Romantics And Renegades The Poetics Of Political Reaction:

Romantics and Renegades C. Mahoney, 2002-11-15 *Romantics and Renegades* examines the abiding crux of romantic criticism the political apostasies of the Lake poets Wordsworth Coleridge and Southey as they renounced the revolutionary Jacobinism of their youth in the 1790s in order to claim the high ground of Regency Toryism in the 1810s Central to this scandal is the figure of William Hazlitt the literary critic who policed their betrayals in his vigilant exposure of their political and poetical inconsistencies Mahoney's analysis provides new insight into this abiding critical riddle through close historical and figural readings of the rhetoric of romantic apostasy *Romantic Genius and the Literary Magazine* David Higgins, 2007-05-07 In early nineteenth century Britain there was unprecedented interest in the subject of genius as well as in the personalities and private lives of creative artists This was also a period in which literary magazines were powerful arbiters of taste helping to shape the ideological consciousness of their middle class readers *Romantic Genius and the Literary Magazine* considers how these magazines debated the nature of genius and how and why they constructed particular creative artists as geniuses Romantic writers often imagined genius to be a force that transcended the realms of politics and economics David Higgins however shows in this text that representations of genius played an important role in ideological and commercial conflicts within early nineteenth century literary culture Furthermore *Romantic Genius and the Literary Magazine* bridges the gap between Romantic and Victorian literary history by considering the ways in which Romanticism was understood and sometimes challenged by writers in the 1830s It not only discusses a wide range of canonical and non canonical authors but also examines the various structures in which these authors had to operate making it an interesting and important book for anyone working on Romantic literature *British Jacobin Politics, Desires, and Aftermaths* James Epstein, David Karr, 2021-01-31 This book explores the hopes desires and imagined futures that characterized British radicalism in the 1790s and the resurfacing of this sense of possibility in the following decades The articulation of Jacobin sentiments reflected the emotional investments of men and women inspired by the French Revolution and committed to political transformation The authors emphasize the performative aspects of political culture and the spaces in which mobilization and expression occurred including the club room tavern coffeehouse street outdoor meeting theater chapel courtroom prison and convict ship America imagined as a site of republican citizenship and New South Wales experienced as a space of political exile widened the scope of radical dreaming Part 1 focuses on the political culture forged under the shifting influence of the French Revolution Part 2 explores the afterlives of British Jacobinism in the year 1817 in early Chartist memorialization of the Scottish martyrs of 1794 and in the writings of E P Thompson The relationship between popular radicals and the Romantics is a theme pursued in several chapters a dialogue is sustained across the disciplinary boundaries of British history and literary studies The volume captures the revolutionary decade's effervescent yearning and its unruly persistence in later years *William Wordsworth, Second-Generation Romantic* Jeffrey Cox, 2021-05-20 William

Wordsworth Second Generation Romantic provides a truly comprehensive reading of late Wordsworth and the full arc of his career from 1814-1840 revealing that his major poems after Waterloo contest poetic and political issues with his younger contemporaries Keats Shelley and Byron Refuting conventional models of influence where Wordsworth fathers the younger poets Cox demonstrates how Wordsworth's later writing evolved in response to second generation romanticism After exploring the ways in which his younger contemporaries rewrote his *Excursion* this volume examines how Wordsworth's Thanksgiving Ode enters into a complex conversation with Leigh Hunt and Byron how the delayed publication of Peter Bell could be read as a reaction to the Byronic hero how the older poet's River Duddon sonnets respond to Shelley's Mont Blanc and how his later volumes particularly *Memorials of a Tour in Italy* 1837 engage in a complicated erasure of poets who both followed and predeceased him

Romanticism and Celebrity Culture, 1750-1850 Tom Mole, 2009-05-14 An interdisciplinary collection of essays exploring how our modern idea of celebrity was created in the 18th and 19th centuries

William Hazlitt Kevin Gilmartin, 2015 William Hazlitt is regarded as the finest prose stylist of the English Romantic period by virtue of his work as an essayist metaphysician and a critic of literature and the fine arts William Hazlitt Political Essayist makes the case for including politics in this achievement

Spain in British Romanticism Diego Saglia, Ian Haywood, 2017-12-27 This collection of thirteen specially commissioned essays by international scholars takes a fresh look at the profound impact of the Peninsular War on Romantic British literature and culture The expertly authored chapters explore the valorization of Spain by nineteenth century poets such as Lord Byron William Wordsworth Robert Southey S T Coleridge the Shelleys and Felicia Hemans in contrast to the Enlightenment era view of Spain as a backwards nation in decline Topics discussed include the vision of Spain in Gothic fiction Spanish experiences of exile as exemplified by the conflict between Valentin de Llanos and Joseph Blanco White and British women writers approach to peninsular fiction *Spain in British Romanticism 1800-1840* is essential reading for scholars and enthusiasts of Romantic literature and Spanish history

Literary History Writing, 1770-1820 April London, 2015-12-04 This investigation of literary history writing between 1770 and 1820 identifies the mode's distinction from canon formation as central to its cultural vitality Using secret history memoir and the novel amongst other sources it invites a rethinking of literary history's place in late eighteenth and early nineteenth century print culture

The Romantic Literary Lecture in Britain Sarah Zimmerman, 2019-01-04 At the beginning of the nineteenth century the literary lecture arrived on London's cultural scene as an influential critical medium and popular social event It flourished for two decades in the hands of the period's most prominent lecturers Samuel Taylor Coleridge John Thelwall Thomas Campbell and William Hazlitt Lecturers aimed to shape auditors reading habits burnish their own professional profiles and establish a literary canon Auditors wielded their own considerable influence since their sustained approbation was necessary to a lecturer's success and independent series could collapse midway if attendance waned Two chapters are therefore devoted to the auditors whose creative responses to what they heard often constituted cultural works in their own right Auditors wrote

poems and letters about lecture performances acted as patrons to lecturers and hosted dinners and conversation parties that followed these events Prominent auditors included John Keats Mary Russell Mitford Henry Crabb Robinson Catherine Maria Fanshawe and Lady Charlotte Bury The Romantic public literary lecture is a fascinating cultural phenomenon in its own right but understanding the medium has significant implications for some of the period s most important literary criticism such as Coleridge s readings of Shakespeare and Hazlitt s Lectures on the English Poets 1818 The book s two main aims are to chart the emergence of the literary lecture as a popular medium and to develop a critical approach to these events by drawing on an interdisciplinary discussion about how to treat historical speaking performances

Romantic Literary Families

S. Krawczyk, 2009-07-20 The late eighteenth century witnessed the emergence of the literary family a collaborative kinship network of family and friends that by the end of the century displayed characteristics of a nascent corporation This book examines different models of collaboration within English literary families during the period 1760 1820 Beginning with the sibling model of Anna Barbauld and John Aikin and concluding with the intergenerational model presented by the Godwins and the Shelleys this study traces the conflict and cooperation that developed within and among literary families as they sought to leave their legacies on the English world of letters

Romantic Feuds

Kim Wheatley, 2016-04-08 Romantic writers such as Robert Southey and Samuel Taylor Coleridge aspired to rise above the so called age of personality a new culture of politicized print gossip and personal attacks Nevertheless Southey Coleridge and other Romantic era figures such as Leigh Hunt William Hazlitt Sydney Owenson and the explorer John Ross became enmeshed in lively feuds with the major periodicals of the day the Edinburgh Review and the Quarterly Review Kim Wheatley focuses on feuds from the second and third decades of the nineteenth century suggesting that by this time the vituperative rhetoric of the Edinburgh and the Quarterly had developed into what Coleridge called a habit of malignity Attending to the formal strategies of the reviewers surprisingly creative prose she traces how her chosen feuds take on lives of their own branching off into other print media including the weekly press and monthly magazines Ultimately Wheatley shows these hostile exchanges incorporated literary genres and Romantic themes such as the idealized poetic self the power of the supernatural and the quest for the sublime By turning episodes of print warfare into stories of transfiguration the feuds thus unexpectedly contributed to the emergence of Romanticism

The Cambridge Companion to English Literature, 1740-1830

Thomas Keymer, Tom Keymer, Jon Mee, 2004-06-17 This volume offers an introduction to British literature that challenges the traditional divide between eighteenth century and Romantic studies Contributors explore the development of literary genres and modes through a period of rapid change They show how literature was shaped by historical factors including the development of the book trade the rise of literary criticism and the expansion of commercial society and empire The wide scope of the collection juxtaposing canonical authors with those now gaining new attention from scholars makes it essential reading for students of eighteenth century literature and Romanticism

Romanticism and Popular Magic

Stephanie Elizabeth

Churms,2019-01-16 This book explores how Romanticism was shaped by practices of popular magic It seeks to identify the place of occult activity and culture in the form of curses spells future telling charms and protective talismans in everyday life together with the ways in which such practice figures and is refigured in literary and political discourse at a time of revolutionary upheaval What emerges is a new perspective on literature s material contexts in the 1790s from the rhetorical linguistic and visual jugglery of the revolution controversy to John Thelwall s occult turn during a period of autobiographical self reinvention at the end of the decade From Wordsworth s deployment of popular magic as a socially and politically emancipatory agent in Lyrical Ballads to Coleridge s anxious engagement with superstition as a despotic system of mental enslavement and Robert Southey s wrestling with an increasingly alluring conservatism he associated with a reliance on ultimately incarcerating systems of superstition The Oxford Handbook of Samuel Taylor Coleridge Frederick

Burwick,2012-02-24 A practical and comprehensive reference work the Oxford Handbook provides the best single volume source of original scholarship on all aspects of Coleridge s diverse writings Thirty seven chapters bringing together the wisdom of experts from across the world present an authoritative in depth and up to date assessment of a major author of British Romanticism The book is divided into sections on Biography Prose Works Poetic Works Sources and Influences and Reception The Coleridge scholar today has ready access to a range of materials previously available only in library archives on both sides of the Atlantic The Bollingen edition of the Collected Works of Samuel Taylor Coleridge forty years in production was completed in 2002 The Coleridge Notebooks 1957 2002 were also produced during this same period five volumes of text with an additional five companion volumes of notes The Clarendon Press of Oxford published the letters in six volumes 1956 1971 To take full advantage of the convenient access and new insight provided by these volumes the Oxford Handbook examines the entire range and complexity of Coleridge s career It analyzes the many aspects of Coleridge s literary critical philosophical and theological pursuits and it furnishes both students and advanced scholars with the proper tools for assimilating and illuminating Coleridge s rich and varied accomplishments as well as offering an authoritative guide to the most up to date thinking about his achievements *Writing against Revolution* Kevin Gilmartin,2007-01-11

Conservative culture in the Romantic period should not be understood merely as an effort to preserve the old regime in Britain against the threat of revolution Instead conservative thinkers and writers aimed to transform British culture and society to achieve a stable future in contrast to the destructive upheavals taking place in France Kevin Gilmartin explores the literary forms of counterrevolutionary expression in Britain showing that while conservative movements were often inclined to treat print culture as a dangerously unstable and even subversive field a whole range of print forms ballads tales dialogues novels critical reviews became central tools in the counterrevolutionary campaign Beginning with the pamphlet campaigns of the loyalist Association movement and the Cheap Repository in the 1790s Gilmartin analyses the role of periodical reviews and anti Jacobin fiction in the campaign against revolution and closes with a fresh account of the conservative careers of

Robert Southey and Samuel Taylor Coleridge **Radical Contra-Diction** Björn Bosserhoff, 2016-05-11 Samuel Taylor Coleridge is chiefly remembered as the Romantic poet who wrote *The Ancient Mariner* and *Kubla Khan* as Wordsworth's collaborator on the *Lyrical Ballads* as the myriad minded philosopher who introduced his countrymen to the thought of Kant as one of the foremost critics of Shakespeare and as a supremely gifted conversationalist who put a spell on any visitor to his Highgate home In his own day however Coleridge was most notorious for his political apostasy With the Revolution across the Channel once celebrated as the harbinger of a new age deteriorating into the terreur and the Pitt ministry desperately trying to contain revolutionary activities on British soil public intellectuals were compelled to take sides As it turned out the choices they made during the 1790s would haunt them well into the 1810s This first book length study of Coleridge's reactions to the French Revolution examines his trajectory from radical to conservative and challenges the very notion that these labels can be applied to him Particular focus is given to the part his friend Robert Southey played in Coleridge's political coming of age as well as to William Hazlitt's role as his relentless prosecutor in later life As such the book offers an accessible portrayal of the first generation Romantics and their political sensibilities **Romantic Fiat** E. Lindstrom, 2011-03-01 In the Romantic period's economics of fiat money the legacy of romanticism involves absolutist gestures of verbal fiat Focused on William Wordsworth but in constant range of his poet successors and modern critics *Romantic Fiat* presents an argument for a double romantic signature of let there be and let be [The New Cambridge Companion to Coleridge](#) Tim Fulford, 2022-11-24 This new collection enables students and general readers to appreciate Coleridge's renewed relevance 250 years after his birth An indispensable guide to his writing for twenty first century readers it contains new perspectives that reframe his work in relation to slavery race war post traumatic stress disorder and ecological crisis Through detailed engagement with Coleridge's pioneering poetry the reader is invited to explore fundamental questions on themes ranging from nature and trauma to gender and sexuality Essays by leading Coleridge scholars analyse and render accessible his extraordinarily innovative thinking about dreams psychoanalysis genius and symbolism Coleridge is often a direct and gripping writer yet he is also elusive and diverse This Companion's great achievement is to offer a one volume entry point into his incomparably rich and varied world **Talking Revolution** Franca Dellarosa, 2014 This study sheds light on a major and until now little studied Liverpool writer Edward Rushton 1782-1814 whose politics and poetics were imbued in the most pressing events and debates shaking the world during the Age of Revolution *Written on the Water* Samuel Baker, 2010-07-08 The very word culture has traditionally evoked the land But when such writers as William Wordsworth Samuel Taylor Coleridge Lord Byron and later Matthew Arnold developed what would become the idea of modern culture they modeled that idea on Britain's imperial command of the sea Instead of locating the culture idea's beginnings in the dynamic between the country and the city Samuel Baker insists on taking into account the significance of water for that idea's development For the Romantics figures of the island the deluge and the

sundering tide often convey the insularity of cultures understood to stand apart from the whole yet Baker writes the sea also stands in their poetry of culture as a reminder of the broader sphere of circulation in which the poet's work if not the poet's subject inheres Although other books treat the history of the idea of culture none synthesizes that history with the literary history of maritime empire *Written on the Water* tracks an uncanny interrelationship between ocean imagery and culturalist rhetoric of culture forward from the late Augustans to the mid Victorians In so doing it analyzes Wordsworth's pronounced ambivalence toward the sea Coleridge's sojourn as an imperial functionary in Malta Byron's cosmopolitan seafaring tales and Arnold's dual identity as poet of water and prose arbiter of culture It also considers Romanticism's classical inheritance arguing that the Lake Poets dissolved into the idea of culture the Virgilian system of pastoral georgic and epic modes of literature and life This compelling new study will engage any reader interested in the intellectual and literary history of Britain and the lived experience of British Romanticism

Romantics And Renegades The Poetics Of Political Reaction Introduction

In the digital age, access to information has become easier than ever before. The ability to download *Romantics And Renegades The Poetics Of Political Reaction* has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download *Romantics And Renegades The Poetics Of Political Reaction* has opened up a world of possibilities. Downloading *Romantics And Renegades The Poetics Of Political Reaction* provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading *Romantics And Renegades The Poetics Of Political Reaction* has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download *Romantics And Renegades The Poetics Of Political Reaction*. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading *Romantics And Renegades The Poetics Of Political Reaction*. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading *Romantics And Renegades The Poetics Of Political Reaction*, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download *Romantics And Renegades The Poetics Of Political Reaction* has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers,

free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Romantics And Renegades The Poetics Of Political Reaction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Romantics And Renegades The Poetics Of Political Reaction is one of the best book in our library for free trial. We provide copy of Romantics And Renegades The Poetics Of Political Reaction in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Romantics And Renegades The Poetics Of Political Reaction. Where to download Romantics And Renegades The Poetics Of Political Reaction online for free? Are you looking for Romantics And Renegades The Poetics Of Political Reaction PDF? This is definitely going to save you time and cash in something you should think about.
