Rose And The Nightingale Dragonflies:

I Talk to Dragonflies Hilda Nightingale, 2008-09 With Teaching Kids the Fun Way you can teach kids and entertain them at the same time This book uses pre written skits to help teach kids how to handle everyday situations The fun part is that the kids actually perform the skits This allows them to be more involved in the learning experience Following each skit there are some questions to stimulate discussion about the topic After the group discussion the instructor can give some tips on the proper way to deal with the situation You can also add biblical principles to support your answer Teaching Kids the Fun Way is a great way to allow kids of all ages to express themselves It allows them to use their imagination and helps them to develop acting skills In addition it introduces them to public speaking at an early age while at the same time teaching simple things like common courtesy This book can be used in schools churches camps by youth leaders and anywhere you want to teach kids and have fun doing it The Dragon's Bard Melody Tiamat, 2004 Red Sky, Red Dragonfly John
