Rossettis Brothers The Brotherhood:

William and Lucy Angela Thirlwell, 2003-01-01 The marriage of William Michael Rossetti 1829 1919 and Lucy Madox Brown 1843 1894 united two of the most resonant Pre Raphaelite family names Their passionate and ultimately tragic relationship described here for the first time provides a fresh perspective on nineteenth century marriage and on the private lives of eminent Victorians Sibling of Dante Gabriel and Christina Rossetti William was one of the original Pre Raphaelite Brothers a Bohemian radical author poet critic artist connoisseur biographer historian and taxman Lucy the intense intellectual daughter of Ford Madox Brown was an ambitious artist and biographer of Mary Shelley in spite of struggling with tuberculosis for nearly a decade Drawing on hundreds of previously unpublished sources and a wealth of new visual material including art by William Lucy and others of their circle and striking contemporary photographs the book follows William and Lucy through their separate professional careers marriage continental travels and Lucy s illness and death At the crossover between art history literary criticism social history and biography the book rewrites Pre Raphaelite history and brings to life two fascinating people who were both of their time and ahead of it *Beauty and the Beast* ,2020-10-12 1994 marked the centenary of the deaths of Walter Pater Christina Rossetti and Robert Louis Stevenson and *Beauty and the Beast* is largely devoted to an exploration of aspects of their lives and their writings and the role they played in the development of British literature Both individually and as a group these writers offer interesting opportunities to investigate a distinctive ambivalence in the literature of the last three decades of the nineteenth century Thus we may observe how Pater as the founder of Aestheticism in British literature addressed the Victorian dilemma how to live in Marius the Epicurean how Rossetti s poetry expresses both spiritual and erotic tendencies while Stevenson s *The Strange Case of Dr Jekyll and Mr Hyde* is perhaps the epitome of the fin de si cle tension between good and evil beauty and beast Yet the scope of this book also includes an examination of the relationships between these three authors and their contemporaries and of their setting on the British Isles as well as on the Continent Thus George Moore makes his appearance next to Anton Chekhov Arthur Schnitzler Oscar Wilde Alain Fournier and Louis Couperus The various discussions of these French German Russian Italian Irish and Dutch connections in this book reflect the international setting of the European fin de si cle as a background against which the theme of *Beauty and the Beast* is discussed Contributors are Wim Tigges C C Barfoot Jan Marsh Valeria Tinkler Villani Amanda Gilroy Peter van de Kamp Billie Andrew Inman Laurel Brake Peter Costello Ans Kabel Douglas S Mack Tim Youngs Neil Cornwell Sjef Houppermans Jacques B H Alblas John Stokes Susan de Sola Rodstein [Art in an Age of Civil Struggle, 1848-1871](#) Albert Boime, 2008-09-15 From the European revolutions of 1848 through the Italian independence movement the American Civil War and the French Commune the era Albert Boime explores in this fourth volume of his epic series was in a word transformative The period which gave rise to such luminaries as Karl Marx and Charles Darwin was also characterized by civic upheaval quantum leaps in science and technology and the increasing secularization of intellectual

pursuits and ordinary life In a sweeping narrative that adds critical depth to a key epoch in modern art s history *Art in an Age of Civil Struggle* shows how this turbulent social environment served as an incubator for the mid nineteenth century s most important artists and writers Tracing the various movements of realism through the major metropolitan centers of Europe and America Boime strikingly evokes the milieus that shaped the lives and works of Gustave Courbet Edouard Manet mile Zola Honor Daumier Walt Whitman Abraham Lincoln and the earliest photographers among countless others In doing so he spearheads a powerful new way of reassessing how art emerges from the welter of cultural and political events and the artist s struggle to interpret his surroundings Boime supports this multifaceted approach with a wealth of illustrations and written sources that demonstrate the intimate links between visual culture and social change Culminating at the transition to impressionism *Art in an Age of Civil Struggle* makes historical sense of a movement that paved the way for avant garde aesthetics and more broadly of how a particular style emerges at a particular moment

[The Routledge Handbook of Victorian Rebels](#) Brenda Ayres,2025-02-19 Although history records that the British nineteenth century was obsessed with order conventionality and conformity there were many Victorians from all walks of life across lines of class race and gender who resisted social mores and sometimes the laws themselves in a variety of ways and to varying degrees Some expressed dissension through music art literature and social protest Others were more subtle like manipulative wives who gained what they wanted while seemingly remaining docile and submissive Some rebellion fermented into social and political movements The revolt of still others was extremely executed by serial killers criminals and suicides Contemporary readers can learn from these rebels and discern what values and ways that were uniquely Victorian should be retained and those that should be rejected after having observed their outcomes To that end this collection of essays offers a study for both novice and expert on Victorian rebels

The Achievement of Christina Rossetti David A. Kent,2019-05-15 Bringing to bear a variety of perspectives on the poetry prose and letters of a writer whose work is just now beginning to emerge from critical neglect this collection edited by David A Kent should play an important role in the re evaluation of Christina Rossetti It consists of fifteen essays by gifted Victorian scholars who represent a wide range of methodologies and critical concerns and it offers alternatives to the autobiographical approach that has limited appreciation of Rossetti the writer

The Real Oscar Wilde Laura Brennan,2025-09-30 Ireland s celebrated poet and playwright led a brilliant yet scandalous life that shaped his enduring literary and personal legacy Born to over achieving parents during the conservative and bourgeois Victorian period in 1854 Oscar Fingal O Flahertie Wills Wilde would become one of Ireland s finest poets and playwrights The moulding of the real Oscar Wilde was shaped by his formative years education and experiences but he would continue to evolve and change as a poet aesthete a playwright political thinker essayist husband father lover and even while he was prisoner He was a complex and sometimes contradictory man and was in many ways ahead of the times in which he lived in His professional successes including *The Picture of Dorian Gray* *The Importance of*

Being Ernest and A Woman of No Importance to name but a few are some of the most quoted works in modern times But it is his personal life and the Victorian scandal that he caused in 1895 that Wilde is most remembered for today Just after his second son was born Wilde started to explore his sexuality This new personal liberation and happiness would lead to meeting Lord Alfred Bosie Douglas At the height of his success Wilde s life and the lives of his wife and children changed forever after a libel suit that lead to criminal charges and then to prison Wilde s time as a prisoner and his life after prison were filled with physical and mental illness sadness tragedy and loneliness that all contributed to his death in 1900 The real Oscar Wilde can be found in the legacy of work that he left behind the lives of his two sons Cyril and Vyvyan and how his story had become important to the modern LGBTQ communities well into the twenty first century [Dante on View](#) Antonella Braida,Luisa Calè,2017-05-15

Dante on View opens an important new dimension in Dante studies for the first time a collection of essays analyses the presence of the Italian Medieval poet Dante Alighieri in the visual and performing arts from the Middle Ages to the present day The essays in this volume explore the image of Dante emerging in medieval illuminated manuscripts and later ideological and nostalgic uses of the poet The volume also demonstrates the rich diversity of projects inspired by the Commedia both as an overall polysemic structure and as a repository of scenes which generate a repertoire for painters actors and film makers In its original multimediality Dante s Commedia stimulates the performance of readers and artists working in different media from manuscript to stage from ballet to hyperinstruments from film to television Through such a variety of media the reception of Dante in the visual and performing arts enriches our understanding of the poet and of the arts represented at key moments of formal and structural change in the European cultural world **Dante Gabriel**

Murray,2013-05-13 In 850 analytical articles this two volume set explores the developments that influenced the profound changes in thought and sensibility during the second half of the eighteenth century and the first half of the nineteenth century The Encyclopedia provides readers with a clear detailed and accurate reference source on the literature thought music and art of the period demonstrating the rich interplay of international influences and cross currents at work and to explore the many issues raised by the very concepts of Romantic and Romanticism *Christina Rossetti, Poet and Woman*

Justine Fredrika de Wilde,1923 *A Companion to Victorian Poetry* Ciaran Cronin,2008-04-15 This Companion brings together specially commissioned essays by distinguished international scholars that reflect both the diversity of Victorian poetry and the variety of critical approaches that illuminate it Approaches Victorian poetry by way of genre production and cultural context rather than through individual poets or poems Demonstrates how a particular poet or poem emerges from a number of overlapping cultural contexts Explores the relationships between work by different poets Recalls attention to a considerable body of poetry that has fallen into neglect Essays are informed by recent developments in textual and cultural theory Considers Victorian women poets in every chapter **The Afterlife of Christina Rossetti** A. Chapman,2000-06-13

Despite new historical study of her contexts Christina Rossetti continues to haunt the reader as a displaced subjectivity emptied of history Through an analysis of the posthumous in her work the construction of Christina Rossetti by her brothers and the history of reception this study asks how speaking with the dead can avoid critical ventriloquy The figure of the mother is offered as a paradigm for theorising a new reading that refuses to exorcise the ghost of Christina Rossetti
