Hell's Best Kept Secret Ray Comfort,2004-07-01 How many souls have you won to Christ How many are still walking with the Lord All some a few The facts are Evangelical success is at an all time low We re producing more backsliders than true converts The fall away rate from large crusades to local churches is between 80 to 90 percent Why are so many unbelievers turning away from the message of the gospel Doesn t the Bible tell us how to bring sinners to true repentance If so where have we missed it The answer may surprise you One hundred years ago Satan buried the crucial key needed to unlock the unbeliever s heart Now Ray Comfort boldly breaks away from modern tradition and calls for a return to biblical evangelism If you re experiencing evangelical frustration over lost souls unrepentant sinners and backslidden believers then look no further This radical approach could be the missing dimension needed to win our generation to Christ Isaiah Price Jesse Bauer,2025-03-14 Isaiah Price is living the American dream He is employed at a local Christian college where he teaches Bible and tries to mentor his students in the ways of God Isaiah is also deeply in love with his wife Allison and hopes that his life will never change until an ancient artifact is stolen from the British Museum and his life is changed forever His father in law Dr Job McPherson one of the seminary professors at the college where Isaiah teaches then instructs him and his wife to get the truth out about what the relic truly is An old pamphlet reveals that the artifact is thought to be David s Sling from the Old Testament and it is believed that when it fell into the hands of the British during World War II it caused the demise of Hitler s Third Reich Dr McPherson believes that a modern day Nazi cult has stolen the weapon and will try to use it to bring about another Nazi regime based out of Germany Isaiah Allison their friends Billy and Jamelle Gardner and two students from the college Kim Loo Chaing and Esther Hemingway agree to set off to England and reveal that David was able to defeat Goliath because of God and not by the sling itself Matters get even more complicated when Isaiah and his team discover a horrifying fact that it appears that Hamas and a rogue instructor from MI6 have obtained the sling before the Nazis have

Believing that Hamas is going to try to use the sling in a terror attack against Israel by trying to hearken back to false historical roots Isaiah and his companions rush to Israel to warn the Israeli Defense Forces before an all out war erupts Throughout their mission Isaiah and his associates learn the importance of following the will of God and the importance of friendship
