**Biblical-Theological Introduction to the New Testament** Michael J. Kruger, 2016-05-31 Introductions to the New Testament often take a defensive stance focusing on historical critical issues but failing to address the interests and needs of pastors and Bible teachers However with an emphasis on the theology key themes and overall message of each book in the New Testament this collaborative effort of nine biblical scholars takes a more positive and pastorally relevant approach Written from a distinctly Reformed covenantal and redemptive historical perspective this theologically rich expositional resource will equip readers to study and teach each book in the New Testament with clarity and insight A Foundation for Life And the Next Timothy Santos, 2018-02-08 The book is a topical commentary and Bible reference based on the Scriptures from the Old and New Testaments After the introduction the first section explains the Messiah's purpose and focuses on the foundations for salvation through the Messiah The second section focuses on emotional topics and how they affect your relationship with the Messiah The root of many emotional issues is caused by bitterness so the causes of bitterness and forgiveness are explained in simple terms easily understood by the reader and how they affect salvation Next the reader explores love compassion mercy pride and humility and how they affect their relationship with God Digging deeper into the emotional issues the reader learns God's definition for lust and purity of heart The next section deals with the intangible issues in the reader's life This includes faith sanctification repentance and the importance of total surrender to God The holy Spirit is explained in detail with an emphasis on His purpose for you Section four covers some of the symbolism in the Bible

and tries to help the reader see things from the cultural view of Jesus time The desire is to help the reader understand how symbolism points to salvation and the importance of events symbolically Section five covers almost all the parables of Jesus found in the Gospels The parables are grouped into broad categories including The Kingdom of God Service and Obedience Prayer Humility God s Love Jesus Return and God s Values The parables are explained in detail using the cultural setting of Jesus time Section six is a brief overview of biblical history and Israel s history The next section begins with a discussion about the rapture at Christ s second coming The various points of view are discussed Then the anti Christ and False Prophet are explained Revelation is covered extensively but not by analyzing the symbolism The first article is Don t fear the book of Revelation followed by Revelation The real Message These articles explain the purpose and message for Revelation and try to remove the fear factor that most people feel The final section is designed to challenge your thinking and bring you closer to God **Biblical Counsel** ,1993 *Making Christianity Work: Letters and Lessons on Leadership, Theology and the Church*

Carl Shank,2012-08-06 Insights shared by an author and church leadership consultant from letters emails and various mentoring situations involving many lay and professional ministry leaders over an almost forty year ministry span Sections include Feeling About God and Life Knowing God Better Faith and Culture On Church Health and Growth On Church Difficulties On Preaching and Teaching and On Theology **The Warning-Assurance Relationship in 1 Corinthians**

Andrew J. Wilson,2017-10-27 Paul s first letter to the Corinthians contains both emphatic warnings and strong statements of assurance and the relationship between them has often puzzled interpreters At times it sounds as if Paul is warning the Corinthians lest they forfeit their eschatological salvation at others it sounds like he is assuring them that they will not Attempts to harmonise the two stances have often ended up nullifying the warnings or the assurances or both In this fresh analysis of all the relevant texts Andrew J Wilson demonstrates that Paul s warnings and assurances stand in tension with each other and suggests that this tension is both coherent and in actual fact deliberate on Paul s part Discussions of perseverance and apostasy in Paul grace and works and the relationship between divine and human agency will all now need to reckon with this important contribution [A Lutheran's Case for Roman Catholicism](#) Robert C. Koons,2020-09-23 After thirty years of study and reflection Lutheran philosopher Robert Koons joined the Catholic Church in 2007 This book articulates his reasons for abandoning the church of his ancestors for the Roman communion reasons that centered on a deep and systematic re thinking of the central issue of the Reformation the Lutheran doctrine of justification by faith alone Koons draws on a broad knowledge of the Scriptures the Church Fathers and the most prominent theologians of the Lutheran movement from the time of the Reformation until the present including Luther Melancthon Chemnitz and Robert Preus Since Jesus clearly intended for the church to remain visibly united the burden of proof on any theological innovation is heavy and Koons demonstrates that the Lutheran doctrine was innovative and he argues relying on the best New Testament scholarship that the Bible passages cited by the Reformers do not support the innovative features of the Lutheran doctrine

Koons seeks to eliminate widespread misunderstandings of the Catholic doctrine of justification on the part of many Protestants emphasizing the christocentric character of that teaching Koons argues that in contrast the Lutheran doctrine is inconsistent He also points out serious logical problems with the principle of sola scriptura Covenant Theology Phillip D. R. Griffiths,2016-06-10 God has always dealt with his people through the covenant yet covenant theology from a Baptist perspective is a teaching that is all too often neglected Many Baptists don't know why they are Baptist If questioned they are most likely to respond by alluding to the mode of baptism rather than its underlying theology This book is easily accessible providing the reader with a clear understanding of the historical Baptist position The work points out the errors inherent in the Reformed paedobaptist paradigm and seeks to show that the only covenant of grace is the new covenant in Christ
