Bonner,Estill Curtis Pennington,Charles Reagan Wilson,2013-01-14 From the Potomac to the Gulf artists were creating in the South even before it was recognized as a region The South has contributed to America's cultural heritage with works as diverse as Benjamin Henry Latrobe's architectural plans for the nation's Capitol the wares of the Newcomb Pottery and Richard Clague's tonalist Louisiana bayou scenes This comprehensive volume shows how through the decades and centuries the art of the South expanded from mimetic portraiture to sophisticated responses to national and international movements The essays treat historic and current trends in the visual arts and architecture major collections and institutions and biographies of artists themselves As leading experts on the region's artists and their work editors Judith H Bonner and Estill Curtis Pennington frame the volume's contributions with insightful overview essays on the visual arts and architecture in the American South **This is the U.S.A.** United States. Office of War Information,1944 World War I and Southern Modernism David A. Davis,2017-11-27 Winner of the 2018 Eudora Welty Prize When the United States entered World War I parts of the country had developed industries urban cultures and democratic political systems but the South lagged behind remaining an impoverished agriculture region Despite New South boosterism the culture of the early twentieth century South was comparatively artistically arid Yet southern writers dominated the literary marketplace by the 1920s and 1930s World War I brought southerners into contact with modernity before the South fully modernized This shortfall created an inherent tension between the region's existing agricultural social structure and the processes of modernization leading to distal modernism a form of writing that combines elements of modernism to depict non modern social structures Critics have struggled to formulate explanations for the eruption of modern southern literature sometimes called the Southern Renaissance Pinpointing World War I as the catalyst David A Davis argues southern modernism was not a self generating outburst of writing but a response to the disruptions modernity generated in the region In World War I and Southern Modernism Davis examines dozens of works of literature by writers including William Faulkner Ellen Glasgow and Claude McKay that depict the South during the war Topics explored in the book include contact between the North and the South southerners who served in combat and the developing southern economy Davis also provides a new lens for this argument taking a closer look at African Americans in the military and changing gender roles Russia Philip Longworth,2024-06-04 Through the centuries Russia has swung sharply between successful expansionism catastrophic collapse and spectacular recovery This illuminating history traces these dramatic cycles of boom and bust from the late Neolithic age to Ivan the Terrible and from the height of Communism to the truncated Russia of today Philip Longworth explores the dynamics of Russia's past through time and space from the nameless adventurers who first penetrated this vast inhospitable terrain to a

cast of dynamic characters that includes Ivan the Terrible Catherine the Great and Stalin His narrative takes in the magnificent historic cities of Kiev Moscow and St Petersburg it stretches to Alaska in the east to the Black Sea and the Ottoman Empire to the south to the Baltic in the west and to Archangel and the Arctic Ocean to the north Who are the Russians and what is the source of their imperialistic culture Why was Russia so driven to colonize and conquer From Kievan Rus the first ever Russian state which collapsed with the invasion of the Mongols in the thirteenth century to ruthless Muscovy the Russian Empire of the eighteenth century and finally the Soviet period this groundbreaking study analyses the growth and dissolution of each vast empire as it gives way to the next Refreshing in its insight and drawing on a vast range of scholarship this book also explicitly addresses the question of what the future holds for Russia and her neighbors and asks whether her sphere of influence is growing     *The Georgia Review* ,1956     **Master Slave Husband Wife** Ilyon Woo,2024-01-16 Presents the remarkable true story of Ellen and William Craft who escaped slavery through daring determination and disguise with Ellen passing as a wealthy disabled white man and William posing as his slave
