Staffordshire, Romantic Transfer Patterns Petra Williams, 1978 **Ceramics and Globalization** Neil Ewins, 2017-05-04 Neil Ewins study of the Staffordshire potteries in a period of great global change traces how ceramics production has been affected by globalisation in both familiar and unexpected ways Although many manufacturers such as Wedgwood initially moved production to cheaper labour markets in East Asia others remained in or returned to England once it became clear that outsourcing manufacturing was affecting the brand value and customer perception of their products Neil Ewins explores the complex behaviour of the UK ceramics industry using a combination of evidence from the press trade journals ceramic objects and primary interview evidence of manufacturers retailers and a ceramic designer Ewins suggests that although the surface designs of UK ceramics invariably reflect diverse cultural and stylistic influences a notion of authenticity often still resides in the place and context in which the ceramic product was originally made Overall the book argues that UK ceramics remain culturally complex because of issues of supply and demand and ties to heritage imagined or otherwise Within a context of globalization the book highlights compelling issues which have huge ramifications on UK manufacturing futures **Staffordshire II** Petra Williams, Marguerite R. Weber, 1986-03-01 **Romantic Moderns**

Byron's Romantic Politics Peter Cochran, 2011-08-08 Byron exists in two incompatible dimensions as fully documented history and as romantic myth Often the myth predominates describing him as a passionate lover a staunch friend a great romantic poet a champion of the working man a loyal author to his publisher and a fighter for democracy who sacrificed his life for the Freedom of Greece This book attempts to prove that the verifiable truth often proves him to be the opposite Using letters from Byron's family friends and associates which have never been transcribed collected and sequenced before Peter Cochran argues that the poet was an unscrupulous sponger on his relatives and friends that he harboured a horror at the idea of empowering the working man had no time for democracy and despised his publisher His

contempt for the Greeks is clear from everything he writes about them and his motives for going to Greece at the end of his life which Cochran analyses in more depth than they have ever been analysed before were a disturbing mixture of self indulgent fantasy and death wish Using large amounts of manuscript evidence Cochran further argues that almost all editions of Byron s writing do his style very poor service constituting not contributions to knowledge of him but additions to the obfuscating myth *Secrets and Scandals - an Historical Romance Collection* Emmanuelle de Maupassant,2025-06-14

(Lamia; a Romance, by T. Hood.)*. William JERDAN,1852 Joseph Conrad and the Swan Song of Romance Katherine Isobel Baxter,2018-02-06

In the first critical study wholly devoted to Joseph Conrad s use of techniques associated with the literary tradition of romance the author argues that Conrad s engagement with the genre invigorated his work throughout his career Exploring the ways in which Conrad borrows from alludes to and subverts the tropes of romance the author suggests that Conrad s ambivalent relationship with popular forms like the adventure novel is revealed in the way he uses romance conventions to disrupt narrative expectations and make visible ethical problems with Europe s colonial project The author examines not only familiar novels like *Lord Jim* but also less studied works such as *Romance* and *The Rover* using Robert Miles s model of the philosophical romance to show that for Conrad romance is also philosophically engaged with issues of ideology Her study enables a new appreciation of the ways in which Conrad continued to experiment even in his later fiction and of the ethical import of that aesthetic experimentation Some Impressions of My Elders St. John G. Ervine,2021-11-05 In *Some Impressions of My Elders* St John G Ervine delivers an incisive series of reflections on the complexities of human relationships and the nuanced interplay between generations The book is characterized by Ervine s astute observations and a conversational literary style that seamlessly blends personal anecdotes with broader societal critiques Set against the backdrop of early 20th century Irish culture this work serves as both a memoir and a social commentary providing readers with a window into the values struggles and aspirations that shaped the author s formative years St John G Ervine an influential figure in Irish literature was deeply immersed in the cultural and political dynamics of his time His upbringing in a working class family in Belfast provided him with unique insights into the lives of ordinary people while his extensive travels and engagements with literary circles enriched his perspective This diverse background informs the themes within *Some Impressions of My Elders* as Ervine navigates the rich tapestry of familial bonds and societal expectations that shaped his worldview For readers seeking a thoughtful exploration of intergenerational relationships enriched by wit and introspection *Some Impressions of My Elders* is a compelling choice Ervine s eloquent prose and perceptive insights invite readers to engage with their own familial histories making this book not only a reflection of the past but also a lens through which to understand the present **Warman's Antique and Collectibles Price Guide** Ellen Schroy,1998 Considered the definitive general price guide to antiques and collectibles this book contains more than 500 collecting categories with tens of thousands of updated price listings and hundreds of photos of the most popular antiques and collectibles
