

# THE ROMANOVs 1818-1959

JOHN VAN  
DER KISTE

## Romanovs 1818 1959

**Walter G. Moss**

## **Romanovs 1818 1959:**

The Romanovs, 1818-1959 John Van der Kiste, 1998 Illustrated with contemporary photographs this account of the Russian royal family from 1818 until the end of its reign and beyond will appeal to anyone interested in the dramatic and tragic story of the Romanov family and in Russian history      **The Romanovs 1818-1959** John van der Kiste, 2005

**Romanovs** Oliver Thomson, 2011-11-08 The Romanovs were one of the most extraordinary families in world history producing a succession of brilliant yet often dysfunctional rulers whose whims affected the lives of millions Oliver Thomson delves deep into the dynasty's rise to power from the moment when Anastasia Romanovna was plucked from obscurity to become the wife of the tsar later known as Ivan the Terrible He traces the remarkable careers and personal traumas of the Romanov tsars and emperors larger than life characters like Peter I and Catherine the Great as well as the tragic stories of Paul and Nicholas II Including maps portraits of family members and stunning colour photographs of the main surviving Romanov buildings this absorbing book charts the rise and fall of one of history's most powerful dynasties and at the same time examines the lives of the often flawed human beings who were part of it      *The Last Days of the Romanovs* Helen Rappaport, 2009-02-03 The brutal murder of the Russian Imperial family was both a human tragedy and a turning point in world history This work gives a riveting moment by moment account of the last 13 days of their lives b w photo insert

**Hidden Account of the Romanovs** John Browne, 2013-05-21 Preparing for President Putin's State Visit in 2003 the Bank of England is ordered to return any remaining Czarist money to Russia The Bank's trustee of the former Empress Alexandras secret trust account resists To support his case the trustee investigates the revealing career of a Grenadier Guards officer The evidence trail follows the Grenadier through the trenches of World War I including active service events involving The Prince of Wales Winston Churchill and the Royal Flying Corps The backdrop is Imperial Russia and the extraordinary lives of Emperor Nicholas and his family While history recorded three women surviving the initial shootings of the Imperial family only to be killed later when they cried out rumours erupted of a female Romanov escapee Stalin determined to liquidate her In 1918 the Grenadier officer is posted to Russia to locate and aid the escape of Romanovs Attached to a Cossack regiment a peasant girl rescues him from Red soldiers Against a background of international intrigue and Imperial elegance the story winds through two of history's greatest mysteries the murders of the Imperial family and Rasputin King George V's hitherto misunderstood delay in rescuing his cousin Emperor Nicholas is explained Questions challenging conventional history run through the story including amazing evidence suggesting the British MI6 organization of Rasputin's assassination and Trotsky's raising of Bolshevik seed capital in New York      *Queen Victoria and The Romanovs* Coryne Hall, 2020-02-15 Alexander III called Victoria a pampered sentimental selfish old woman while to her he was a sovereign whom she could not regard as a gentleman But the Queen's son and two of her granddaughters married Romanovs      **Queen Victoria and the European Empires** John Van der Kiste, 2017-01-20      **Russia in the Age of Alexander II, Tolstoy and Dostoevsky**

Walter Moss, 2002 *Russia in the Age of Alexander II* Tolstoy and Dostoevsky is both history and story incorporating in its analysis of Alexander II's turbulent reign the lives and ideas of the period's great writers, thinkers and revolutionaries who made this the Golden Age of Russian literature and thought. In his combination of considerable biographical material with the presentation of the main ideas of the era's chief writers and thinkers, Walter G. Moss has written a history that is of interest not only to scholars and students of the period but also to more general readers. *Russian Leaders* Alexander Dragomiroff, 2002 *Russian Leaders: A Bibliography With Indexes* **A History of Russia Volume 1** Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US, Canada and around the world. Moss's accessible history includes full treatment of everyday life, the role of women, rural life, law, religion, literature and art. In addition, it provides many other features that have proven successful, including a well-organized and clearly written text, references to varying historical perspectives, numerous illustrations and maps, fully updated bibliographies accompanying each chapter, as well as a general bibliography, a glossary and chronological and genealogical lists. **Edward VII's Children** John van der Kiste, 1980-01-01 King Edward VII and Queen Alexandra had six children. Of the five who reached maturity, only one, the future King George V, has received much attention from biographers. The eldest son, Albert Victor, Duke of Clarence, a backward youth and a subject of scandal, died before he was thirty. The three princesses, Louise, Princess Royal and Duchess of Fife, the lifelong spinster Victoria and Maud, Queen of Norway, were never well known to the British public during their lifetime. In this detailed and fascinating account, John Van der Kiste has drawn upon previously unpublished correspondence from the Royal Archives, Windsor, to reveal for the first time the part this hitherto neglected group of characters played in supporting the royal family and crown during a period of transition from the Victorian age to the uncertain twentieth century. *The Georgian Princesses* John van der Kiste, 2002-07-11 A chronological account of the princesses and consort Queens of the Georgian era. From Sophia, who died shortly before she would have become Queen as heir to Queen Anne, to Adelaide, consort to William IV, whose failure to provide an heir ensured the succession passed to his niece, Queen Victoria. During this period, an array of colourful personalities came and went. George I's ill-fated wife, Sophia Dorothea of Celle, who was imprisoned for adultery for over 30 years until her death; the equally tragic Caroline Matilda, Queen of Denmark and sister of George III, who married an incipient schizophrenic, saw her lover put to death, was divorced and imprisoned, released after pressure from her brother, only to die of typhoid or scarlet fever, aged just 23. George IV's notorious consort, his cousin Caroline of Brunswick, who danced naked on tables and was refused access to his coronation; and their daughter, Charlotte, whose death in childbirth in 1817 necessitated the hasty marriages of several of her middle-aged uncles in a desperate race to provide a legal heir to the throne. Europe on the Path to Self-Destruction Jack L. Schwartzwald, 2022-07-19 Between the years 1815 and 1945, Europe achieved unrivaled global dominance, only to see it shattered by two world wars. This frenetic rise and fall was attended by immense

societal change In 1815 Europe remained largely agricultural and dependent upon horsepower By 1945 the power of the atom had been unleashed Two industrial revolutions occurred in the interim the first founded upon coal iron and steam the second upon oil steel electricity and internal combustion The implications for humanity were profound This concise yet comprehensive study is divided into three sections In section one the map of Europe emerges in its modern visage as unrestrained nationalist fervor gives rise to an assemblage of new nation states In section two the continent attains global hegemony as massive industrialization fuels a mad scramble for colonial markets and raw materials In section three a cauldron of national ethnic and class hatreds spawn the rise of totalitarianism and the overthrow of European hegemony in two calamitous world wars By tracing the events and undercurrents of this vital period in European history this book offers trenchant insights for the lay reader and the student of history alike

*Famous Assassinations in World History* Michael Newton, 2014-04-17 Representing a unique reference tool for readers interested in history criminology or terrorism this book provides the most complete and up to date coverage of assassinations of key figures throughout history and around the world Effecting the death of a political figure a leader of a nation or a public figure usually captures people's attention But how often is assassination effective to achieve the larger objective beyond the death of the targeted individual

*Famous Assassinations in World History* An Encyclopedia offers more than 200 entries on assassinations of all kinds that will allow readers to grasp the often complex motivating factors behind each event and better understand historical and contemporary social unrest Each entry identifies the assassination target and summarizes that person's significance discusses the person's assassination including the factors that led up to it and its political and cultural contexts and explains the powerful effects of the assassination in world history The encyclopedia also includes various sidebars that spotlight relevant individuals groups and movements and present intriguing factoids such as the final disposition of notorious assassins weapons and various films and novels that were inspired by famous assassinations In addition 23 primary source documents provide accounts of assassinations throughout world history

*Russia at War* Timothy C. Dowling, 2014-12-02 This easy to use reference explores the people and events that shaped Russian military history and impacted Europe Asia and the world over the past eight centuries Russian military history is an often overlooked field Yet Russia is and has long been an important player in global politics and its military exploits have been central to its role on the world stage This study of Russia's military past provides insights into European and U S history including the conduct of the two World Wars and the Cold War and will help readers better appreciate the current geopolitical situation This work covers major events and figures in Russian military history from the end of Mongol domination in the 14th century to the present day More than 650 entries by scores of expert contributors detail events individuals organizations and ideas that have influenced Russian warfare over 800 years Two alphabetically arranged volumes explore such conflicts as the Russo Polish Wars the Great Northern War the Russo Turkish Wars the Napoleonic Wars the Crimean War the Russo Japanese War World War I World War II and the Cold War including

the Soviet invasion of Afghanistan Cross references and further readings in each entry serve as jumping off points for further exploration *Focus On: 100 Most Popular Knights of the Garter* Wikipedia contributors, *The Baltic Story* Caroline Boggis-Rolfe, 2019-04-15 The Baltic Story recounts the shared history of the countries around the Baltic from the events of a thousand years ago to the present day *Forge of Empires* Michael Knox Beran, 2007-10-16 In the space of a single decade three leaders liberated tens of millions of souls remade their own vast countries and altered forever the forms of national power Abraham Lincoln freed a subjugated race and transformed the American Republic Tsar Alexander II broke the chains of the serfs and brought the rule of law to Russia Otto von Bismarck threw over the petty Teutonic princes defeated the House of Austria and the last of the imperial Napoleons and united the German nation The three statesmen forged the empires that would dominate the twentieth century through two world wars the Cold War and beyond Each of the three was a revolutionary yet each consolidated a nation that differed profoundly from the others in its conceptions of liberty power and human destiny Michael Knox Beran's *Forge of Empires* brilliantly entwines the stories of the three epochal transformations and their fateful legacies Telling the stories from the point of view of those who participated in the momentous events among them Walt Whitman and Friedrich Nietzsche Mary Chesnut and Leo Tolstoy Napoleon III and the Empress Eugénie Beran weaves a rich tapestry of high drama and human pathos Great events often turned on the decisions of a few lone souls and each of the three statesmen faced moments of painful doubt or denial as well as significant decisions that would redefine their nations With its vivid narrative and memorable portraiture *Forge of Empires* sheds new light on a question of perennial importance How are free states made and how are they unmade In the same decade that saw freedom's victories one of the trinity of liberators revealed himself as an enemy to the free state and another lost heart What Lincoln called the germ of freedom which was to grow and expand into the universal liberty of mankind came close to being annihilated in a world crisis that pitted the free state against new philosophies of terror and coercion *Forge of Empires* is a masterly story of one of history's most significant decades **The Oxford Handbook of Prehistoric Figurines** Timothy Insoll, 2017 The Oxford Handbook of Prehistoric Figurines is the first text to offer a comparative survey of figurines from across the globe bringing together myriad contemporary research approaches to provide invaluable insights into their function context meaning and use as well as past thinking on the human body gender and identity *A History Of Russia Volume 2* Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world
