face the future with people who will continually be telling her how badly her mother had behaved and she therefore goes to London and visits an employment agency As she is so lovely and so young it seems unlikely that there will be anything to suit her However the Marquis of Halaton has been desperately trying to find someone who could repair the curtains in his famous Elizabethan house and Lola who has been taught by her mother becomes his embroideress How the Marquis who has invented a special electrical engine for trains persuades Lola into pretending to be his wife in order to overcome a tricky situation with an Italian financier How she travels by train to Italy with the Marquis how she is kidnapped and held to ransom by Macedonian partisans and how she finds the sublime love that her father and mother had for each other is all told in this intriguing romantic tale by BARBARA CARTLAND The Bürger and Brighton Leonora, Or Romance Versus Railway I. W. Warre Tyndale,1849 *The Trains Now Departed* Michael Williams,2015-05-07 SOMETIMES you come across a lofty railway viaduct marooned in the middle of a remote country landscape Or a crumbling platform from some once bustling junction buried under the buddleia If you are lucky you might be able to follow some rusting tracks or explore an old tunnel leading to well who knows where Listen hard Is that the wind in the undergrowth Or the spectre of a train from a golden era of the past panting up the embankment These are the ghosts of The Trains Now Departed They are the railway lines and services that ran on them that have disappeared and gone forever Our lost legacy includes lines prematurely axed often with a gripping and colourful tale of their own as well as marvels of locomotive engineering sent to the scrapyards and grand termini felled by the wrecker's ball Then there are the lost delights of train travel such as haute cuisine in the dining car the grand expresses with their evocative names and continental boat trains to romantic far off places The Trains Now Departed tells the stories of some of the most fascinating lost trains of Britain vividly evoking the glories of a bygone age In his personal odyssey around Britain Michael Williams tells the tales of the pioneers who built the tracks the yarns of the men and women who operated them and the colourful trains that ran on them It is a journey into the soul of our railways summoning up a magic which although mired in time is fortunately not lost for ever THIS EDITION REVISED AND UPDATED TO INCLUDE MAPS Our Indian Railway Roopa Srinivasan,Manish Tiwari,Sandeep Silas,2006 This book commemorates 150 years of railways in India Introduced under colonial rule in the second half of the nineteenth century the railways soon embraced the length and breadth of India bringing with it rapid political economic ecological and cultural changes The articles in this book explore the impact of this technological phenomenon from a range of interdisciplinary perspectives From early railway thinking in renaissance Bengal to railway policing in Uttar Pradesh and issues of management to railway themes in literature the writers in this volume reveal the world of the railways in all its exciting facets The photo essay invokes the nostalgic world of steam with a series of evocative images In the twenty first century the ever expanding horizon of the railways continues to draw in people and goods in the third largest railway network in the world RAIL ROMANCE KRUPA SAGAR SAHOO,2018-03-05 This book depicts the Indian Railways part and parcel of the life of every Indian The first

part is a curious housefly's account of its journey on the Coromandel Express Eager to see the world beyond its habitat the fly sees many different places and people before the train is halted in the face of a super cyclone What happens to the passengers How do different people react in the face of disaster Does anybody come to their aid Can they resume their journey The second part is a collection of fascinating threads interwoven into a beguiling narrative Why did the daughter of a Station Master vanish from the colony one fine morning How a Station Master is tormented by a cobra's presence in his quarters Why a tea stall contractor invites the wrath of a Commercial Officer What happened to the coolie apprehended during a security drive Does the rodent elimination drive end in success or disaster Does the future son in law of G M Sahib get special treatment from the Railway staff How an old lady and a newly married girl display similar emotions when confronted by their spouses What happened to the family stuck in traffic congestion do they make their train The author a retired Railway Officer brings out the joys and woes victories and failures of both railway main and rail users in a delightfully humorous style The eventful journey on the Coromandel Express and the other stories about railway life are bound to keep readers happily engaged to the very last page

Railways of Brazil in Postcards and Souvenir Albums João Emilio Gerodetti,2005 *Nilgiri Mountain Railway (NMR)* V.M. Govind Krishnan,2018-03-01 This book is a tribute to the relentless campaign by railway enthusiasts and the public of the Nilgiri Hills to keep the beautiful engineering marvel in running condition Their untiring effort continues to this day and it is largely due to this that the unique railway was recognized as a World Heritage Site by UNESCO on July 15 2005 This is a rare compilation of published materials on NMR analyzed and written in eloquent English which will interest anyone who likes the NMR or people's initiatives to propel such actions to save the unique lifeline from oblivion The book serves as an almanac on Nilgiri Mountain Railway NMR with the events chronologically arranged to depict the true picture and more so the public opinion which helped to thwart the Government's moves to close the line The New Indian Express

The Science of Railways Marshall Monroe Kirkman,1904 [Train Tracks](#) Gayle Letherby,Gillian Reynolds,2020-08-25 This book provides an in depth exploration of trains and train travel Letherby and Reynolds have conducted extensive research with all those concerned with trains from leisure travelers and enthusiasts to railway workers and commuters Overturning conventional wisdom they show that the train has a social life in and of itself and is not simply a way to get from A to B The book also looks at the depiction of train travel through cultural media such as music films books and art The authors consider the personal politics of train travel and political discussion surrounding the railways as well as the relationship trains have to leisure and work The media often paints a gloomy picture of the railways and there is a general view that the romance of train travel ended with the steam locomotive Letherby and Reynolds show that this is far from the case
