Daily Life in 1990s America Richard A. Schwartz, 2024-09-05 With the end of the Cold War the invention of the World Wide Web the widespread availability to cellphones and personal computers and remarkable advances in space exploration the 1990s introduced a new era in human history During that decade the United States experienced changes that previous generations never imagined the abrupt collapse of worldwide communism the ability of ordinary Americans to connect with individuals and organizations throughout the world via the internet and the initiation and near completion of the Human Genome Project that led to unprecedented advances in human health These and other developments changed Americans lives forever This volume in the Daily Life through History series examines how the cultural trends of the 1990s revolutionized the way people were able to teach and learn conduct business express themselves and interact with one another The book goes on to explore the evolution in long held attitudes about the proper roles for women in society sex sexuality and the concept of family to include other kinds of relationships childless marriages single parent and mixed families and LGBTQ relationships New trends in fashion and music from grunge to hip hop culture also had a powerful impact on how some Americans presented themselves while others rejected these cultural shifts and clung fervently and sometimes violently to traditional values and worldviews Daily Life in 1990s America enables

readers to better understand the significance complexities and enduring influence of this era defining period in American history

Taming Your Alpha Bitch Christy Whitman, Rebecca Grado, 2012-01-31 In many areas women have earned the equality we've been fighting for We've broken through glass ceilings and achieved great success We've shown that we can prosper by our own means And we've become influential respected leaders Yet many of us find ourselves unhappy anxious overwhelmed Where's the pot of gold at the end of our rainbow I can do it just like a man The problem is that while we can be as successful as a man we don't get there through a masculine approach Being a damsel in distress is not the way to make your dreams come true but neither is being the hyper aggressive Alpha Bitch In this New York Times bestselling book transformation leaders Christy Whitman and Rebecca Grado reveal how when women try to claim power through a forceful take no prisoners approach it ultimately works against us and undermines our best efforts to create the life of our dreams In fact wielding Alpha Bitch force is ironically disempowering because it introduces conflict struggle and competition into our personal and professional relationships blocking women from creating the life we desire How do you change from being a controlling competitive and disruptive Alpha Bitch to being an Empowered Female who is allowing collaborative and balanced Enter the Laws of the Universe The Law of Attraction The Law of Allowing The Law of Pure Potentiality The Law of Oneness The Law of Balance and Harmony The Law of Sufficiency and Abundance Taming the Alpha Bitch will show you how to use these laws to create freedom joy and abundance in your life By using this knowledge you put yourself in the ideal position for attracting those things you want with ease and effortlessness not struggle and pain
