Roses at Dawn Rolf A F Witzsche,2004-04-15 A Science Fiction novel with a love story where the brightness of sex and romance casts long shadows into the sphere of marriage This novel is the second episode of the eight part series The Lodging for the Rose by Rolf A F Witzsche The series challenges the limits of fantasy in exploring the potential for universal love in a search for freedom An honest response in this sphere can lead to scary experiences when the unfolding love becomes blocked and the romance becomes an impasse The impasse unfolds in a world that has not moved for thousands of years except on the political front that has become worse Science meets the challenges with a paradox that puts a person onto a higher plane than the one in which the problems are rooted The seemingly insurmountable is then simply left behind When this happens a new sunrise begins that can t actually be avoided Its imperative is a universal principle that cannot be hindered once it begins to unfold just like the daily sunrise cannot be held back
