

Road to Romans SALVATION

ROMANS 3:10

As it is written: "There is non righteous, no, not one."

1

ROMANS 3:23

For all have sinned and come short of the glory of God.

2

ROMANS 5:8

But God demonstrated His own love toward us, in that while we were yet sinners, Christ died for us.

3

ROMANS 6:23

For the wages of sin is death, but the gift of God is eternal life through Jesus Christ our Lord.

4

ROMANS 10:9-10

If you confess with your mouth Jesus is Lord, and believe in your heart that God has raised Him from the dead, you will be saved for with the heart one believes unto righteousness, and with the mouth of confession is made unto salvation.

5

ROMANS 10:13

For, Everyone who calls on the name of the Lord shall be saved.

Soulsmanship Joseph E. Compton Jr.,2024-06-10 Soulsmanship is an intentional skilled process of sharing Christ with others while being guided by the Holy Spirit It is a process all Christians should be actively pursuing Even better it comes with a road map to heaven In a concise training manual Joseph Compton Jr provides key scriptures and inspirational wisdom to encourage believers to incorporate the process of soulsmanship into their daily walk and service to Christ While covering a variety of topics he describes evangelism and the reasons why we don t evangelize and make disciples of Christ details the basics of a soulsman distinguishes the differences between salesmanship and soulsmanship provides road maps to heaven and maturity and much more Throughout his guide Compton reminds Christians that it is their responsibility to plant the seed hoe the garden water the seeds and then let God produce the harvest Soulsmanship is an uplifting guide that inspires believers to lean on the Holy Spirit while calling on others to accept Christ into their hearts The Way of the Chosen

Amanda Jenkins,Dallas Jenkins,Douglas S. Huffman,2023-03-07 Discover what it means to belong to and be blessed by God We all have to choose the wide road that leads to destruction or the narrow path that leads to life The third season of the groundbreaking television show The Chosen picks up with how Jesus followers apply His teaching to their lives The Way of the Chosen is an eight lesson interactive Bible study for individuals or small groups that works in tandem with each episode of the show In modeling the narrow road that leads to life it includes Forgiving the way Jesus does Going when and where He says to go Grieving what He grieves Standing firm on His words and character Delighting in the things that please Him Asking because He says to Welcoming those He welcomes Trusting His will and way Readers will be challenged to move from knowing who Jesus is to living out their faith by going the way of the Chosen **Romans in Cleveland** Frank Elgee,1923

Romans Michael J. Gorman,2022-03-03 Above all Romans is a letter about Spirit enabled participation and transformation in Christ and his story and thus in the mission of God in the world This commentary engages the letter to the Romans as Christian scripture and highlights the Pauline themes for which Michael Gorman is best known participation and transformation cruciformity and new life peace and justice community and mission With extensive introductions both to the apostle Paul and to the letter itself Gorman offers background information on Paul s first century context before proceeding into the rich theological landscape of the biblical text In line with Paul s focus on Christian living Gorman interprets Romans at a consistently practical level highlighting the letter s significance for Christian theology daily life and pastoral ministry Questions for reflection and sidebars on important concepts make this especially useful for those preparing to preach or teach from Romans the epistle of life as Gorman calls it for its extraordinary promise that through faith we might walk in newness of life with Christ The Appian Way of America ,1923 **Early Roman Warfare** Jeremy Armstrong,2016-09-19 While copious amounts have been written about the Roman army most study has focussed on the later Republic or the Imperial period when the legionary system was already well developed Here Dr Jeremy Armstrong traces the development of

Rome's military might from its earliest discernible origins down to the First Punic War. He shows how her armies evolved from ad hoc forces of warriors organized along clan lines and assembled for the city's survival to the sophisticated organization of the legions that went on to dominate all of Italy and then after the period covered the entire Mediterranean world. The author reviews both the literary sources and the latest archaeological evidence to provide a fresh analysis of Roman military organization, equipment, tactics, and strategy. He shows how Rome's military apparatus adapted to meet the changing strategic needs of new enemies and broader ambitions. This study of the origins of the Classical world's most formidable war machine will be welcomed by anyone with an interest in Classical and especially Roman military history.

Reluctant Prophets and Clueless Disciples Bob Darden, 2006. A college-level introduction that invites students into biblical studies through creative, humorous retelling of the basic biblical narratives. The Bible is foreign territory for students encountering it in introductory classes. Even those who have spent many years in church have rarely read much of it. To most of us, it looks like a big collection of rules, lists, and theological arguments. But in reality, most of the Bible is made up of stories. Sometimes they're inspiring, sometimes they're funny, sometimes they're weird, but they're never dull. The best way to get into the Bible, says Robert Darden, is to get to know its stories. In this new approach to introducing the Bible to students, Darden covers the major biblical stories and characters, retelling them in such a way as to bring out their original humor and pathos and inviting the student to encounter them more fully by moving into the text itself. **Transformation** David A.

deSilva, 2014-09-18. The gospel is often presented as little more than a get-out-of-hell-free-pass. But is that all there is to it? What made it so compelling that the Apostle Paul would give up everything, enduring hardships and deprivation to preach good news? David deSilva argues that some Christians have unintentionally reduced the gospel to a message Paul would hardly recognize. The gift of righteousness is far richer than many of us have dared to imagine. In *Transformation: The Heart of Paul's Gospel*, deSilva examines the gospel message as presented in Paul's letters. He demonstrates that Paul had nothing less in mind than the means to transform and renew all of creation, including ourselves. Prepare to let Paul's message of change and renewal transform your own thinking. **The Ultimate Infographic Guide to the Bible** Joseph M.

Holden, 2023-03-07. A Bird's Eye View of the Bible. Whether you're reading God's Word for the first time or the fortieth, you're bound to ask questions along the way: Why can I be confident the Bible is reliable? Who decided which books made the final cut? What else do I need to know to get the most out of what I'm reading? For new and seasoned believers alike, *The Ultimate Infographic Guide to the Bible* delivers invaluable historical, cultural, and contextual insights so you can better understand Scripture. These fascinating charts, graphics, and timelines will enrich your reading experience by highlighting the key events, themes, and applications found in each book of the Bible, providing background on the Bible's reliability, translation process, and preservation, illuminating how God's strength, power, and love are revealed throughout the Bible's overarching story. *The Ultimate Infographic Guide to the Bible* will equip you to understand the significance of every part of the Bible and witness

how each incredible truth God makes known to His people is relevant to you today Eternity Tony Evans,2016-02-22

Heaven may not be what you think it is We often think of heaven in two extremes It s either a dreamy existence where we float around on clouds with nothing much to do or it s something far off in the future that we don t want to happen until we accomplish all that we want to in this life Both of these are flat wrong and Tony Evans looks to Scripture to set the record straight Simple and straight forward Eternity is a short book on what eternity with God will really be like God hasn t told us everything about heaven writes Evans but Scripture gives us enough glimpses and enough promises about heaven for us to know we don t want to miss this place of eternal joy Walk through Scripture with Evans as he plainly explains what heaven is like who will be there and what they ll be doing With engaging illustrations and practical insights you ll know what awaits believers forever and how that matters for life today **A Christian Behind Bars** Charles Jenkins,2022-06-03 It s about how going to prison helped change this man s life Preacher or layman things you need to know in the Bible Things for the young men or women in God to preach on Uplifting verses to reflect on with your church Find out how some great men of God died Great men of God that made mistakes Always remember you re not alone *Caesar's Calendar* Denis Feeney,2007-06-04 The ancient Romans changed more than the map of the world when they conquered so much of it they altered the way historical time itself is marked and understood In this brilliant erudite and exhilarating book Denis Feeney investigates time and its contours as described by the ancient Romans first as Rome positioned itself in relation to Greece and then as it exerted its influence as a major world power Feeney welcomes the reader into a world where time was movable and changeable and where simply ascertaining a date required a complex and often contentious cultural narrative In a style that is lucid fluent and graceful he investigates the pertinent systems including the Roman calendar which is still our calendar and its near perfect method of capturing the progress of natural time the annual rhythm of consular government the plotting of sacred time onto sacred space the forging of chronological links to the past and above all the experience of empire by which the Romans meshed the city state s concept of time with those of the foreigners they encountered to establish a new worldwide web of time Because this web of time was Greek before the Romans transformed it the book is also a remarkable study in the cross cultural interaction between the Greek and Roman worlds Feeney s skillful deployment of specialist material is engaging and accessible and ranges from details of the time schemes used by Greeks and Romans to accommodate the Romans unprecedented rise to world dominance to an edifying discussion of the fixed axis of B C A D or B C E C E and the supposedly objective dates implied He closely examines the most important of the ancient world s time divisions that between myth and history and concludes by demonstrating the impact of the reformed calendar on the way the Romans conceived of time s recurrence Feeney s achievement is nothing less than the reconstruction of the Roman conception of time which has the additional effect of transforming the way the way the reader inhabits and experiences time
