Romanov Conspiracies:

Sherlock Holmes and the Romanov Conspiracies Phil Growick, 2017-11-30 For the first time a very special edition combining two of the most intricately intertwined Sherlock Holmes adventures In *The Secret Journal of Dr Watson* it s the height of the Russian Revolution Holmes and Watson are sent by the British PM David Lloyd George deep into the nascent Soviet Union to rescue the Imperial Romanovs before they re assassinated by the Bolsheviks But with Lenin the Cheka MI 6 and The Black Faction at their throats who can rescue Holmes and Watson And if they succeed what will ultimately happen to them all Can we believe that Holmes meets his death And with a stunning surprise ending how many questions will be left unanswered In *The Revenge of Sherlock Holmes* those questions are answered But how does Prohibition in America the birth of organized crime there with murderers like Lucky Luciano and Bugsy Siegel impact Watson the Romanovs and the man who claims to be Holmes And once again all these tension filled events keep racing towards another incredible surprise ending

The Romanov Conspiracy Glenn Meade, 2013-06-11 Since July 1918 no one has been able to solve the mysterious disappearance of Princess Anastasia until Dr Laura Pavlov uncovers some haunting clues in this thriller by the acclaimed bestselling author of *The Second Messiah* Dr Laura Pavlov an American forensic archaeologist is about to unravel a mystery that promises to shed light on one of the twentieth century s greatest enigmas Digging on the outskirts of the present day Russian city of Ekaterin burg where the Romanov royal family was executed in July 1918 Pavlov discovers a body perfectly preserved in the permafrost of a disused mine shaft The remains offer dramatic new clues to the disappearance of the Romanovs and in particular their famous daughter Princess Anastasia whose murder has always been in question Pavlov s discovery sets her on an unlikely journey to Ireland where a carefully hidden account of a years old covert mis sion is about to change the accepted course of world history and hurl her back into the past into a maelstrom of deceit secrets and lies Drawn from historical fact *The Romanov Conspiracy* is a page turning story of love and friendship tested by war and a desperate battle between revenge and redemption set against one of the most bloody and brutal revolu tions in world history

The Race to Save the Romanovs Helen Rappaport, 2018-06-26 In this international bestseller investigating the murder of the Russian Imperial Family Helen Rappaport embarks on a quest to uncover the various plots and plans to save them why they failed and who was responsible The murder of the Romanov family in July 1918 horrified the world and its aftershocks still reverberate today In Putin s autocratic Russia the Revolution itself is considered a crime and its anniversary was largely ignored In stark contrast the centenary of the massacre of the Imperial Family was commemorated in 2018 by a huge ceremony attended by the Patriarch of the Russian Orthodox Church While the murders themselves have received major attention what has never been investigated in detail are the various plots and plans behind the scenes to save the family on the part of their royal relatives other governments and Russian monarchists loyal to the Tsar Rappaport refutes the claim that the fault lies entirely with King George V as has been the traditional view for the last century The responsibility for

failing the Romanovs must be equally shared The question of asylum for the Tsar and his family was an extremely complicated issue that presented enormous political logistical and geographical challenges at a time when Europe was still at war Like a modern day detective Helen Rappaport draws on new and never before seen sources from archives in the US Russia Spain and the UK creating a powerful account of near misses and close calls with a heartbreaking conclusion With its up to the minute research *The Race to Save the Romanovs* is sure to replace outdated classics as the final word on the fate of the Romanovs

The Lost Fortune of the Tsars William Clarke,1995-12 At its peak before the first world war the fortune of the Romanovs of Russia has been calculated at over 45 billion dollars It included fabulous state jewels exquisite Faberge eggs the palaces in and around St Petersburg and the Crimea the royal yachts and trains and millions in Tsarist bank accounts in London New York and elsewhere Since the secret murders of Nicholas and Alexandra and their family in 1918 and the subsequent and controversial discovery of their remains the mystery persists What happened to all that wealth Questions surrounding the lost fortune are inevitably tied up with the issue of just who was killed that terrible summer s night in 1918 at Ekaterinburg William Clarke goes to the heart of the Romanov story to the Central State Archives in Russia which for three quarters of a century had been filed away in secrecy and is only now open to investigation The result of over twenty years of research Clarke s quest reveals the truth behind claims to the Tsarist fortune made by the likes of Anna Anderson and Michel Goleniewski and sheds new light on this most intriguing of historical mysteries

The Meinertzhagen Mystery Brian Garfield,2007 Tall handsome charming Col Richard Meinertzhagen 1878 1967 was an acclaimed British war hero a secret agent and a dean of international ornithology His exploits inspired three biographies movies have been based on his life and a square in Jerusalem is dedicated to his memory Meinertzhagen was trusted by Winston Churchill David Lloyd George Chaim Weizmann David Ben Gurion T E Lawrence Elspeth Huxley and a great many others He bamboozled them all Meinertzhagen was a fraud Many of the adventures recorded in his celebrated diaries were imaginary including a meeting with Hitler while he had a loaded pistol in his pocket an attempt to rescue the Russian royal family in 1918 and a shoot out with Arabs in Haifa when he was seventy years old True he was a key player in Middle Eastern events after World War I and during the 1930s he represented Zionism s interests in negotiations with Germany But he also set up Nazi front organizations in England committed a half century of major and costly scientific fraud and oddly may have been innocent of many killings to which he confessed e g the murder of his own polo groom a crime of which he cheerfully boasted although the evidence suggests it never occurred at all Further he may have been guilty of at least one homicide of which he professed innocence A compelling read about a flamboyant rogue The Meinertzhagen Mystery shows how recorded history reflects not what happened but what we believe happened

The Last of the Tsars Robert Service,2017-09-05 A riveting account of the last eighteen months of Tsar Nicholas II s life and reign from one of the finest Russian historians writing today In March 1917 Nicholas II the last Tsar of All the Russias abdicated and the dynasty that had ruled an empire for three hundred years was forced from power by revolution Now Robert Service the eminent historian of Russia examines Nicholas s life and thought from the months before his momentous abdication to his death with his family in Ekaterinburg in July 1918 The story has been told many times but Service s deep understanding of the period and his forensic examination of previously untapped sources including the Tsar s diaries and recorded conversations as well as the testimonies of the official inquiry shed remarkable new light on his troubled reign also revealing the kind of Russia that Nicholas wanted to emerge from the Great

War The Last of the Tsars is a masterful study of a man who was almost entirely out of his depth perhaps even willfully so It is also a compelling account of the social economic and political ferment in Russia that followed the February Revolution the Bolshevik seizure of power in October 1917 and the beginnings of Lenin s Soviet socialist republic **Lost Eagle** Steven Ingman-Greer,2013-10-25 An epic drama of world changing events revealed through the visionary consciousness of Tatiana one of the four daughters of the last Russian Tsar Nicholas II and his wife Alexandra This is Tatiana s story told through her diary from idyllic childhood in the last royal family of Russia to brutal imprisonment at the hands of the revolutionaries from her last minute escape and secret exile in England for which there exists actual historical and documentary evidence to her fulfilment in love and eventual tragic fate as she disappears from history under an assumed name Within the storyline of history Tatiana s passionate and impressionistic diary entries are set against the gathering storm of the revolution and the ominous indicators of the Romanov family s impending doom and against the machinations of the British establishment which decided her fate **White Crow** Jamie H. Cockfield,2002-07-30 Based on material from the newly opened Russian archives this is the first biography of Nicholas Mikhailovich Romanov 1859 1919 the only intellectual in the Russian Imperial Family This unique study provides insight into the last six decades of tsarist Russia through the experiences of the odd ball member of the clan An historian and a biologist the Grand Duke made major contributions in both these fields A political liberal he fought tirelessly for reform from within the system His reformist views made him a pariah within his own family and contemporary recognition of his accomplishments came more from abroad than at home Entering the military as all Romanovs did the Grand Duke eventually became hostile toward it and was in fact the only family member ever to formally leave military service He received honorary doctorates from the Universities of Berlin and Moscow and even won election to the French Academy one of only two Russians to do so As the political situation in Russia worsened he urged the tsar to implement reforms and he even participated in discussions of a palace coup Exiled to Vologda after the Communist seizure of power he was later imprisoned by the police and shot in January 1919 *The Many Deaths of Tsar Nicholas II* Wendy Slater,2007-06-26 How did Nicholas II Russia s last Tsar meet his death This book recounts the horrific details of his death and the thrilling discovery of the bones and also investigates the alternative narratives that have grown up around these events **Manhattan Conspiracy** Ken Hudnall,2003-10-15 Volume 3 of the Manhattan Conspiracy series concerning one man opposing a terrorist organization determined to destroy America *The A to Z of the Russo-Japanese War* Rotem Kowner,2009-08-20 Every war leaves an imprint in history but few have had such a pervasive impact in so many respects as the Russo Japanese War of 1904 1905 Politically it fatally weakened the Russian Empire while allowing Japan to follow more dangerous paths Diplomatically it shook the power balance in Europe and reshaped it in the form of two coalitions leading to World War I With regard to the art of warfare it emphasized the use of trench warfare and machine guns on land and the deployment of battleships and the use of torpedoes at sea Yet despite its importance at the time it has become very much a

forgotten war The A to Z of the Russo Japanese War provides considerable breadth and depth of coverage based on Japanese Russian and Western sources The breadth is accomplished through a wide ranging introduction a detailed chronology and an extensive bibliography The depth comes in the hundreds of entries on military and political leaders major battles and lesser encounters tactics and strategy as well as the weaponry and of course the causes and consequences The result is the first major reference work on the Russo Japanese War in English and the largest in any language

The Bolsheviks and Britain during the Russian Revolution and Civil War, 1917-24 Evgeny Sergeev, 2022-06-16 This book analyses the principal aspects of the relations between Soviet Russia USSR and Britain in the crucial phase of their formation namely the period from 1917 to 1924 Using previously unavailable and largely unknown archival records and memoirs published by statesmen diplomats and military commanders directly involved in the events Evgeny Sergeev not only reconstructs the dynamics of the interaction between Moscow and London but also strips its key episodes of common myths and stereotypes The most debatable issues to which this study draws its primary attention include Britain's role in the Entente armed intervention against the Bolshevik regime as well as a series of reciprocal attempts to avoid political controversies and London's contribution to humanitarian aid and the economic recovery of post revolutionary Russia Special consideration is also given to the impact of British diplomacy on the recognition of the USSR by other great powers like France Italy and Japan in the mid 1920s
