Round Table Characters Of Shakespeares P:

The Collected Works of William Hazlitt: The Round table. Characters of Shakespear's plays. A letter to William Gifford, esq William Hazlitt,1902 **Shakespeare's Ruins and Myth of Rome** Maria Del Sapio Garbero,2021-12-30 Rome was tantamount to its ruins a dismembered body to the eyes of those Italians and foreigners who visited the city in the years prior to or encompassing the lengthy span of the Renaissance Drawing on the double movement of archaeological exploration and creative reconstruction entailed in the humanist endeavour to resurrect the past ruins are seen as taking precedence over myth in Shakespeare s Rome They are assigned the role of a heuristic model and discovered in all their epistemic relevance in Shakespeare s dramatic vision of history and his negotiation of modernity This is the first book of its kind to address Shakespeare s relationship with Rome s authoritative myth archaeologically by taking as a point of departure a chronological reversal namely the vision of the eternal city as a ruinous scenario and hence the ways in which such a layered silent and aporetic scenario allows for an archaeo anatomical approach to Shakespeare s Roman works Sri Aurobindo and Shakespeare Dr. Meenu Sodhi Sharma,2022-06-16 In this book an attempt has been made to compare the two legendary writers by comparing the eastern way of thinking with the western way Shakespeare is amongst the writers Sri Aurobindo holds in high esteem Sri Aurobindo s admiration for the great dramatist resulted in obvious Shakespearean influences on him He adopts for his plays Elizabethan model of drama perfected by Shakespeare s genius Shakespeare s influence is traceable also in Sri Aurobindo s sonnets It is said that Sri Aurobindo had Shakespearean literature on his bed side when he left his mortal remains Both the great writers were not satisfied by merely holding mirror to the nature but due to their greater and deeper life power they recreated the human life in its beauty and completeness Therefore there is an obvious need to compare and contrast Shakespeare and Sri Aurobindo so as to bring out affinities that may be there between their creative ideal and vision as well as their poetic and dramatic art along with the former s influence on the later In this book an attempt has been made to fulfill the need and to contribute in some measure to the appreciation of Sri Aurobindo s poetry and plays It also briefly touches upon Indian response to Shakespeare It focuses mainly on Sri Aurobindo s numerous insights and critical observations on him To sum up writings of the two such outstanding writers who represent two very different ways of thinking On one hand Shakespeare portrays lot of blood shed gory tales and a wild kind of poetic justice in his writings but on the other hand Sri Aurobindo truly follows Indian ethos of non violence or Ahimsa The author underlines the stark similarities and differences in both the writer s exploring their plays and sonnets The structure of plays and sonnets may be same of both the greatest minds but ethos and persona ingrained in their writings is quite different **A Mental Theater** Alan Richardson,1988-01-01 Certain works of Romantic drama Shelley alone envisions their transcendence through his radical transformation of consciousness in the conclusion to Prometheus Unbound This interpretation of mental theater will lead to a new evaluation of the Romantics as dramatic poets It brings back to critical attention neglected but challenging

works such as Byron's *Heaven and Earth* and Beddoes's *Death's Jest Book* and provides vital new perspectives on undervalued texts like Wordsworth's *The Borderers* and Byron's *Manfred* and *Cain*. It qualifies decades of critical speculation on Romantic individualism and Romantic consciousness and helps return the ideal of imaginative sympathy to the central position held in the critical writings of the Romantics themselves. Finally, in emphasizing the dramatic quality of mental theater, it challenges the still prevalent view that Romantic poetry is inherently lyrical in character. Scholars concerned with English Romantic drama, Romantic literature, and the Romantic period, as well as English drama, will find this work to be an important contribution to their understanding.

Identity, Otherness and Empire in Shakespeare's Rome Maria Del Sapio Garbero, 2016-12-14 Contributors to this collection delve into the relationship between Rome and Shakespeare. They view the presence of Rome in Shakespeare's plays not simply as an unquestioned model of imperial culture or a routine chapter in the history of literary influence, but rather as the problematic link with a distant and foreign ancestry which is both revered and ravaged in its translation into the terms of the Bard's own cultural moment. During a time when England was engaged in constructing a rhetoric of imperial nationhood, the contributors demonstrate that Englishmen used Roman history and the classical heritage to mediate a complex range of issues from notions of cultural identity and gender to the representation of systems of exchange with Otherness in the expanding ethnic space of the nation. This volume addresses matters of concern not only for Shakespeare scholars but also for students interested in issues connected with gender, postcolonialism, and globalization. Drawing implicitly or explicitly on recent criticism, intertextual studies, postcolonial theory, Derrida's conceptualization of hospitality, gender studies, global studies, the essayists explore how the Roman Shakespeare of an emerging early modern empire asks questions of our present as well as of our past.

Superheroes of the Round Table Jason Tondro, 2011-10-14 Few scholars nursed on the literary canon would dispute that knowledge of Western literature benefits readers and writers of the superhero genre. This analysis of superhero comics as Romance literature shows that the reverse is true: knowledge of the superhero romance has something to teach critics of traditional literature. Establishing the comic genre as a cousin to Arthurian myth, Spenser and Shakespeare, it uses comics to inform readings of *The Faerie Queene*, *The Tempest*, Malory's *Morte d'Arthur* and more, while employing authors like Ben Johnson to help explain comics by Alan Moore, Jack Kirby, and Grant Morrison, and characters like Iron Man, the Hulk, the X-Men, and the Justice League. Scholars of comics, medieval and Renaissance literature alike will find it appealing.

Shakespeare Survey 71: Volume 71 Peter Holland, 2018-10-04 The 71st in the annual series of volumes devoted to Shakespeare study and production. The articles like those of volume 70 are drawn from the World Shakespeare Congress held 400 years after Shakespeare's death in July/August 2016 in Stratford-upon-Avon and London. The theme is Re-Creating Shakespeare.

Catalogue of the Library of the Teikoku Daigaku (Imperial University of Japan), 1896 [Shakespeare's Greek Drama Secret](#) Myron Stagman, 2010-08-11 To begin with, Shakespeare had a complete grammar school education and Euripides, Sophocles, and

Aristophanes were assigned reading This book presents voluminous striking unmediated textual correspondences between the Greek and Shakespearean plays and illuminating historical background Not only should this prove the Shakespeare Greek Drama connection but that William Shakespeare became Shakespeare because of his mastery of the ancient Greek treasury of Drama 3 Pluck d my nipple from his boneless gums Many of us associate Lady Macbeth s special temper with some of the most blood curdling lines in literature I have given suck and know How tender tis to love the babe that milks me I would while it was smiling in my face Have pluck d my nipple from his boneless gums And dash d the brains out had I so sworn As you have done to this Shakespeare s precise action image appears in Euripides Iphigenia in Aulis from verses spoken by Clytemnestra She says to Agamemnon It was not of my own free will but by force that Thou didst take and wed me after slaying Tantalus My former husband and dashing my babe on the ground alive When thou hadst torn him from my breast with brutal violence The derivation of Lady Macbeth s dashing image cannot be in doubt **Catalogue of the**
