the explosion of a politics of memory triggered by the fall of state socialism in Eastern Europe and it takes a comparative look at the ways that communism and its demise have been commemorated or not commemorated by major political actors across the region The book is built on three premises The first is that political actors always strive to come to terms with the history of their communities in order to generate a sense of order in their personal and collective lives Second new leaders sometimes find it advantageous to mete out justice on the politicians of abolished regimes and whether and how they do so depends heavily on their interpretation and assessment of the collective past Finally remembering the past particularly collectively is always a political process thus the politics of memory and commemoration needs to be studied as an integral part of the establishment of new collective identities and new principles of political legitimacy Each chapter takes a detailed look at the commemorative ceremony of a different country of the former Soviet Bloc Collectively the book looks at patterns of extrication from state socialism patterns of ethnic and class conflict the strategies of communist successor parties and the cultural traditions of a given country that influence the way official collective memory is constructed *Twenty Years After Communism* develops a new analytical and explanatory framework that helps readers to understand the utility of historical memory as an important and understudied part of democratization **Diffusion of Democracy** Barbara Wejnert, 2014-01-09 This study of democratization since 1800

provides new data to explore the relationship between socioeconomic development and democracy over the last 200 years Barbara Wejnert examines both countries and regions and argues that the role of diffusion mechanisms as opposed to internal factors is especially significant as are regional effects *Constitutional Law in Romania* Irina Moroianu Zlătescu, 2023-07-20 Derived from the renowned multi volume International Encyclopaedia of Laws this very useful analysis of constitutional law in Romania provides essential information on the country s sources of constitutional law its form of government and its administrative structure Lawyers who handle transnational matters will appreciate the clarifications of particular terminology and its application Throughout the book the treatment emphasizes the specific points at which

constitutional law affects the interpretation of legal rules and procedure Thorough coverage by a local expert fully describes the political system the historical background the role of treaties legislation jurisprudence and administrative regulations The discussion of the form and structure of government outlines its legal status the jurisdiction and workings of the central state organs the subdivisions of the state its decentralized authorities and concepts of citizenship Special issues include the legal position of aliens foreign relations taxing and spending powers emergency laws the power of the military and the constitutional relationship between church and state Details are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for both practising and academic jurists Lawyers representing parties with interests in Romania will welcome this guide and academics and researchers will appreciate its value in the study of comparative constitutional law

Social Movement Studies in Europe Olivier Fillieule, Guya Accornero, 2016-03-01 Bringing together over forty established and emerging scholars this landmark volume is the first to comprehensively examine the evolution and current practice of social movement studies in a specifically European context While its first half offers comparative approaches to an array of significant issues and movements its second half assembles focused national studies that include most major European states Throughout these contributions are guided by a shared set of historical and social scientific questions with a particular emphasis on political sociology thus offering a bold and uncommonly unified survey that will be essential for scholars and students of European social movements

[History of Modern Cremation in Romania](#) Marius Rotar, 2013-01-11 Cremation as a means of managing the post mortem body was reintroduced to Europe at the end of the eighteenth century but would not become common practice until the second half of the nineteenth century This was a major development with multifaceted implications which generated heated debate Initially armed with a variety of arguments hygienic economic aesthetic and philosophical arguments citing freedom of conscience and will the advocates of modern cremation who tended to come from the social and cultural elite sought to impose their new model This brought them into conflict with the traditional structures and patterns of burial and thus with the Church which had of course originally ended the practice of cremation The present study is a history of cremation in Romania beginning with the emergence of cremationist ideas in 1867 and taking the reader up to the present day It analyses the following key periods the second half of the nineteenth century and early twentieth century the Interwar period Romania then being the first Orthodox country in the world to possess a crematorium which provoked a vehement reaction against cremation on part of the Orthodox Church the Communist period when no new crematoria were built even though the Communist regime proclaimed itself to be atheist and the post Communist period

The Romanian Mass Media and Cultural Development David Berry, 2017-07-05 This compelling book assesses the development of the mass media since the Romanian Revolution in December 1989 and the media's impact on cultural

development the public sphere civil society and democracy It controversially claims that Romania's failure to experience a thoroughgoing enlightenment project in its entire history remains a major obstacle for producing democratic ownership of the media and democratic development of society Analyzing both the print and broadcast media and their respective effects on development the book also discusses the effects of Romanian law on media and societal development ethics and media responsibilities It concludes however that far from having an absolutely negative impact on Romanian post communism the media has helped produce a contradictory empirical form that equally contains positive moments in terms of subjective cultural development

Unveiling the Magic of Words: A Report on "**Romanian Revolution Of December 1989**"

In some sort of defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is truly awe-inspiring. Enter the realm of "**Romanian Revolution Of December 1989**," a mesmerizing literary masterpiece penned with a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. Romanian Revolution Of December 1989 Introduction

In today's digital age, the availability of Romanian Revolution Of December 1989 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Romanian Revolution Of December 1989 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Romanian Revolution Of December 1989 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Romanian Revolution Of December 1989 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Romanian Revolution Of December 1989 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Romanian Revolution Of December 1989 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Romanian Revolution Of December 1989 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural

artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Romanian Revolution Of December 1989 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Romanian Revolution Of December 1989 books and manuals for download and embark on your journey of knowledge?

FAQs About Romanian Revolution Of December 1989 Books

1. Where can I buy Romanian Revolution Of December 1989 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
