'Round about Midnight Eric Nisenson,1982 Round about Midnight Eric Nisenson, Philippe Carles, 1983 Miles Davis - round about midnight Eric Nisenson,1992 Miles Davis Clarence Bernard Henry, 2017-08-15 This research and information guide provides a wide range of scholarship on the life career and musical legacy of Miles Davis and is compiled for an interdisciplinary audience of scholars in jazz and popular music musicology and cultural studies It serves as an excellent tool for librarians researchers and scholars sorting through the massive amount of material in the field Miles Davis: New Research on Miles Davis & His Circle Masaya Yamaquchi, 2019-07-07 Masaya Yamaquchi is Japanese born musician and educator who lives in the US This book grew out of research Yamaguchi did on Miles autobiography which was written by Quincy Troupe from hours of transcribed interviews with Miles Yamaguchi obtained 1200 pages of the transcripts and has meticulously and painstakingly researched and checked the contents He finds various errors and anomalies and corrects the information with strong evidence The book is full of images of transcript pages which include content not seen in the autobiography letters and memos There's plenty of stuff about Miles 1980s music especially on the guitarists Miles used during this era thelastmiles com library milesdavis 4 Miles Davis. Round about Midnight. Eric Nisenson, 1992

Louis Armstrong, Duke Ellington, and Miles Davis Aaron Lefkovitz, 2018-06-20 This book examines Louis Armstrong Duke Ellington and Miles Davis as distinctively global symbols of threatening and nonthreatening black masculinity It centers them in debates over U S cultural exceptionalism noting how they have been part of the definition of jazz as a jingoistic and exclusively American form of popular culture Miles Davis, Miles Smiles, and the Invention of Post Bop Jeremy Yudkin, 2007-11-07 Focusing on one of the legendary musicians in jazz this book examines Miles Davis s often overlooked music of the mid 1960s with a close examination of the evolution of a new style post bop Jeremy Yudkin traces Davis s life and work during a period when the trumpeter was struggling with personal and musical challenges only to emerge once again as the artistic leader of his generation A major force in post war American jazz Miles Davis was a pioneer of cool jazz hard bop and modal jazz in a variety of small group formats The formation in the mid 1960s of the Second Quintet with Wayne Shorter Herbie Hancock Ron Carter and Tony Williams was vital to the invention of the new post bop style Yudkin illustrates and precisely defines this style with an analysis of the 1966 classic Miles Smiles Miles Davis, and Jazz as **Religion** Earnest N. Bracey, 2021-10-01 This book about Miles Davis is more psychologically driven than a straight biography but it does cover his musical career as well his spirituality as a jazz musician Davis rocketed to jazz fame as a trumpeter making a plethora of jazz recordings during his life time and his music kept the jazz world on edge for almost fifty years This book also discusses Davis s religion politics civil rights activism and his personal struggles as a Black man in the United States Miles Davis and Jazz as Religion The Politics of Social Music also shows how Miles Davis made a political statement as he challenged racial stereotypes in jazz or social music Artistically Davis was able to integrate rock jazz classical music rap

and blues in his music as he had a passion for changing his social music In this regard Miles Davis s music was important to him intellectually spiritually and psychologically because he wanted to make his musical contributions count Miles Paul Maher, Michael K. Dorr, 2021-06-15 Miles on Miles collects the thirty most vital Miles Davis interviews Essential reading for anyone who wants to know what Miles Davis thought about his music life and philosophy Miles on Miles reveals the jazz icon as a complex and contradictory man secretive at times but extraordinarily revealing at others Miles was not only a musical genius but an enigma and nowhere else was he so compelling exasperating and entertaining as in his interviews which vary from polite to outrageous from straight ahead to contrarian Even his autobiography lacks the immediacy of the dialogues collected here Many were conducted by leading journalists like Leonard Feather Stephen Davis Ben Sidran Mike Zwerin and Nat Hentoff Others have never before seen print are newly transcribed from radio and television shows or appeared in long forgotten magazines Since Miles Davis s 1991 death his influence has continued to grow But until now no book has brought back to life his inimitable voice contemplative defiant elegant uncompromising and humorous Miles on Miles will long remain the definitive source for anyone wanting to really encounter the legend in print Music Essentials Jack Chambers, 2015-03-01 Biography of jazz trumpeter Miles Davis This ebook is a static version of an article from Grove Music Online a continuously updated online resource offering comprehensive coverage of the world s music written by leading scholars For more information visit www oxfordmusiconline com Clifford Brown Nick Catalano, 2001 Clifford Brown is one of the most important trumpet players in the history of jazz despite dying at the young age of 25 in 1956 He was an accomplished virtuoso the product of a middle class cultivated African American family Hendrix and the Cultural Politics of Popular Music Aaron Lefkovitz, 2018-03-28 This book on Jimi Hendrix s life times visual cultural prominence and popular music with a particular emphasis on Hendrix's relationships to the cultural politics of race gender sexuality ethnicity class and nation Hendrix an itinerant Gypsy and Voodoo child whose racialized freak visual image continues to internationally circulate exploited the exoticism of his race gender and sexuality and Gypsy and Voodoo transnational political cultures and religion Aaron E Lefkovitz argues that Hendrix can be located in a legacy of black transnational popular musicians from Chuck Berry to the hip hop duo Outkast confirming while subverting established white supremacist and hetero normative codes and conventions Focusing on Hendrix's transnational biography and centrality to US and international visual cultural and popular music histories this book links Hendrix to traditions of blackface minstrelsy international freak show spectacles black popular music s global circulation and visual cultural racial gender and sexual stereotypes while noting Hendrix s place in 1960s countercultural US exceptionalist cultural Cold War and rock histories

**Politics and Beauty in America** Timothy J. Lukes, 2016-06-28 This book holds classical liberalism responsible for an American concept of beauty that centers upon women wilderness and machines For each of the three beauty components a cultural entrepreneur supremely sensitive to liberalism s survival agenda is introduced P T Barnum s exhibition of Jenny Lind

is a masterful combination of female elegance and female potency in the subsistence realm John Muir's Yosemite Valley is surely exquisite but only after a rigorous liberal education prepares for its experience And Harley Earl s 1955 Chevrolet Bel Air is a dreamy expressionist sculpture but with a practical 265 cubic inch V 8 underneath Not that American beauty has been uniformly pragmatic The 1950s are reconsidered for having temporarily facilitated a relaxation of the liberal survival priorities and the creations of painter Jackson Pollock and jazz virtuoso Ornette Coleman are evaluated for their resistance to the pressures of pragmatism The author concludes with a provocative speculation regarding a future liberal habitat where Emerson's admonition to attach stars to wagons is rescinded The Making of Kind of Blue Eric Nisenson, 2013-09-10 A masterpiece in its own right this work comprehensively covers Miles Davis s 1959 landmark album Kind of Blue valuable and discerning Publishers Weekly From the moment it was recorded more than forty years ago Miles Davis s Kind of Blue was hailed as a jazz classic To this day it remains the bestselling jazz album of all time embraced by fans of all musical genres The album represented a true watershed moment in jazz history and helped to usher in the first great jazz revolution since belop The Making of Kind of Blue is an exhaustively researched examination of how this masterpiece was born Recorded with pianist Bill Evans tenor saxophonist John Coltrane composer theorist George Russell and Miles himself the album represented a fortuitous conflation of some of the real giants of the jazz world at a time when they were at the top of their musical game The end result was a recording that would forever change the face of American music Through extensive interviews and access to rare recordings Nisenson pieced together the whole story of this miraculous session laying bare the genius of Miles Davis other musicians and the heart of jazz itself Astute and entertaining Booklist Worth reading just for the stories of how one of the greatest albums of all time came into being but it offers so much more a low key but superb education in the way jazz is made and how it comes to mean the things it does Dave Marsh Playboy pop critic and editor of Jazz Eddie S. Meadows, 2013-10-23 Jazz Research and Pedagogy is the third edition of an Rock and Rap Confidential annotated bibliography to books recordings videos and websites in the field of jazz Since the publication of the 2nd edition in 1995 the quantity and quality of books on jazz research performance and teaching materials have increased Although the 1995 book was the most comprehensive annotated jazz bibliography published to that date several books on research performance and teaching materials were omitted In addition given the proliferation of new books in all jazz areas since 1995 the need for a new comprehensive and annotated reference book on jazz is apparent Multiply indexed this book will serve as an excellent tool for librarians researchers and scholars in sorting through the massive amount of new material that has appeared in the field over the last decade The Baroness Hannah Rothschild, 2013-03-19 Beautiful romantic and spirited Pannonica known as Nica named after her father's favorite moth was born in 1913 to extraordinary eccentric privilege and a storied history The Rothschild family had in only five generations risen from the ghetto in Frankfurt to stately homes in England As a child Nica took her daily walks dressed in white with her two sisters and governess around the parkland of the

vast house at Tring Hertfordshire among kangaroos giant tortoises emus and zebras all part of the exotic menagerie collected by her uncle Walter As a debutante she was taught to fly by a saxophonist and introduced to jazz by her brother Victor she married Baron Jules de Koenigswarter settled in a ch teau in France and had five children When World War II broke out Nica and her five children narrowly escaped back to England but soon after she set out to find her husband who was fighting with the Free French Army in Africa where she helped the war effort by being a decoder a driver and organizing supplies and equipment In the early 1950s Nica heard Round Midnight by the jazz pianist and composer Thelonious Monk and as if under a powerful spell abandoned her marriage and moved to New York to find him She devoted herself to helping Monk and other musicians she bailed them out of jail paid their bills took them to the hospital even drove them to their gigs and her convertible Bentley could always be seen parked outside downtown clubs or up in Harlem Charlie Parker would notoriously die in her apartment in the Stanhope Hotel But it was Monk who was the love of her life and whom she cared for until his death in 1982 Hannah Rothschild has drawn on archival material and her own interviews in this quest to find out who her great aunt really was and how she fit into a family that although passionate about music and entomology was reactionary in always favoring men over women Part musical odyssey part love story The Baroness is a fascinating portrait of a modern figure ahead of her time who dared to live as she wanted finally at the very center of New York s jazz scene

Analysis of Jazz Laurent Cugny, 2019-03-20 Analysis of Jazz A Comprehensive Approach originally published in French as Analyser le jazz is available here in English for the first time In this groundbreaking volume Laurent Cugny examines and connects the theoretical and methodological processes that underlie all of jazz Jazz in all its forms has been researched and analyzed by performers scholars and critics and Analysis of Jazz is required reading for any serious study of jazz but not just musicians and musicologists analyze jazz All listeners are analysts to some extent Listening is an active process it may not involve questioning but it always involves remembering comparing and listening again This book is for anyone who attentively listens to and wants to understand jazz Divided into three parts the book focuses on the work of jazz analytical parameters and analysis In part one Cugny aims at defining what a jazz work is precisely offering suggestions based on the main features of definition and structure Part two he dedicates to the analytical parameters of jazz in which a work is performed harmony rhythm form sound and melody Part three takes up the analysis of jazz itself its history issues of transcription and the nature of improvised solos In conclusion Cugny addresses the issues of interpretation to reflect on the goals of analysis with regard to understanding the history of jazz and the different cultural backgrounds in which it takes place Analysis of Jazz presents a detailed inventory of theoretical tools and issues necessary for understanding jazz Open Sky Eric Nisenson, 2015-08-04 Sonny Rollins is arguably the most influential tenor saxophonist that jazz has produced He began his musical career at the tender age of eleven and within five short years he was playing with the legendary Thelonius Monk In the late forties before his twenty first birthday Rollins was in full swing recording with jazz luminaries such as

Charlie Parker Bud Powell Max Roach Art Blakey Miles Davis and Fats Navarro He was hailed as the best jazz tenor saxophonist alive during the years 1955 to 1959 when he was credited with pioneering the use of 3 4 time in bop music Today forty years later Rollins s onstage appearances are eagerly anticipated events where his compelling sound reaches a whole new generation of listeners Renowned jazz writer Eric Nisenson has penned a long overdue look at one of jazz music s brightest and most enduring stars The Oxford Companion to Jazz Bill Kirchner, 2005-07-14 Essays cover major historical trends and figures discuss jazz in different countries review the role of most instruments and consider the place of jazz in other arts like dance literature and film N Y Times Book Rev This work is an effective single volume device leading current listeners to the music while including enough newer scholarship to retain the interest of connoisseurs Libr J
