Edwin Percy Whipple

Romantic South:

Faulkner's Media Romance Julian Murphet, 2017-07-13 This book treats William Faulkner's major fiction from *Flags in the Dust* through to *Absalom Absalom* to a searching reappraisal under the spotlight of a media historical inquiry. It proposes that Faulkner's inveterate attraction to the paradigms of romance was disciplined and masked by the recurrent use of metaphorical figures borrowed from the new media ecology. Faulkner dressed up his romance materials in the technological garb of radio, gramophone, photography and cinema along with the transportational networks of road and air that were being installed in the 1920s. His modernism emerges from a fraught but productive interplay between his anachronistic predilection for chivalric clichés and his extraordinarily knowledgeable interest in the most up to date media institutions and forms. Rather than see Faulkner as a divided author who worked for money in the magazines and studios while producing his serious fiction, in despite of their symbolic economies, this study demonstrates how profoundly his mature art was shot through with the figures and dynamics of the materials he publicly repudiated. The result is a richer and more nuanced understanding of the dialectics of his art. *The Romance of Authenticity* Jeff Karem, 2004 To what extent has the demand for a vicarious experience of other cultures fuelled the expectation that the most important task for writers is to capture and convey authentic cultural material? This text argues that authenticity is in fact a restrictive category of literary judgment.

Romantic Love in Cultural Contexts Victor Karandashev, 2016-12-24 This volume presents a conceptual, historical, anthropological and sociological review of how culture affects our experience and expression of romantic love. What is romantic love and how is it different from and similar to other kinds of love? How is romantic love related to sex and marriage in human history and across contemporary cultures? What cultural factors mediate attraction in love? These are some of the questions the volume explores through its interdisciplinary yet focused lens. Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people in various historical eras and in all the world's cultures. Yet love displays in different ways because culture has an impact on people's conceptions of love and the ways they feel, think and behave in romantic relationships. This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting edge research that has advanced the field. Divided into three parts, the volume begins by defining and analyzing the concept of romantic love and an interdisciplinary approach to its study in cultural context. Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history. Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world, focusing particularly on the development of romantic love as a cultural ideal of the modern cultures. Finally, the book concludes by summarizing the major achievements in this field of study and predicts future development. A timely and thoughtful addition to the literature, *Romantic Love in Cultural Contexts* delivers thought-provoking insights to researchers in relationship scholarship, sociology, anthropology and cultural studies and all those

interested in the universal human concept of love Overall I find Dr Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross cultural research and of anthropology In our increasingly connected world Romantic Love in Cultural Contexts updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures Romantic love encompasses the life span rather than being a phenomenon largely confined to youthful years The topic of this project concerns the deepest of our sentiments and pervades life from birth to death This book contributes to better knowledge of this phenomenon across generations Flix Neto Professor of Psychology Faculdade de Psicologia e de Ciências da Educação Universidade do Porto Portugal

A Literary History of Mississippi Lorie Watkins, 2017-05-31 With contributions by Ted Atkinson Robert Bray Patsy J Daniels David A Davis Taylor Hagood Lisa Hinrichsen Suzanne Marrs Greg O'Brien Ted Ownby Ed Piacentino Claude Pruitt Thomas J Richardson Donald M Shaffer Theresa M Towner Terrence T Tucker Daniel Cross Turner Lorie Watkins and Ellen Weinauer Mississippi is a study in contradictions One of the richest states when the Civil War began it emerged as possibly the poorest and remains so today Geographically diverse the state encompasses ten distinct landform regions As people traverse these they discover varying accents and divergent outlooks They find pockets of inexhaustible wealth within widespread grinding poverty Yet the most illiterate disadvantaged state has produced arguably the nation's richest literary legacy Why Mississippi What does it mean to write in a state of such extremes To write of racial and economic relations so contradictory and fraught as to defy any logic Willie Morris often quoted William Faulkner as saying To understand the world you must first understand a place like Mississippi What Faulkner or more likely Morris posits is that Mississippi is not separate from the world The country's fascination with Mississippi persists because the place embodies the very conflicts that plague the nation This volume examines indigenous literature Southwest humor slave narratives and the literature of the Civil War Essays on modern and contemporary writers and the state's changing role in southern studies look at more recent literary trends while essays on key individual authors offer more information on luminaries including Faulkner Eudora Welty Richard Wright Tennessee Williams and Margaret Walker Finally essays on autobiography poetry drama and history span the creative breadth of Mississippi's literature Written by literary scholars closely connected to the state the volume offers a history suitable for all readers interested in learning more about Mississippi's great literary tradition

Fighting over the Founders Andrew M Schocket, 2015-01-23 Explores how politicians screenwriters activists biographers jurists museum professionals and reenactors portray the American Revolution The American Revolution is all around us It is pictured as big as billboards and as small as postage stamps evoked in political campaigns and car advertising campaigns relived in museums and revised in computer games As the nation's founding moment the American Revolution serves as a source of powerful founding myths and remains the most accessible and most contested event in US history more than any other it stands as a proxy for how Americans perceive the nation's aspirations Americans increased fascination with the Revolution

over the past two decades represents more than interest in the past It s also a site to work out the present and the future What are we using the Revolution to debate In *Fighting over the Founders* Andrew M Schocket explores how politicians screenwriters activists biographers jurists museum professionals and reenactors portray the American Revolution Identifying competing essentialist and organicist interpretations of the American Revolution Schocket shows how today s memories of the American Revolution reveal Americans conflicted ideas about class about race and about gender as well as the nature of history itself *Fighting over the Founders* plumbs our views of the past and the present and illuminates our ideas of what United States means to its citizens in the new millennium **Chambers's Encyclopaedia** ,1868 **Singing Cowboys and Musical Mountaineers** Bill C. Malone,2003-08-01 In this slim lively book our foremost historian of country music recalls the lost worlds of pioneering fiddlers and pickers balladeers and yodelers As he looks at hillbilly music s pre commercial era and its early popular growth through radio and recordings Bill C Malone shows us that it was a product not only of the British Isles but of diverse African German Spanish French and Mexican influences *Islands Magazine* ,1996-05 **Essays and Reviews: Old English dramatists ; South's sermons ; Romance of rascality ; The croakers of society and literature ; British critics ; Rufus Choate ; Coleridge as a philosophical critic ; Prescott's histories ; Prescott's conquest of Peru ; Shakspeare's critics ; Richard Brinsley Sheridan ; Appendix** Edwin Percy Whipple,1849 *Islands Magazine* ,1997-03 **Where We Have Hope** Andrew Meldrum,2007-12-01 A journalist s harrowing account of life in Zimbabwe and the human rights atrocities perpetuated under President Robert Mugabe s despotic rule *Where We Have Hope* is the gripping memoir of a young American journalist In 1980 Andrew Meldrum arrived in a Zimbabwe flush with new independence and he fell in love with the country and its optimism But over the twenty years he lived there Meldrum watched as President Robert Mugabe consolidated power and the government evolved into despotism In May 2003 Meldrum the last foreign journalist still working in the dangerous and chaotic nation was illegally forced to leave his adopted home Meldrum s unflinching work describes the terror and intimidation Mugabe s government exercised on both the press and citizens and the resiliency of Zimbabweans determined to overturn Mugabe and demand the free society they were promised A remarkable odyssey A compelling and ultimately heartbreaking story that demands to be read by anyone concerned about contemporary Africa Kirkus Reviews starred review **The Romance of Polar Exploration** G. Firth Scott,1907 *The Unwritten War* Daniel Aaron,1987 In *The Unwritten War* Daniel Aaron examines the literary output of American writers major and minor who treated the Civil War in their works *Islands Magazine* ,2000-04 **Reverse Symbolism Dictionary** Steven Olderr,2022-10-11 The only dictionary of its kind this greatly expanded second edition lists objects concepts traits and situations ancient and modern and gives their appropriate symbols A companion to *Symbolism A Comprehensive Dictionary* 2012 this volume presents symbols and their referents in reverse association but is not simply a reconfiguring of information Examples a symbol for hell is descending stairs an attribute of Saint Benedict is a raven joy after

sorrow is signified by the gemstone amber Ethnic literary artistic religious heraldic numerological folkloric occult and psychological usages are included

Queer Chivalry Tison Pugh, 2013-12-09 For the U S South the myth of chivalric masculinity dominates the cultural and historical landscape Visions of white southern men as archetypes of honor and gentility run throughout regional narratives with little regard for the actions and at times the atrocities committed by such men In *Queer Chivalry* Tison Pugh exposes the inherent contradictions in these depictions of cavalier manhood investigating the foundations of southern gallantry as a reincarnated and reauthorized version of medieval masculinity Pugh argues that the idea of masculinity particularly as seen in works by prominent southern authors from Mark Twain to Ellen Gilchrist constitutes a cultural myth that queerly demarcates accepted norms of manliness often by displaying the impossibility of its achievement Beginning with Twain's famous critique of the Sir Walter disease that pilloried the South Pugh focuses on authors who questioned the code of chivalry by creating protagonists whose quests for personal knighthood prove quixotic Through detailed readings of major works including Twain's *A Connecticut Yankee in King Arthur's Court* Flannery O'Connor's short fiction John Kennedy Toole's *A Confederacy of Dunces* Robert Penn Warren's *A Place to Come To* Walker Percy's novels and Gilchrist's *The Annunciation* Pugh demonstrates that the hypermasculinity of white knight ideals only draws attention to the ambiguous gender of the literary southern male Employing insights from gender and psychoanalytic theory *Queer Chivalry* contributes to recent critical discussions of the cloaked anxieties about gender and sexuality in southern literature Ultimately Pugh uncovers queer limits in the cavalier mythos showing how facts and fictions contributed to the ideological formulation of the South

The Southern Case for School Segregation James Jackson Kilpatrick, 2023-11-09 In *The Southern Case for School Segregation* James Jackson Kilpatrick presents a controversial yet deeply engaging examination of the socio political landscape surrounding public education in the American South during the mid 20th century The book is marked by Kilpatrick's distinctive literary style characterized by a blend of rhetorical power and persuasive argumentation He articulates the reasons behind southern opposition to desegregation framing the issue within the larger context of states rights and cultural identity Through a meticulous analysis of legislative measures societal norms and individual narratives Kilpatrick seeks to justify the segregationist policies that dominated the era making a case for their perceived necessity in maintaining social order and tradition Kilpatrick a prominent southern journalist and columnist emerged from a region steeped in the complexities of race relations His upbringing and career in Virginia and his engagement with the political debates of the time undoubtedly shaped his perspective Operating in a climate of intense social change Kilpatrick's experiences provided him with a unique vantage point from which to advocate for segregation reflecting not just personal beliefs but also the prevailing attitudes of many Southern whites This book is essential for scholars and readers interested in understanding the intricate dynamics of race education and politics in the South Kilpatrick's unapologetic defense of segregation sparks critical discussions about the legacy of racism in America inviting readers to

grapple with the historical realities that continue to resonate today In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work s timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era s events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work s messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Forces in American Criticism Bernard Smith,1971

Gunfight at the Eco-Corral Robin L. Murray,Joseph K. Heumann,2012-10-01 Most film critics point to classic conflicts good versus evil right versus wrong civilization versus savagery as defining themes of the American Western In this provocative examination of Westerns from Tumbleweeds 1925 to Rango 2011 Robin L Murray and Joseph K Heumann argue for a more expansive view that moves beyond traditional conflicts to encompass environmental themes and struggles The environment after all is the fundamental stage for most western stories from land rush dramas that pit sod busters against ranchers to conflicts between mining town communities and corporations Because environmental issues lie at the forefront of so many conflicts today Murray and Heumann believe that the Western is ripe for such new examination Drawing on perspectives from both film studies and environmental history the authors show how western films frequently deal with issues related to land use and different ways of looking at the natural world In films as diverse as Gene Autry musicals early John Wayne B Westerns and revisionist critiques such as the 2010 remake of True Grit resources are exploited in the name of progress Beginning with an analysis of two iconic Westerns Shane and The Searchers Murray and Heumann identify the environmental dichotomies previously overlooked by critics that are broached in both films and they clarify the history that lies behind the environmental debates in these films and many others How do Westerns respond to the historical contexts they present And what do those responses suggest about American views of nature and its exploitation The conflicts these movies address grow out of differing views of progress frequently in relation to technology The authors

show that such binary oppositions tend to blur when examined closely demonstrating that environmental issues are often more complex than we realize

Romantic South Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has been evident than ever. They have the ability to inspire, provoke, and ignite change. Such is the essence of the book **Romantic South**, a literary masterpiece that delves deep into the significance of words and their effect on our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
