Harrison, 2020-06-22 Paul's letter to the Romans has a long history in Christian dogmatic battles But how might the letter have been heard by an audience in Neronian Rome James R Harrison answers that question through a reader response approach grounded in deep investigations of the material and ideological culture of the city from Augustus to Nero Inscriptional archaeological monumental and numismatic evidence in addition to a breadth of literary material allows him to describe the ideological value system of the Julio Claudian world which would have shaped the perceptions and expectations of Paul's readers Throughout Harrison sets prominent Pauline themes his obligation to Greeks and barbarians newness of life and of creation against the power of death the body of Christ boasting in glory and God's purpose in and for Israel in startling juxtaposition with Roman ideological themes The result is a richer and more complex understanding of the letter's argument and its possible significance for contemporary readers *Holy Gravity* Laura Jackson, 2023-07-03 Have you heard people say

Fearing God doesn't mean to be afraid of Him but to be in awe of Him and revere Him I have too But what if it's more than that And what if this fear can change our lives We are living in dark chaotic times where sin is raging in the world and our hearts Even many in churches who say they love God are fighting habitual sins What if our sin problem is a fear problem In my grief I searched Scripture asking the Lord for a deeper understanding of the fear of God He revealed a powerful point of clarification fearing God is not only a mindset but a way of life It's not just how we feel or what we think about God but how we respond visibly to His glory With Scripture as its foundation and authority Holy Gravity explores the connection between our sanctification and the fear of God God's people are to be set apart our greatest distinction from the world is our fear of God manifested in holy living Through a relationship with Jesus Christ God frees us from sin maturing us by the Holy Spirit in visible ways In this place of God focused fear we can offer the hope of Christ to the world and one another I pray you will find that God intends our fear of Him to transform our lives and make us holy Fear God and keep his commandments for this is the whole duty of man Ecclesiastes 12:13

Suffering in Romans Siu Fung Wu, 2016-02-25 Most of the Jesus followers in Rome would have been familiar with socioeconomic hardship Suffering was a daily reality either for themselves or for someone they knew Many lived below or just above subsistence level Some were slaves homeless or chronically sick Followers of Christ might

have experienced persecution because of their refusal to take part in the local religious festivals Suffering is of course a significant theme in Romans 5 1 11 and 8 17 18 39 Paul mentions various types of affliction many times in these texts How might Paul s audience have understood them In Suffering in Romans Siu Fung Wu argues that Paul speaks of the vocation of the Jesus followers to participate in Christ s suffering with the purpose that they may be glorified with him Indeed their identification with Christ s suffering is an integral part of God s project of transforming humanity and renewing creation It is in their faithful suffering that Christ followers participate in God s triumph over evil This is counter intuitive because most people think that victory is won by power and strength Yet the children of God partake in his cosmic victory by their suffering aided by the Spirit and the hope of glory

Romans: a Devotional Commentary Chris Tiegreen, 2025-08-05 With accessible expository commentary paired with inspirational devotional thought The See Series speaks to both the heart and mind unlocking a deeper understanding of the Bible often reserved for scholars and theologians The letter of Romans is not just a general statement of Christian beliefs It s a personal letter to believers struggling with real issues and still learning the implications of believing in the God of Israel Throughout this letter vital truths emerge including humanity s universal predicament the nature of the message of salvation by grace through faith the relationship between faith and works the death of our old life

and the gift of new life through the resurrection of Christ how this all fits in God's overall plans and what it all means for daily life. Read this letter for the depth and details but never lose sight of the breadth of the vision it presents. Written by beloved devotional writer and biblical scholar Chris Tiegreen, each book of The See Series does more than encourage us simply to know and then do; rather, it casts a vision for us to see, then to be, then to live. Like Jesus, who incorporated visual language into all his teaching, this series aims at refocusing our inner eye. If we can see what biblical writers saw and live according to that vision, we can be transformed. A valuable resource packed with insight, each commentary includes an introduction to the biblical book to aid your study, an introduction for each subsection of the book explaining its place and purpose in the text, the historical context or background of that section, and how it fits into the big picture vision of biblical truth. A series of devotionals on the text that further explain purpose and meaning, offer suggestions for practical application, and inspire and challenge you to re-envision, to learn to see in new ways, a discussion guide in the back to help you further reflect on the Scripture passages and to talk about them with others to expand your spiritual vision even more.

Romans Aaron Sherwood, 2020-12-02 Paul's majestic letter to the Romans has impacted generations of readers. Christians regularly turn to it as a foundation for doctrine, evangelism, and Christian living. However, individual verses are often pulled from their context or later doctrinal formulations are imported into the text. Are we truly following Paul's meaning? What if we reread Romans on its own terms with sensitivity to its flow and structure? Aaron Sherwood's Romans commentary keeps Paul's argument central. As we encounter the letter's message and theology, the forest is never lost for the trees. Reading Romans with rhetorical perception results in illuminating and sometimes surprising conclusions. Encounter afresh this majestic letter with Sherwood's insightful commentary.

Salt, Light, and a City, Second Edition Graham Joseph Hill, 2020-07-24 Jesus is calling his church to be a multiethnic and missional people who listen and learn from the many voices of world Christianity. Graham Joseph Hill issues a moving call for churches to be missional by being conformed to the image of Jesus Christ. Hill does this by exploring the thinking of twenty-five Asian, African, Latin American, Indigenous, African American, diaspora, Caribbean, Oceanian, Eastern European, and Middle Eastern pastors and theologians. These are as diverse as Melba Padilla, Maggay Emmanuel, Katongole Lamin, Sanneh Oscar, Muriu Ruth, Padilla DeBorst, Pope Francis, Richard Twiss, Lisa Sharon Harper, Willie James Jennings, Ada Mar, a Isasi, Daz Soong, Chan Rah, and Mitri Raheb. These voices show us the future of missional churches in world Christianity. When churches are conformed to Christ, they make disciples, heal a broken world, and witness to Jesus and his gospel. Jesus forms us in his image and moves us to be a people of shalom, humility, character, justice, peace, wisdom, prayer, beauty, and witness. The church has had a Reformation, but now it needs a Conformation. Hill explores biblical themes and the voices of world Christianity to show that a missional church is conformed to the image of the incarnate, crucified, resurrected, and glorified Christ. Conformity to Christ is

the heart of missional ecclesiology and discipleship *The Glory of the Atonement* Charles E. Hill, Frank A. James III, 2004-03-30 Editors Charles E Hill and Frank A James III bring together a group of evangelical biblical scholars and historical and systematic theologians to explore the doctrine of the atonement for a new millennium [Preaching Romans from Here](#) Lisa M. Bowens, Scot McKnight, Joseph B. Modica, 2023-12-20 Romans is the most influential New Testament book in the history of Christian theology it has shaped Christian theology how the gospel is framed and how the Christian life is understood Preaching Romans for many pastors is the climactic text for a preaching career There are perspectives e g reformed new apocalyptic participationist among others on Romans but not all of them are known by most and too many of them not known at all We want to help rectify this by giving voice to those who have been too often voiceless *Paul and Matthew Among Jews and Gentiles* Ronald Charles, 2020-12-10 Terence L Donaldson s scholarship in the field of New Testament studies is vital as he has pressed scholars to pay closer attention to the complex relations between early Christ followers who were mostly non Jews and the Jewish matrix from which the narrative of the Christian proclamation comes from This volume allows prominent New Testament scholars to engage Donaldson s contributions both to sharpen some of his conclusions and to honour him for his work These essays are located at the intersections of three bodies of literature Matthew Paul and Second Temple Jewish Literature and themes and questions that have been central to Donaldson s work Christian Judaism and the Parting of the Ways Gentiles in Judaism and early Christianity Anti Judaism in early Christianity With contributions ranging from remapping Paul within Jewish ideologies and Paul among friends and enemies to socio cultural readings of Matthew and construction of Christian Identity through stereotypes of the Scribes and Pharisees this book provides a multi scholar tribute to Donaldson s accomplishments *The Letters to the Colossians and to Philemon* Douglas J. Harrison, 2017-01-03 Paul s Language of Grace in Its Graeco Roman Context was originally published by Mohr Siebeck in 2003 and is now reprinted by Wipf and Stock with a new introduction by its author James R Harrison The book was the first major investigation of charis grace favor in its social political and religious context since G P Wetter s pioneering 1913 monograph on the topic Focusing on the evidence of the inscriptions papyri philosophers and Greek Jewish literature Harrison examined the operations of the eastern Mediterranean

benefaction system probing the dynamic of reciprocity between the beneficiary and benefactor whether human or divine Before Paul's converts were first exposed to the gospel they would have held a variety of beliefs regarding the beneficence of the gods The apostle therefore needed to tailor his language of grace as much to the theological and social concerns of the Mediterranean city states in his missionary outreach as to the variegated traditions of first century Judaism In terms of human grace although Paul endorses the reciprocity system he redefines its rationale in light of the gospel of grace and transforms its social expression in his house churches The explosion of grace language that occurs in 2 Corinthians 8 9 regarding the Jerusalem collection is unusual in its frequency in comparison to the honorific inscriptions underscoring the apostle's distinctive approach to giving Regarding divine beneficence Paul accommodates his gospel to contemporary benefaction idiom But he retains a distinctiveness of viewpoint regarding divine charis it is non cultic it is mediated through a dishonored and impoverished Benefactor it overturns the *do ut des* expectation I give so that you may give regarding divine blessing in antiquity Harrison's book still remains the authoritative coverage of the Graeco Roman context of charis The Student's New Testament Compilation, 1928 Themelios, Volume 41, Issue 3 D.
