Roots Of All The City's Lamps Fall 2002:

History of Shock Waves, Explosions and Impact Peter O. K. Krehl, 2008-09-24 This unique and encyclopedic reference work describes the evolution of the physics of modern shock wave and detonation from the earlier and classical percussion. The history of this complex process is first reviewed in a general survey. Subsequently the subject is treated in more detail and the book is richly illustrated in the form of a picture gallery. This book is ideal for everyone professionally interested in shock wave phenomena.

New Lights in the Valley Tennant S. McWilliams, 2007-08-16 A scholarly narrative of The University of Alabama at Birmingham from its nascent beginnings through the mid 1990s.

Modern Polygamy and Mormon Fundamentalism Brian C. Hales, 2006-01-01 2007 Best Book Award John Whitmer Historical Association Under the subject of alternative lifestyles the issue of polygamous relationships falls squarely in the middle of the debate. Polygamous marriages are a common practice in many other countries but the United States has vehemently opposed such unions and will no doubt find itself disputing its position on them again in the near future. As with the same sex marriage issue a firestorm of controversy surrounds the question since the right to participate in a polygamous union is very much tied to the right to live out one's preferences religious or not. Detailed accounts of sexual abuse and child brides are frequently leaked from the various polygamous societies notwithstanding their extreme efforts to remain under the radar of law enforcement and the press. A by-product of these mysterious societies is that public interest is vitalized by their continuous efforts to gain independence from traditionalist culture. This fascinating study seeks to trace the historical tapestry that is early Mormon polygamy details the official discontinuation of the practice by the Church and for the first time describes the many zeal-driven organizations that arose in the wake of that decision. Among the polygamous groups discussed are the LeBaronites whose blood atonement killings sent fear throughout Mormon communities in the late seventies and the eighties the FLDS Church which made news recently over its construction of a compound and temple in Texas and Warren Jeffs' arrest and conviction and the Allred and Kingston groups two major factions with substantial membership statistics both in and out of the United States. All these fascinating histories along with those of the smaller independent groups are examined and explained in a way that all can appreciate.

Revelation, Resistance, and Mormon Polygamy Merina Smith, 2013-08-15 In *Revelation Resistance and Mormon Polygamy* historian Merina Smith explores the introduction of polygamy in Nauvoo a development that unfolded amid scandal and resistance. Smith considers the ideological historical and even psychological elements of the process and captures the emotional and cultural detail of this exciting and volatile period in Mormon history. She illuminates the mystery of early adherents' acceptance of such a radical form of marriage in light of their dedication to the accepted monogamous marriage patterns of their day. When Joseph Smith began to reveal and teach the doctrine of plural marriage in 1841 even stalwart members like Brigham Young were shocked and confused. In this thoughtful study Smith argues that the secret introduction of plural marriage among the leadership coincided with an evolving public theology.

that provided a contextualizing religious narrative that persuaded believers to accept the principle This fresh interpretation draws from diaries letters newspapers and other primary sources and is especially effective in its use of family narratives It will be of great interest not only to scholars and the general public interested in Mormon history but in American history religion gender and sexuality and the history of marriage and families

A Saint in the City Allen F. Roberts, Mary Nooter Roberts, Gassia Armenian, Ousmane Guèye, 2003 *A Saint in the City* examines the elaborate visual culture of the Mourides a Senegalese Sufi movement based upon the mystical teachings of Sheikh Amadou Bamba 1953 1927 In the boldly visual city of Dakar images abound despite the fact that Senegal is largely a Muslim country Vibrant street murals calligraphy and calligrams didactic posters drawings that protect and heal advertising images colourful clothing Web sites intricate glass paintings and innovative architecture all attest to the transformative potency that expressive culture has for Mourides One image is ubiquitous throughout urban Senegal the portrait of Sheikh Amadou Bamba based upon a colonial photograph from 1913 Sacred images work for Mourides and as Bamba is a saint Wali Allah or Friend of God in Arabic his portrait actively conveys powerful blessings called baraka that help people to address everyday difficulties challenges and goals The Mouride Way is observed by over four million Senegalese and thousands more around the globe including increasing numbers of African Americans and others converting to this most African of Islamic paths Amadou Bamba's pacifism dignity and self reliance as well as his emphasis on the sanctity of work offer a view of Islam quite different from those currently suggested by Western media Indeed *A Saint in the City* reminds us that there are many faces of Islam in Africa and throughout the world It also assists readers to reconsider misconceptions concerning the prohibition of images in Islam in light of the explosion of visual culture derived from a single photograph of Sheikh Amadou Bamba *A Saint in the City* grows from a decade of interdisciplinary research and focuses upon nine contemporary artists who base their works upon the spiritual teachings of Amadou Bamba regardless of their particular backgrounds training or styles The book boldly transgresses the boundaries normally enforced between local and global fine and popular arts gallery and streets historical and contemporary circumstances An emphasis upon Mouride artists own voices further decenters the narrative Allen F Roberts is professor of world arts and cultures and director of the James S Coleman African Studies Center at UCLA Mary Nooter Roberts is deputy director and chief curator of the UCLA Fowler Museum of Cultural History

Striking a Light Louise Raw,2011-03-10 In July 1888 fourteen hundred women and girls employed by the matchmakers Bryant and May walked out of their East End factory and into the history books Louise Raw gives us a challenging new interpretation of events proving that the women themselves not celebrity socialists like Annie Besant began it She provides unequivocal evidence to show that the matchwomen greatly influenced the Dock Strike of 1889 which until now was thought to be the key event of new unionism and repositions them as the mothers of the modern labour movement Returning to the stories of the women themselves and by interviewing their relatives today Raw is able to construct a new history which challenges existing accounts of the strike itself and radically alters the accepted history of the labour movement in Britain
