Love Story Between Texas and Anywhere S. R. Okulom,2010-03 Love Story between Texas and Anywhere is a real life collection of extraordinary and often erotic love letters between an older man and a young businesswoman The two were connected by a friend finder agency and the connection was immediate The correspondence took place nearly 20 years ago Yet to the author his feelings of excitement romance and intimacy are still fresh The letters tell the story of a wonderful love affair filled with dreams fantasies deep feelings and intense passion Unfortunately their love was not meant to be After what seemed like a lifetime of writing back and forth the man was heartbroken when his lady s letters came to an abrupt halt without explanation This book is the author s personal monument to the woman who stole his heart over two decades ago This collection of letters radiates all the love and warmth that drove the couple to share their innermost thoughts and fantasies with each other *Real Love* Homer M Sargent,2016-01-11 This is a Romeo and Juliet West Side love story set in the South A story of forbidden love between black and white In the early 1970s the color of a person s skin was the first and most recognizable physical characteristic of an individual living in the Deep South and it was understood in the society that black and white did not mix How this young couple managed to survive the explosive racist emotions of those violent days is a tale that must be told You cannot miss this Indeed these two young people never really expected to live to see this story to conclusion What is truly amazing is the single fact that they managed to survive The bullets missed their mark The knives went awry And the gangs could not discourage this warrior on a mission of love It is a critical examination of American life and society in Texas This is an inspiring tale This story chronicles the history of how two people in love came to be together and stay together against all odds The raw emotions of love are exposed as these two young people journeyed through triumphs and tragedies There was violent opposition at every turn It was a test of will and fortitude It is also a comedy that can only be appreciated now in this day and age It s a tale of overcoming the odds and winning Moreover we are the richer for it for now we have this amazing story This story is truly unbelievable and yet it happened **Stories from Texas** W.F.
