with sincerity With deep historical perspective and a brilliant contemporary spin R Jay Magill Jr tells the beguiling tale of sincerity s theological past its current emotional resonance and the deep impact it has had on the Western soul At a time when politicians are scrutinized less for the truth of what they say than for how much they really mean it Sincerity provides a wide ranging examination of a moral ideal that remains a strange magnetic north in our secular moral compass **The**

Hebrew Bible, Nationalism and the Origins of Anti-Judaism David Aberbach,2022-10-31 In the attempts to unify divided peoples on the basis of a shared past both historical and mythical this book illumines aspects of cultural nationalism common since the Middle Ages As an edited work the Bible includes texts mostly depicting long gone historical eras extending over several centuries Following on from Aberbach s previous work National Poetry Empires and War this book argues that works of this nature notably the Mujo Halil songs in Albania the Irish stories of Cuchulain the songs of the Nibelungen in Germany or the Finnish legends collected in The Kalevala have an ancient precedent in the Hebrew Bible to which national literatures often allude and refer a subject largely neglected in biblical studies The self critical element in the Hebrew Bible common in later national literature is examined as the basis of later anti Semitism as the Bible was not confined to Jews but was adopted in translation by many other national groups With several dozen original translations from the Hebrew this book highlights how the Bible influenced and was distorted by later national cultures Written without jargon this book is intended for the general reader but is also an important contribution to the study of the Bible nationalism and Jewish history **Auguste**
