again Rachel I was thinking about what men are like and what women are like Carteret You see men don t want to be taking their souls to pieces perpetually as women do to see what they re made of Rachel But it is so interesting to do it even if one s afraid of what one finds there Carteret Afraid Rachel Oh yes There are times when I m thinking of things when I m all over the place I can t help it Carteret All over the place Yes that s quite true You are Rachel Well as I said I ve been thinking and I see that in heaps of ways men and women are so different Carteret That s a very profound remark Don t get beyond my depth Rachel pray Rachel Will you horrid old thing But I don t care for your laughing at me I ll go on Men are so simple Carteret And women so complicated Rachel Sometimes Men take things and people for granted so much more than women do sailors I do believe especially are made like that You take things for granted you like everybody you believe in everybody Carteret Well my experience has shewn me that you come fewer croppers in life if you believe in people than if you re suspicious of them It may be an illusion but that s my experience Rachel I wonder And there is another great difference Women so many women are cowards afraid always afraid Carteret Afraid of what you foolish creature To be continue in this ebook
