The Red Badge of Courage Stephen Crane, 2004. Following its initial appearance in serial form, Stephen Crane's *The Red Badge of Courage* was published as a complete work in 1895 and quickly became the benchmark for modern anti-war literature. Although the exact battle is never identified, Crane based this story of a soldier's experiences during the American Civil War on the 1863 Battle of Chancellorsville. Many veterans, both Union and Confederate, praised the book's accurate representation of war, and critics consider its stylistic strength the mark of a literary classic. This Prestwick House Literary Touchstone Edition includes a little-known section entitled *The Veteran*, which depicts Henry Fleming as an old man discussing his experiences in the Civil War with his grandson. Additionally, a glossary and reader's notes are provided to help the reader understand the language of 19th-century America.
