France In this first of three books inspired by the life of Josephine Bonaparte Sandra Gulland has created a novel of immense and magical proportions We meet Josephine in the exotic and lush Martinico where an old island woman predicts that one day she will be queen The journey from the remote village of her birth to the height of European elegance is long but Josephine s fortune proves to be true By way of fictionalized diary entries we traverse her early years as she marries her one true love bears his children and is left betrayed widowed and penniless It is Josephine s extraordinary charm cunning and will to survive that catapults her to the heart of society where she meets Napoleon whose destiny will prove to be irrevocably intertwined with hers Josephine Carolly Erickson,2024-09-04 An intimate richly detailed and candid portrait a mastery of period manners more often found in the best historical fiction Kirkus Reviews Josephine Tascher de la Pagerie born a Creole on the island of Martinique in the French West Indies became one of the best known and most envied women who ever lived Sent to France to make an advantageous marriage to a young aristocrat her naivete and lack of education left her ill prepared to deal with the sophisticated if decadent world of pre Revolutionary Paris Treated cruelly by her shallow young husband her life had become a nightmare during the Terror in which she was imprisoned and almost lost her life It was during this period that she honed the skills of manipulation and seduction that would lead her from the dungeons of the terror into the beds of the post Revolutionary powerbrokers including the Corsican corporal who would conquer Europe As the wife of Napoleon Bonaparte Josephine was assumed to be a worthy consort for her astounding husband a woman as beautiful wise and altogether remarkable as he was charismatic brilliant and invincible in battle Yet the truth was much darker For the eight year marriage between Josephine and Napoleon had long been corroded by infidelity and abuse Far from the love match previous biographers have described author Carolly Erickson s Napoleon and Josephine were the ultimate pragmatists drawn together by political necessity A fascinating portrait of an immensely complex and ultimately tragic woman Carolly Erikson tells this story with all the flair it deserves Exquisite writing Houston Chronicle Foreign Economic Trends and Their Implications for the United States ,1975 *Library of Congress Subject Headings* Library of Congress.
