reason espoused by philosophers such as Voltaire was rooted in Christian ethics and spirituality The final chapters explore similar themes in the era of Darwin and Marx showing how moral revolt preceded and transcended the challenges of evolution and scientific materialism in the unseating of religious belief The picture that emerges is not of a secular challenge to religious faith but a series of theological insurrections against divisive accounts of Christian orthodoxy

Webster,2015-02-06 The God Who Kneels is a meditative journey in John 13 The Apostle John opens the door and invites us into the upper room to relive the words and actions of Jesus He writes us into the scene and gives us a seat at the table On Thursday night Jesus gave his

followers two simple object lessons during the evening meal He washed their feet and he broke bread These two enduring acts go a long way in defining the mission of God and the body of Christ They merge real hospitality and deep sacrament The towel and the basin and the bread and the cup signify the essence of Jesus's kingdom strategy The disciples missed the meaning of Jesus's message the first time around Like them we need a fresh experience of the upper room to grasp the Savior's humility and glory Less than twenty four hours before the crucifixion Jesus offered his disciples a vivid parable of the atonement and a true picture of discipleship This forty day Lenten series is a close reading of the biblical text revealing the significance of the God who kneels for today's discipleship      Reading Heresy Gregory Erickson, Bernard
