The End of History: Pentecostals and a Fresh Approach to the Apocalypse Robert P. Menzies, 2022-02-03 Many have grown tired of confusing interpretations of the book of Revelation which feature end time scenarios that either miss the mark or appear largely irrelevant to their lives A fresh approach is needed if we are to recapture the vitality of John's message and receive its desperately needed truths The End of History offers precisely this with its call for Pentecostals in general and the Assemblies

of God in particular to reassess doctrinal statements rooted in a dispensational premillennial perspective In their place Menzies offers eight eschatological essentials all of which flow from a careful reading of the Apocalypse that call us to face the future with purpose and hope

Evangelicals Engaging in Practical Theology Helen Morris, Helen Cameron, 2022-03-30 This book aims to introduce a distinctively evangelical voice to the discipline of practical theology Evangelicals have sometimes seen practical theology as primarily a liberal project This collection however actively engages with practical theology from an evangelical perspective both through discussion of the substantive issues and by providing examples of practical theology done by evangelicals in the classroom the church and beyond This volume brings together established and emerging voices to debate the growing role which practical theology is playing in evangelical and Pentecostal circles Chapters begin by addressing methodological concerns before moving into areas of practice Additionally there are four short papers from students who make use of practical theology to reflect upon their own practice Issues of authority and normativity are tackled head on in a way that will inform the debate both within and beyond evangelicalism This book will therefore be of keen interest to scholars of practical evangelical and Pentecostal theology

Rediscovering Paul David B. Capes, Rodney Reeves, E. Randolph Richards, 2017-11-21 For some of us the apostle Paul is intimidating prickly and unpredictable But maybe it s time to get to know Paul on his own terms Drawing on the best of contemporary scholarship and with language shaped by conversations with today s students this expanded edition of *Rediscovering Paul* gives fresh consideration to Paul s conversion call and his ongoing impact on church and culture

God is One Christopher R. Bruno, 2014-03-27 In discussions of Paul s letters much attention has been devoted to statements that closely identify Christ with Israel s God i e 1 Cor 8 6 However in Rom 3 30 and Gal 3 20 Paul uses the phrase God is one to link Israel s monotheistic confession and the inclusion of the Gentiles in the people of God Therefore this study traces the OT and early Jewish backgrounds of the phrase God is one and their possible links to Gentile inclusion Following this Christopher Bruno examines the two key Pauline texts that link the confession of God as one with the inclusion of the Gentiles Bruno observes a significant discontinuity between the consistent OT and Jewish interpretations of the phrase and Paul s use of God is one in relation to the Gentiles In the both the OT and early Jewish literature the phrase functions as a boundary marker of sorts distinguishing the covenant people and the Gentiles The key exception to this pattern is Zech 14 9 which anticipates the confession of God as one expanding to the nations Similarly in Romans and Galatians the phrase is not a boundary marker but rather grounds the unity of Jew and Gentile The context and arguments in Rom 3 30 and Gal 3 20 lead to the conclusion that Paul s monotheism must now be understood in light of the Christ event moreover Zech 14 9 may play a significant role in the link between Paul s eschatological monotheism and his argument for the inclusion of the Gentiles in Romans and Galatians

The Spirit at the Cross: Exploring a Cruciform Pneumatology Carolyn E. L. Tan, 2019-09-19 What was the Holy Spirit doing at the cross of Jesus Christ Jesus death and resurrection are central to God s reconciliation with humanity Does

the Holy Spirit's work pause between Gethsemane and the resurrection. What does the phrase "through the eternal Spirit" in Hebrews 9:14 mean? In this book, Tan examines the perspectives of John Vernon Taylor, Jürgen Moltmann, and John D. Zizioulas from whom three views of the Spirit's role at the cross are discerned: the Spirit as the bond of love between the Father and the Son; the Spirit as the Son's coworker, enabler, and power; and the Spirit as the unifier who unites humanity to the Son. In addition, Karl Barth provides the intriguing concept of the Spirit as divine Judge along with the Father and the Son, and specifically the one who carries out God's judgment in Jesus Christ, the Elect. Integrating these theological perspectives with an in-depth examination of the manuscript and exegetical and hermeneutical history of Hebrews 9:14, Tan offers another way of understanding the role of the Spirit at the cross: Christ as the Father's pneumatic crucible in whom sinful humanity is judged, destroyed, and reborn through the power of the Holy Spirit.

Carolyn Tan's investigation into the Holy Spirit's role in the cross of Christ is very important for a comprehensive *theologia crucis*. Jürgen Moltmann, Professor Emeritus of Systematic Theology at the University of Tübingen. [Creation Language in Romans 8](#) Gregory P. Fewster, 2013-04-04. Modern scholarship tends to understand Paul's use of creation language in Rom 8:18-23 as part of a commentary on the state of sub-human creation. This misguided position warrants an inquiry into the state of lexical study in New Testament scholarship. As a result, Fewster articulates a theory of lexical monosemy cast in the framework of Systemic Functional Linguistics. The model is applied to Paul's use of "through" through a robust corpus analysis and investigation into the word's role within the paragraph, contributing to the cohesive structure of Rom 8:18-23 and contra the majority of interpreters' functions as a metaphor for the human body.

Just Follow Jesus Billy Joseph Stines, 2019-12-18. Who were the men called by Jesus? Among the twelve disciples were two sets of brothers: Peter and Andrew, James and John, and a man named Matthew. If we were selecting individuals to follow Jesus, these men would have never been on our list. But Jesus saw something in them we could never see. Peter, Andrew, James, and John made their livelihood fishing in the Sea of Galilee; Matthew collected taxes for the hated Roman empire. Each was an average man just going about his daily business. But Jesus turned their lives upside down by calling to them, saying, "Follow me." Just as his call changed their lives, it can change your life too.

Billy Joseph Stines, who served almost forty years at six churches scattered around North and South Carolina, explores why you should listen to the call of Jesus. He also urges readers to stop dismissing those parts of the Bible that do not fit their idea of who God is. Instead of seeking peace through compromise, the goal must be to discover the truth: Jesus Christ.

[Beyond Four Walls](#) Michael D. O'Neil, 2020-08-12. The church today is in many places on the nose. For many people, it stinks. It has passed its use-by-date and should be relegated to the dustbins of history, and the sooner the better. Nevertheless, the contributors to this volume believe that the church, in spite of its somewhat checkered history and its many present failures, remains an integral part of God's redemptive purposes, being worked out in the world, and that God's call to the church is now what it has always been: to be the faithful people of God, bearing joy-filled witness to the resurrection of Jesus Christ in word, worship, and work in its corporate life and

in the lives of each of its members Each chapter in this book explores an aspect of what it means to be the church both with respect to its own life and with an eye to its presence and mission in the world **One of a Kind** Adam Sparks,2010-01-01

A fundamental requirement in an inclusivist understanding of the relationship between Christianity and other religions is evidence of God's salvific activity outside any knowledge of Christ This is commonly identified in the religion of Old Testament Israel On this basis an analogy the Israel analogy is drawn between the religion of the old covenant and contemporary non Christian religions Closely related is the parallel argument that as Christ has fulfilled the Old covenant he can also be seen as the fulfillment of other religious traditions and their scriptures This study outlines the use of the Israel analogy and the fulfillment model subjecting these concepts to a biblical and theological critique revealing that the exegetical and patristic data are misconstrued in support of these concepts Furthermore the Israel analogy and the fulfillment model undermine the sui generis relationship between the old and new covenants and fail to respect the organic progressive nature of salvation history They also misconstrue the old covenant and the nature of its fulfillment in the new covenant The Israel analogy and fulfillment model rely on a correspondence between the chronologically premessianic Israel and the epistemologically premessianic other religions and therefore consider the BC condition to continue today In so doing they undermine the significance of the Christ event by failing to appreciate the decisive effect of this event on history and the nature of existence It marks a radical turn in salvation history a crisis point rendering the BC period complete and fulfilled Therefore the concept of a continuing premessianic condition or state is seriously flawed as are the Israel analogy and fulfillment model Thus the inclusivist paradigm reliant in large part on these defective concepts is also problematic and proponents of this paradigm need to reconsider its basis *A Critical Examination of the Doctrine of Revelation in Evangelical Theology* Carisa A. Ash,2015-07-14

How God reveals himself is an important matter for Christians especially evangelicals For too long Carisa Ash contends evangelicals have rightly affirmed that God reveals through the created world but then they functionally neglect such revelation In this monograph Ash offers a corrective to this practice by presenting a theology of revelation that explores the commonalities between various forms of revelation world written and spoken word and Incarnate Word Particularly aimed at theologians interested in theological method Ash's study will also benefit people interested in faith and learning or interdisciplinary integration Ash argues that evangelicals must strive to align more closely their affirmations and their practice Her critique of current practices in theological method and integration along with the proposed theology of revelation are designed to help move the conversation forward **Critical Companion to the Bible** Martin H. Manser,2014-05-14

Presents selections of literary criticism devoted to the Bible **Perishable and Imperishable?** W. Tyler Sykora,2023-08-11

The purpose of this book is to re-examine Paul's list of building materials in 1 Cor 3:12 in order to propose that all of the materials should be understood as good and necessary for adequately building in Paul's construction metaphor 1 Cor 3:9-17 Contra the traditional interpretation which argues that the materials should be

broken into two groups of three namely three imperishable building materials gold silver and precious stones and three perishable building materials wood hay and stubble Paul s argument concerning the building materials listed in 1 Cor 3 12 is not focused on which materials one uses to build perishable or imperishable but rather how one builds i e quality construction with the materials church members one has This reading helps the church and its leaders understand that all the building materials church members are absolutely essential to building of the church It also emphasizes that leaders of the church must seek to build well with the folly of the gospel and not build their ministries upon themselves
