## **Routledge Companion To Global Economics:**

The Routledge Companion to Global Economics Robert Beynon,2003-09-02 Combining the in depth background coverage of an encyclopedia with the quick look up convenience of a dictionary this new work is an invaluable resource for anyone concerned with international economics The only reference work to cover the latest theories in the vital field of global economics The Routledge Companion to Global Economics explores new economic thought from A Z and offers full length survey discussions by the most respected experts in the field      **The Routledge Companion to Global Economics** Robert Beynon,2001      **Routlge Companion to Global Economics** Robert Beynon,2019-04-17 First published in 1999 Routledge is an imprint of Taylor Francis an informa company      *Routledge Companion to Global Economics* Robert Beynon,2024-11-01 First published in 1999 Combining the in depth background coverage of an encyclopedia with the quick look up convenience of a dictionary this new work is an invaluable resource for anyone concerned with international economics The only reference work to cover the latest theories in the vital field of global economics The Routledge Companion to Global Economics explores new economic thought from A Z and offers full length survey discussions by the most respected experts in the field      **The Routledge Companion to Global Economics** Robert Beynon,2003-09-02 Combining the in depth background coverage of an encyclopedia with the quick look up convenience of a dictionary this new work is an invaluable resource for anyone concerned with international economics The only reference work to cover the latest theories in the vital field of global economics The Routledge Companion to Global Economics explores new economic thought from A Z and offers full length survey discussions by the most respected experts in the field      **The Routledge Companion to Global Value Chains** Renu Agarwal,Christopher Bajada,Roy Green,Katrina Skellern,2021-09-30 This Companion provides a review of global value chains GVCs and the megatrends that are shaping them and will continue to reshape them in deep set trajectories of change over the next few decades Megatrends herald both challenges and opportunities With the growing interest among business leaders and researchers in GVCs this is a reference work which fills a gap in current literature by focusing on the new features of GVCs including the shift of global purchasing power towards developing economies the significance of emerging technologies and data analytics the increasing tensions between globalisation and de globalisation and the role of micro multinationals start up entrepreneurs the public sector and middle markets in a fast changing global economy The early chapters are essentially intradisciplinary in character with the first seeking to explore some historical aspects of GVCs Subsequent chapters cover the theory and practice of operations and supply chain management emerging supply chain technologies and the impact of inter firm collaboration across sectors and economies The final chapters take a more interdisciplinary approach and examine topics at the interface of GVCs with the economy society culture and politics This comprehensive handbook provides a timely analysis of leading edge global megatrends and practices in one volume      **The Routledge Companion to the Makers of Global Business** Teresa da

Silva Lopes,Christina Lubinski,Heidi J.S. Tworek,2019-07-09 The Routledge Companion to the Makers of Global Business draws together a wide array of state of the art research on multinational enterprises The volume aims to deepen our historical understanding of how firms and entrepreneurs contributed to transformative processes of globalization This book explores how global business facilitated the mechanisms of cross border interactions that affected individuals organizations industries national economies and international relations The 37 chapters span the Middle Ages to the present day analyzing the emergence of institutions and actors alongside key contextual factors for global business development Contributors examine business as a central actor in globalization covering myriad entrepreneurs organizational forms and key industrial sectors Taking a historical view the chapters highlight the intertwined and evolving nature of economic political social technological and environmental patterns and relationships They explore dynamic change as well as lasting continuities both of which often only become visible and can only be fully understood when analyzed in the long run With dedicated chapters on challenges such as political risk sustainability and economic growth this prestigious collection provides a one stop shop for a key business discipline Chapter 31 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**The Palgrave Handbook of Contemporary Geopolitics** Zak Cope,2024-11-01 The Palgrave Handbook of Contemporary Geopolitics features expert geopolitical analysis from internationally renowned experts in the field Reflecting the need for global analysis of national and regional politics The Handbook highlights the wider strategic economic cultural and security geography of contemporary international relations The contributions underscore the complex interplay between sociopolitical processes at the national level and their articulation at the regional and global levels *Economic Geography* Neil M.

Coe,Philip F. Kelly,Henry W. C. Yeung,2019-10-23 A revised and updated edition of the leading introductory text on the geography of economic life from the local to the global *Economic Geography* is an engaging and accessible introduction to the different ways modern economic geographers understand analyze and interpret economic processes This comprehensive text addresses significant questions relevant to contemporary economic life from the activities of transnational corporations to issues surrounding workplaces and consumption It encourages readers to explore how spatial patterns places networks and territories shape large scale economic processes Accessible highly illustrated material presents fresh insights from the field complemented by relatable real world examples that help students understand the social cultural and political contexts underpinning global economic processes Now in its third edition this extensively revised and updated textbook retains the features and thematic structure that have proved popular with students and instructors alike while adding exciting new content New chapters explore how the global economy and global development are institutionalized and governed the economic geographies of global climate change economic practices outside the capitalist mainstream the role of migrants in labour markets global production networks and more Introduces economic geography with a thematic approach including

major concepts current debates and case studies Revised and updated to enhance international coverage including three entirely new chapters on international development alternative economies and global climate change Substantial new content on labour migration global production networks and recent intellectual trends such as evolutionary economic geography Highly illustrated with diagrams and photographs closely integrated into the text Pedagogical aids including key case studies learning objectives text boxes chapter essay questions summaries and further reading Core geographical concepts such as place networks and territory are closely integrated into all chapters Economic Geography A Contemporary Introduction is an invaluable source of up to date knowledge for students new to the field for those requiring a solid foundation as well as for a broader academic and public readership with interest in this area of study *The Routledge Companion to the Geography of International Business* Gary Cook, Jennifer Johns, Frank McDonald, Jonathan Beaverstock, Naresh Pandit, 2018-05-08 The fields of Economic Geography and International Business share an interest in the same phenomena whilst each provides both a differing perspective and different research methods in attempting to understand those phenomena The Routledge Companion to the Geography of International Business explores the nature and scope of inter disciplinary work between Economic Geography and International Business in explaining the central issues in the international economy Contributions written by leading specialists in each field including some chapters written by inter disciplinary teams focus on the nature of multinational firms and their strategies where they choose to locate their activities how they create and manage international networks and the key relationships between multinationals and the places where they place their operations Topics covered include the internationalisation of service industries the influence of location on the competitiveness of firms and the economic dynamism of regions and where economic activity takes place and how knowledge goods and services flow between locations The book examines the areas for fruitful inter disciplinary work between International Business and Economic Geography and sets out a road map for future joint research and is an essential resource for students and practitioners of International Business and Economic Development Handbook on Global Value Chains Stefano Ponte, 2019 Global value chains GVCs are a key feature of the global economy in the 21st century They show how international investment and trade create cross border production networks that link countries firms and workers around the globe This Handbook describes how GVCs arise and vary across industries and countries and how they have evolved over time in response to economic and political forces With chapters written by leading interdisciplinary scholars the Handbook unpacks the key concepts of GVC governance and upgrading and explores policy implications for advanced and developing economies alike p p1 margin 0 0px 0 0px 0 0px 0 0px font 10 0px Arial The Corporation Renate E. Meyer, Stephan Leixnering, Jeroen Veldman, 2022-01-27 The Corporation engages with current issues of the corporation as an institutionalized organizational form approaching the concept from the backgrounds of organization theory law and economics combining different theoretical views and empirical approaches **International Entrepreneurship in**

**Emerging Markets** Mohamed Yacine Haddoud, Paul Jones, Adah-Kole Emmanuel Onjewu, 2019-11-18 This volume presents insights from Brazil China India Pakistan Sri Lanka and Turkey to enlighten scholars by unearthing the nature drivers barriers and determinants of entrepreneurship in emerging markets

Diasporas and Transnational Entrepreneurship in Global Contexts Ojo, Sanya, 2016-12-28 The advancement and progression of migrant businesses has increased significantly in the globalized modern society As such current research has emerged regarding the characteristics of transnational economic activities Diasporas and Transnational Entrepreneurship in Global Contexts is an essential reference publication for the latest material on the nature process and outcome of migrant entrepreneurs economic activities expanding from their countries of origin to their countries of residence Featuring coverage on a broad range of topics such as regional growth industrial development and employment generation this book is ideally designed for researchers advanced level students practitioners managers and policy makers seeking current research on how economic development can be encouraged and nurtured among ethnic entrepreneurs and businesses

Brands, Geographical Origin, and the Global Economy David M. Higgins, 2018-05-26 Indications of geographic origin for foodstuffs and manufactures have become an important source of brand value since the beginnings of globalization during the late nineteenth century In this work David M Higgins explores the early nineteenth century business campaigns to secure national and international protection of geographic brands He shows how these efforts culminated in the introduction of legal protocols which protect such brands including Champagne Sheffield Swiss made watches and Made in the USA Higgins explores the major themes surrounding these indications tying in the history of global marketing and the relevant laws on intellectual property He also questions the effectiveness of European Union policy to promote regional and local foods and why such initiatives brought the EU in conflict with North America especially the US He extends the study with a reflection on contemporary issues affecting globalization intellectual property less developed countries and supply chains

**International Business, Multi-Nationals, and the Nationality of the Company** Boris Gehlen, Christian Marx, Alfred Reckendrees, 2023-12-11 This book discusses challenges that arise for multinational companies from not having a single nationality and being exposed to a variety of simultaneous country specific legally and culturally constructed nationalities at home and abroad Brexit America First campaigns Russia's war against Ukraine or the ever tense relationship between China and the US have led to raising concerns about foreign direct investments Multinational companies are pressured to withdraw from countries and reorganise global value chains The long held confidence that nationality does not matter for multinational companies in the globalised economy has dwindled Today companies doing business abroad are exposed to implications of their nationality because governments and customers react upon the nationality of a firm or a product as they did in the 20th century The chapters in this book address many international business domains covering political risk liability of foreignness cultural distance headquarters change and tax planning They use different methodological approaches to analyse European and US based MNEs in Europe Africa and South

East Asia from 1900 to 1980 The book argues that nationality is not a ghost from the past in international business it is a topic that requires substantial consideration The chapters in this book were originally published in the journal Business History **Cross-Border Innovation in a Changing World** Davide Castellani,Alessandra Perri,Vittoria G.

Scalera,Antonello Zanfei,2022 Over the last three decades cross border innovation has profoundly changed This interdisciplinary volume bridges perspectives from international business strategy innovation international economics sustainability and more to explore the players places and policies involved in this complex phenomenon **Handbook of Research on Global Aspects of Sustainable Finance in Times of Crises** Gok, Ibrahim Yasar,2021-11-19 Sustainable finance has been one of the emerging areas of finance in the last decade With its emphasis on any form of financial services that take environmental social and governance ESG considerations into account in decision making processes it can help to improve social well being preserve the ecosystems and promote sustainable economic development Furthermore it can contribute to economic and financial resilience along with enabling sustainable recovery against crises arising from physical or financial shocks The Handbook of Research on Global Aspects of Sustainable Finance in Times of Crises discusses theory and concepts focuses on practices and strategies addresses the recent challenges and trends and presents future prospects regarding sustainable finance It provides a global look at sustainable finance in a variety of contexts along with highlighting contemporary issues in light of crises such as the climate emergency and the COVID 19 pandemic Covering a wide range of topics such as climate finance green finance social finance ESG investing and responsible banking the book is ideal for corporate managers portfolio managers investors financial analysts researchers academicians students and policymakers

**Governance and the postcolony** David Everatt,2019-08-01 Civil society NGOs governments and multilateral institutions all repeatedly call for improved or good governance yet they seem to speak past one another Governance is in danger of losing all meaning precisely because it means many things to different people in varied locations This is especially true in sub Saharan Africa Here the postcolony takes many forms reflecting the imperial project with painful accuracy Offering a set of multidisciplinary analyses of governance in different sectors crisis management water food security universities in different locales across sub Saharan Africa and from different theoretical approaches network to adversarial network governance this volume makes a useful addition to the growing debates on how to govern It steers away from offering a correct definition of governance or from promoting a particular position on postcoloniality It gives no neat conclusion but invites readers to draw their own conclusions based on these differing approaches to and analyses of governance in the postcolony As a robust critical assessment of power and accountability in the sub Saharan context Governance and the Postcolony Views from Africa brings together topical case studies that will be a valuable resource for those working in the field of African international relations public policy public management and administration **Global Public Goods Communication** Sónia Pedro Sebastião,Anne-Marie Cotton,2025-06-06 This book examines the critical role of

communication in advancing knowledge and participation in the governance of global public goods GPG Central to any theory of GPG is the role of information as raising awareness requires creating credible messages and narratives The book highlights the importance of agency understanding actors their interconnections and how they negotiate and govern GPG The book argues for a nuanced understanding of democracy suggesting a broader interpretation that prioritizes public deliberation and reflection Key premises include the necessity of institutional legitimacy active citizen participation structured partnerships and transparent communication channels for sustainable development The book underscores that communication is fundamental to change processes sustainable citizenship and the realization of human rights including the right to information and freedom of expression By doing so it advocates for an eighteenth Sustainable Development Goal responsible communication The book will appeal to students scholars and researchers of international relations communication and public policy as well as to policy makers and professionals at international organizations think tanks and NGOs seeking theoretical foundations for communication strategies and stakeholder engagement practices
