Last Act Craig Shirley, 2015-10-13 His name in American politics is more cited than any other president Both the Republican and Democratic parties are radically different today mainly as a result of Ronald Reagan and the force of his ideas No twentieth century president shaped the American political landscape so profoundly Craig Shirley s Last Act is the important final chapter in the life of Reagan that no one has thus far covered It s the kind of book that widens our understanding of American history and of the presidency and the men who occupied it To tell Reagan s story Craig has secured the complete exclusive and enthusiastic support of the Reagan Foundation and Library and spent considerable time there reviewing sealed files and confidential information Cast in a grand and compelling narrative style Last Act contains interesting and heretofore untold anecdotes about Reagan Mrs Reagan their pleasure at retirement the onslaught of the awful Alzheimer s and how he and Mrs Reagan dealt with the diagnosis the slow demise the extensive plans for a state funeral the outpouring from the nation which stunned the political establishment the Reagan legacy and how his shadow looms more and more over the Republican Party Washington the culture of America and the world

The Republican Brain Chris Mooney, 2012-03-27 Bestselling author Chris Mooney uses cutting edge research to explain the psychology behind why today s Republicans reject reality it s just part of who they are From climate change to evolution the rejection of mainstream science among Republicans is growing as

is the denial of expert consensus on the economy American history foreign policy and much more Why won t Republicans accept things that most experts agree on Why are they constantly fighting against the facts Science writer Chris Mooney explores brain scans polls and psychology experiments to explain why conservatives today believe more wrong things appear more likely than Democrats to oppose new ideas and less likely to change their beliefs in the face of new facts and sometimes respond to compelling evidence by doubling down on their current beliefs Goes beyond the standard claims about ignorance or corporate malfeasance to discover the real scientific reasons why Republicans reject the widely accepted findings of mainstream science economics and history as well as many undeniable policy facts e g there were no death panels in the health care bill Explains that the political parties reflect personality traits and psychological needs with Republicans more wedded to certainty Democrats to novelty and this is the root of our divide over reality Written by the author of *The Republican War on Science* which was the first and still the most influential book to look at conservative rejection of scientific evidence But the rejection of science is just the beginning Certain to spark discussion and debate *The Republican Brain* also promises to add to the lengthy list of persuasive scientific findings that Republicans reject and deny **CIS Annual** ,2005 **Memorial Addresses and Tributes in Honor of Thomas P.
