Nonfiction Readers , 15371:TFK: NonFiction Readers:Fluent Plus:Teacher's Resource Guide Chandra Prough,2012-01-30 [Start Exploring Nonfiction Reading in Mathematics](#) , **Read It To Me Now!** Hilary Minns,1997-05-16 What do young children from different cultural backgrounds learn about reading and writing before they come to school How can schools work with parents to incorporate children s pre school literacy learning into policies for the development of literacy What strategies can early years teachers use to support young children s understanding of the reading process Read It To Me Now charts the emergent literacy learning of five four year old children from different cultural backgrounds in their crucial move from home to school and demonstrates how children s early understanding of reading and writing is learnt socially and culturally within their family and community Drawing the children s stories together Hilary Minns discusses the role of the school in recognizing and developing children s literacy learning including that of emergent bilingual learners and in developing genuine home school links with families This edition of Read It To Me Now makes reference to current texts that take knowledge and ideas of children s literacy learning further and includes discussion of the literacy requirements of the National Curriculum

Teachers Sourcebook for Extensive Reading George Jacobs,Thomas S.C. Farrell,2012-08-01 The best way for students to learn to read and to come to love reading is surprise surprise by reading in quantity Unfortunately many of today s students read far too little This lack of time spent reading is particularly unfortunate as reading constitutes a bedrock skill essential in all subject areas Thus we teachers need to devote curriculum time to not only teaching students how to read but also to encouraging them to read extensively This is what Extensive Reading is all about Teachers Sourcebook for Extensive Reading provides hundreds of teacher tested ideas on how to do Extensive Reading The book begins with an introduction to the what and the why of Extensive Reading Thereafter the book consists of three parts Part 1 discusses finding materials for Extensive Reading Part 2 offers ideas for motivating students to read and for activities that students might do after they read or while they are reading including cooperative learning activities Part 3 looks at how teachers can serve as advocates for Extensive Reading Among the book s distinctive features are breaks for reflection first person accounts from teachers and ideas for doing Action Research and other forms of teacher investigation and research on Extensive Reading We hope that you will find the Teachers Sourcebook for Extensive Reading to be a practical book but also informed by theory and research We also hope this book will make a difference for your students in their test scores and even more in their attitude toward reading now and in the future

Narratives of (Dis)Engagement Amanda L. Folk,Tracey Overbey,2022-08-09 Librarianship is still a predominantly white profession It is essential that current practitioners as well as those about to enter the field take an unflinching look at the profession s legacy of racial discrimination including the ways in which race might impact service to users such as

students in school public and academic libraries Given the prevalence of implicit and explicit bias against Black and African American people authors Folk and Overbey argue that we must speak to these students directly to hear their stories and thereby understand their experiences This Special Report shares the findings of a qualitative research study that explored the library experiences of Black and African American undergraduate students both before and during college grounding it within an equity framework From this Report readers will learn details about the study which focused on the potential role of race in the students interactions with library staff including white staff and staff of color gain insight into Black and African American users perceptions of libraries and library staff attitudes towards reading frequency of library usage and the importance of family understand the implications of the study s findings for our practice and for librarianship more broadly including our ongoing commitment to diversifying the profession and walk away with recommendations that can be applied to every library and educational context such as guidance for developing an antiracist organization and more equitable service provision
