# Romany I Povesti Puteshestvia

**Christine Rydel**

## **Romany I Povesti Puteshestvia:**

*Zvezda nad Bulon'iu* : romany, povesti, rasskazy, kniga stranstvii t. 4. *Puteshestvie Gleba* : avtobiograficheskai tetralogiia Boris Zaitsev, 1999      **Waiting for Pushkin** Alessandra Tosi, 2006-01-01 Waiting for Pushkin provides the only modern history of Russian fiction in the early nineteenth century to appear in over thirty years Prose fiction has a more prominent position in the literature of Russia than in that of any other great country Although nineteenth century fiction in particular occupies a privileged place in Russian and world literature alike the early stages of this development have so far been overlooked By combining a broad historical survey with close textual analysis the book provides a unique overview of a key phase in Russian literary history Drawing on a wide range of sources including rare editions and literary journals Alessandra Tosi reconstructs the literary activities occurring at the time introduces neglected but fascinating narratives many of which have never been studied before and demonstrates the long term influence of this body of works on the ensuing golden age of the Russian novel Waiting for Pushkin provides an indispensable source for scholars and students of nineteenth century Russian fiction The volume is also relevant to those interested in women s writing comparative studies and Russian literature in general      National Union Catalog ,1980 Includes entries for maps and atlases      Povesti. Puteshestvie v Arzum. 1938 Aleksandr Sergeevich Pushkin, 1935      *National Union Catalog, 1980* ,1981      **Russian Prose Writers Between the World Wars** Christine Rydel, 2003 In an era of political economic and social conflict the opposition between ideas and actions characterizes the literary atmosphere in Russia between the world wars Writers during this period were drawn to tradition or progress individual freedom or collective responsibility free imaginations or tendentious templates creativity or conformity energy or entropy      **Writers at Work** Mary A. Nicholas, 2010 The cost of constructing Envy Iurii Olesha and the Soviet production novel How she worked on Hydrocentral Marietta Shaginian and the changing Soviet author Building Novye Vaiuki Ilf and Petrov map the production novel Re constructing the production novel Boris Pilniak Mahogany and The Volga Falls to the Caspian Sea Finding space in Time forward Kataev and writers at work Deconstructing Soviet work Andrei Platonov and the end of the production novel      Monthly List of Russian Accessions ,1949      *The Development of Russian Verse* Michael Wachtel, 1998 The Development of Russian Verse explores the Russian verse tradition from Pushkin to Brodsky showing how certain formal features are associated with certain genres and at times specific themes Michael Wachtel s basic thesis is that form is never neutral poets can react positively in terms of stylization and development or negatively in terms of parody or revision to the work of their predecessors but they cannot ignore it Keeping technical terms to a minimum and providing English translations of quotations Wachtel offers close readings of individual poems of more than fifty poets He aims to help English speaking readers reconstruct the strong sense of continuity that Russian poets have always felt transcending any individual age or ideology Ultimately his 1999 book is an inquiry into the nature of literary tradition itself and how it coalesces in a country that has always taken so much of its identity from its written legacy      **The**

**National Union Catalogs, 1963-** ,1964      **The Social Organization of the Gilyak** Lev I. A. Kovlevich Shternberg,1999 In this first English edition anthropologist Bruce Grant builds a fresh analysis of Shternberg s classic study by adding a Foreword examining Shternberg s work and life new glossaries a Shternberg time line maps expository footnotes archival notes and an interview with one of Shternberg s former students **BOOK JACKET**      **Subject Catalog** Library of Congress,1980      *Subject Catalog, 1980* Library of Congress,1980      *The ^AImperial Trace* Nancy Condee,2009-04-08 The collapse of the USSR seemed to spell the end of the empire yet it by no means marked the end of Russia s enduring imperial preoccupations extending over four and a half centuries since the reign of Ivan IV Is there such a thing as an imperial trace in Russia s contemporary culture Condee argues that we cannot make sense of contemporary Russian culture without accounting for its imperial legacy and mapping out the terms of such an analysis She turns to the instance of contemporary cinema to focus this line of inquiry Within film and implicitly other cultural fields as well do we limit our accounting to narrative evidence Chechen wars at the periphery historical costume dramas of court life or could an imperial trace be sought in other more embedded ways in the manner and structure or representation the conditions of productions the recurrent preoccupations of its leading filmmakers the ways in which collective belonging is figured or disfigured This book organizes these questions around the work of Russia s internationally ranked auteurs of the late Soviet and post Soviet period Kira Muratova Vadim Abdrashitov Nikita Mikhalkov Aleksei German and Aleksandr Sokurov      *Evgeniï Onegin. Romany i povesti. Puteshestvie v Arzrum* Aleksandr Sergeevich Pushkin,1974      **Library of Congress Catalogs** Library of Congress,1981      *Monthly Index of Russian Accessions* Library of Congress. Processing Department,1969      **Monthly Index of Russian Accessions** ,1962      **Taboo Pushkin** Alyssa Dinega Gillespie,2012-07-24 Since his death in 1837 Alexander Pushkin often called the father of Russian literature has become a timeless embodiment of Russian national identity adopted for diverse ideological purposes and reinvented anew as a cultural icon in each historical era tsarist Soviet and post Soviet His elevation to mythic status however has led to the celebration of some of his writings and the shunning of others Throughout the history of Pushkin studies certain topics texts and interpretations have remained officially off limits in Russia taboos as prevalent in today s Russia as ever before The essays in this bold and authoritative volume use new approaches overlooked archival materials and fresh interpretations to investigate aspects of Pushkin s biography and artistic legacy that have previously been suppressed or neglected Taken together the contributors strive to create a more fully realized Pushkin and demonstrate how potent a challenge the unofficial taboo alternative Pushkin has proven to be across the centuries for the Russian literary and political establishments      *The Oxford Handbook of the Russian Novel* Julie A. Buckler,Justin Weir,2025 The Oxford Handbook of the Russian Novel brings together top specialists in Russian literature to treat the Russian novel from the late 18th to the 21st century using a range of interpretive perspectives The Russian novel is a distinctive tradition by virtue of its formal eccentricities as well as the boldness with which these works approached the

most complex philosophical political and moral questions This Handbook treats well known works and authors but also explores the much broader tradition of the Russian novel up to the present The essays in the Handbook provide cultural and historical perspectives on the Russian novel as well as showcasing emergent modes of analysis including postcolonialism ecocriticism and posthumanism
