Rowan Cottage:

, A Highland Heist Cali MacKay, 2016-03-16 Feisty and fiery security expert Maggie Brennan is ecstatic when she lands the job to design the security system for the Highlander's Hope. At the top of her field, she usually prefers to work alone, but when the owner of the priceless jewels insists she work with his computer security expert Conall Stewart, she doesn't mind it as much as she thought she would. Not when Conall is damn smart and smoking hot despite his gruff and grumpy exterior. Maggie loves a challenge, and she's sure Conall could be a whole lot of fun if he just loosened up a little. The last thing Conall wants is to deal with Maggie, especially when she pushes all his buttons with her perky and highly caffeinated demeanor. All he wants is to be left alone, yet the woman is distractingly gorgeous, brilliant, and funny. Before he even has a chance to shore up his defenses, she's managed to weasel her way into his heart, despite him having sworn off any type of relationship. Yet outside forces are playing dirty, and there's suddenly more on the line than the Highlander's Hope and a love they never thought they'd find.
